

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Jan ☾ ✕ ♀ 01:03 am EST Tran-Tran 27° ∞ 18'  
Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 01 Jan ☾ ♂ ∞ 05:50 am EST Tran-Tran 00° ∞ 00'  
Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 01 Jan ☾ ♂ ♀ 07:45 am EST Tran-Tran 01° ∞ 05'  
Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.
- 01 Jan ☾ ♂ ♂ 08:54 am EST Tran-Tran 01° ∞ 44'  
Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.
- 02 Jan ☾ △ ♄ 04:52 am EST Tran-Tran 13° ∞ 04'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 02 Jan ☾ ✕ ♀ 09:34 pm EST Tran-Tran 22° ∞ 38'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 02 Jan ♀ ♂ ✕ 10:24 pm EST Tran-Tran 00° ✕ 00'  
The more ethereal the better for a few weeks, and if you can't quite put your finger on it, that's just what everybody wants. The elusive, mysterious, and hard to get or understand are what's on the general menu, though satisfaction may be hard to find afterward. But just the right taste could lead straight to heaven.
- 02 Jan ☾ □ ♄ 11:13 pm EST Tran-Tran 23° ∞ 35'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows.

Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

03 Jan ♂ ♀ ♀ 02:31 am EST Tran-Tran  01° 08' R<sub>x</sub>

There may be some disarray about as head-on collisions, encounters with walls and trees, and total engine failure both literally and figuratively litter the landscape. When opposing sides meet, it's the immovable object that wins, since irresistible forces have taken the day off. So don't strain yourself, and when in doubt just back off.

03 Jan ☽ ♂ ♀ 10:22 am EST Tran-Tran  00° 00'

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

03 Jan ☽ ♂ ♀ 11:21 am EST Tran-Tran  00° 34'

Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.

04 Jan ☽ ☐ ♀ 08:34 am EST Tran-Tran  12° 51'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

04 Jan ☽ ♀ ☽ 11:32 am EST Tran-Tran  14° 34'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

04 Jan ☽ ♂ ♀ 11:57 am EST Tran-Tran  14° 49'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

04 Jan ☽ ♀ ♀ 05:36 pm EST Tran-Tran  14° 50'

Small investments are the safest, and small returns mount up. Conservative thinking can pay off if you don't make a big deal out of it. Any boat you launch now will be hard to rock, even in a storm, so it's a good time to ease her away from the dock and put gradually to sea. The world awaits, but don't rush.

05 Jan ☽ ♀ ♀ 02:56 am EST Tran-Tran  23° 32'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

- 05 Jan ☽ ☾ ♀ 06:58 am EST Tran-Tran  25°✕53'  
This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 05 Jan ☽ ♂ ♀ 09:31 am EST Tran-Tran  27°✕22'  
A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.
- 05 Jan ☽ ♂ ♀ 02:01 pm EST Tran-Tran  00°♂00'  
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 05 Jan ☽ △ ♂ 02:26 pm EST Tran-Tran  00°♂14'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 05 Jan ☽ ✕ ♀ 04:06 pm EST Tran-Tran  01°♂13'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 06 Jan ♂ ♂ ☾ 05:43 am EST Tran-Tran  00°♂00'Rx  
People will be exerting themselves with some amount of caution for some time to come, as the inclination is to put all your energy into one, cherished effort and nurture it through, ignoring other prospects or demands. That doesn't make for good team play, but it favors solo artists who know what they're up to.
- 06 Jan ♀ ☾ ♀ 08:56 am EST Tran-Tran  27°♂23'  
It's easy to insist on cutting your way through the confusion only to find yourself more at sea than before. Perhaps it is better to roll over and go back to sleep and wake up on the other side of the bed. Elusive concepts flee in the face of challenge, so watch the show without requiring explanation. No subtitles.
- 06 Jan ☽ ✕ ♀ 11:39 am EST Tran-Tran  12°♂39'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 06 Jan ☽ ☾ ☽ 06:56 pm EST Tran-Tran  16°♂56'  
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in

the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

07 Jan ☽ △ ♀ 03:49 pm EST Tran-Tran  29°11'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

07 Jan ☽ □ ♂ 04:16 pm EST Tran-Tran  29°27'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

07 Jan ☽ ♂ ♂ 05:11 pm EST Tran-Tran  00°00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

07 Jan ☽ □ ♀ 07:22 pm EST Tran-Tran  01°17'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

08 Jan ☽ ✱ ♀ 02:23 am EST Tran-Tran  05°25'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

08 Jan ♀ ♂ ♀ 05:30 am EST Tran-Tran  00°00'

If you don't have a mind like a steel trap, you may get shut out for the next few weeks, because linear thinking is for the moment all the rage. Digressions will get you dismissed, even if they're terribly relevant, so save those side roads for the next trip. The skeleton crew of the mind is in charge on this watch.

08 Jan ☽ ✱ ♀ 06:57 pm EST Tran-Tran  15°10'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

09 Jan ☽ △ ☉ 01:53 am EST Tran-Tran  19°16'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put

your best foot forward and follow through.

- 09 Jan ☽ ☿ ♄ 09:00 am EST Tran-Tran  23°♊27'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 09 Jan ☽ ✕ ♀ 03:46 pm EST Tran-Tran  27°♊26'  
Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 09 Jan ☽ ✕ ♂ 05:50 pm EST Tran-Tran  28°♊40'  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 09 Jan ☽ ☿ ♀ 08:07 pm EST Tran-Tran  00°♋00'  
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 09 Jan ☽ △ ♀ 10:24 pm EST Tran-Tran  01°♋21'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 10 Jan ☽ □ ♀ 09:18 am EST Tran-Tran  07°♋46'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 10 Jan ☽ ☿ ♃ 05:01 pm EST Tran-Tran  12°♋17'  
This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.
- 10 Jan ☽ □ ♄ 10:16 pm EST Tran-Tran  15°♋21'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

- 11 Jan ☽ □ ♀ 07:04 pm EST Tran-Tran  27° II 29'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 11 Jan ☽ ♂ ♄ 11:24 pm EST Tran-Tran  00° ♄ 00'  
Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.
- 12 Jan ☽ ♀ ♄ 09:54 am EST Tran-Tran  06° ♄ 03'  
What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.
- 12 Jan ☽ △ ♀ 04:16 pm EST Tran-Tran  27° ♄ 30' R  
Ideal thrusts and parries are easy to make and the show is entertaining enough to make progress without getting bored. Putting energy into dream-building is just the thing and the more you put your shoulder into it, the more help you'll get from others you convince to follow your star. Belief and deeds go hand in hand.
- 12 Jan ☽ △ ♀ 04:57 pm EST Tran-Tran  10° ♄ 06'  
Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 13 Jan ☽ △ ♄ 02:30 am EST Tran-Tran  15° ♄ 33'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 13 Jan ☽ △ ♄ 03:13 am EST Tran-Tran  23° ♄ 24'  
Original thinking and new approaches will pay off if you put them in gear now. Inventiveness with staying power is available, so don't be a stick in the mud, get rolling. Yesterday's weirdness becomes today's leading edge, so come out of the closet with whatever you were holding back and it just might pay off.
- 13 Jan ☽ ✱ ♄ 04:22 pm EST Tran-Tran  23° ♄ 23'  
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 13 Jan ☽ ♀ ☾ 05:27 pm EST Tran-Tran  24° ♄ 00'  
Full Moon in Cancer

This full "Wolf" Moon may lead you to believe the animal is at the door, even if it's not. There's an air of protectiveness and self-interest all around that borders on personal space invasion, so it's a game of how careful you want to be without getting paranoid, how open you want to be without laying yourself open to trouble. People are touchy about trivialities, so be ready to back off on specifics while you collect on emotional debts that are owed you. Feelings are just below the surface, like an underground river swollen by the flood tides of memory elicited by holiday season events and contacts, so be gentle when you touch a tender spot.

13 Jan ☽♂♂ 10:48 pm EST Tran-Tran  26°♄59'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

13 Jan ☽△♄ 11:46 pm EST Tran-Tran  27°♄32'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

14 Jan ☽♂♂ 04:13 am EST Tran-Tran  00°♂00'

Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

14 Jan ☽♂♀ 06:53 am EST Tran-Tran  01°♂29'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

14 Jan ♀☐♄ 02:48 pm EST Tran-Tran  12°♂00'

An inclination to overdo beyond diminishing returns is fueled by the desire to get things just right. One more added touch, just another taste, try it once again, until satisfaction goes out the window. Sometimes less really is more, even if it doesn't seem like it, so backing off may save you both time and money.

15 Jan ☽✳♄ 01:59 am EST Tran-Tran  11°♂58'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

15 Jan ☽♂♂ 09:39 pm EST Tran-Tran  26°♄13'

Intentions and the ability to fulfill them are a bit at odds and it can be two steps forward, one step back for everyone. Resulting frustration can fuel disputes or engender discouragement, but take it all in stride, it's just part of the game. Stretch for that extra ounce of energy and push on, push on.

- 15 Jan ☽ □ ♀ 11:11 pm EST Tran-Tran  23° 21'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 16 Jan ☽ ♂ ♀ 11:46 am EST Tran-Tran  00° 00'  
If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.
- 17 Jan ☼ ✕ ♀ 06:20 am EST Tran-Tran  27° 36'  
Implicit understandings based on mutual visions are the opportunity of the day, so don't take your dreams for granted. What you share with others on the inner front greases the path to harmony and profit, so anything you can cook up along those lines will provide you with a tangible window to your imagination.
- 17 Jan ☽ □ ♀ 10:34 am EST Tran-Tran  11° 49'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 17 Jan ☽ △ ♀ 02:28 pm EST Tran-Tran  13° 49'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 17 Jan ☽ ♂ ♀ 04:47 pm EST Tran-Tran  15° 00'  
Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.
- 17 Jan ☽ ♂ ♀ 06:44 pm EST Tran-Tran  15° 59'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 18 Jan ☽ △ ♀ 09:14 am EST Tran-Tran  23° 20'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 18 Jan ☽ ✕ ♂ 12:54 pm EST Tran-Tran  25° 10'  
A firm, easy gait marks the day if you let the energy around you carry you along without

questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

18 Jan ☽♂♂ 05:49 pm EST Tran-Tran  27°♎38'

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

18 Jan ♀♂♂ 08:27 pm EST Tran-Tran  16°♏05'

Beauty on a budget takes its lessons from bygone days when folks were less wasteful and more resourceful. Clean lines, conservative colors, and classic sensibility paint the picture of what succeeds best right now. Love grows more intense when it is brought into tight focus, and simple altars best praise the gods.

18 Jan ☽△☉ 09:02 pm EST Tran-Tran  29°♎14'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

18 Jan ☽♂♂ 10:34 pm EST Tran-Tran  00°♏00'

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

19 Jan ☽△♀ 01:52 am EST Tran-Tran  01°♏38'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

19 Jan ♀♂♂ 02:38 am EST Tran-Tran  16°♏07'

Slow and steady wins the race -- in this case, without even knowing the race is on. Quiet thought in a still place dispels the cobwebs of the mind and substitutes depth for crowded considerations. A marathon of any kind is well begun now, and the pace will be set for a long run without getting winded.

19 Jan ♀♂♀ 11:32 am EST Tran-Tran  16°♏41'

At this rather rare time, it is possible to stand back and take a look at your aesthetic accomplishments and generally take self-congratulatory stock of your surroundings. Although you may take your talents for granted, it can be a joy to take inventory now and then so you know just what you are showing off.

19 Jan ☉♂♂ 03:00 pm EST Tran-Tran  00°♏00'

Groupthink and inclusiveness analysis are very much the mindset for the next month, which can broaden horizons but limit your individuality. You'll do better at least temporarily as a team player, but don't forget yourself in the technocracy of the moment, as when general

moorings are lost, you'd best have your own.

- 19 Jan ☽ △ ♋ 10:07 pm EST Tran-Tran  11°♌41'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 20 Jan ☽ □ ♎ 11:24 am EST Tran-Tran  18°♌13'  
This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 20 Jan ☽ □ ♂ 11:35 pm EST Tran-Tran  24°♌12'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 21 Jan ☾ ♂ ♎ 07:24 am EST Tran-Tran  01°♍43'  
Putting up resistance and providing it are in the air, so be ready to find a way around issues not worth fighting for. Undertakings begun now will have a strong element of power and change, but they can wind up taking up all your time in order to retain control of them. All or nothing choices can be avoided just by waiting them out.
- 21 Jan ☽ ♂ ♍ 11:21 am EST Tran-Tran  00°♍00'  
The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 21 Jan ☽ □ ♎ 02:51 pm EST Tran-Tran  01°♍43'  
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 21 Jan ☽ □ ☺ 03:32 pm EST Tran-Tran  02°♍03'  
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 22 Jan ☽ △ ♏ 08:40 pm EST Tran-Tran  16°♍29'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

- 23 Jan ☽ △ ♀ 03:52 am EST Tran-Tran  20°♍05'  
Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 23 Jan ☽ ✖ ♀ 09:11 am EST Tran-Tran  22°♍46'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 23 Jan ♂ ✖ ☿ 10:10 am EST Tran-Tran  23°♍17'♌  
Little improvements and small innovations make life easier and bolster speed and efficiency. New approaches free up energy, freshen attitudes so it's easier to get along, breathe easier. Youthful reinvention creates a general pride in accomplishment that's easily shared by all those creating it.
- 23 Jan ☽ △ ♂ 10:13 am EST Tran-Tran  23°♍17'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 23 Jan ☽ ☿ ☿ 10:13 am EST Tran-Tran  23°♍17'  
Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.
- 23 Jan ♀ ☿ ♂ 03:49 pm EST Tran-Tran  23°♍12'  
Sputtering short circuits of the mind appear around you as thinking interferes with action and vice versa. It can be highly stimulating or highly annoying, depending on where it happens. Great ideas lose their steam followed by energy surges with no place to go. Pull them both together and you'll be back in gear.
- 23 Jan ♀ △ ☿ 05:07 pm EST Tran-Tran  23°♍17'  
Original ideas find a home and progress is easy on all fronts for those who get in gear and make something of it. What was obscure before is obvious now, but it will be history soon if it's not exploited, so get on your own bandwagon before someone else takes it over. It's Thomas Edison time (or Bill Gates?), exploit the moment.
- 23 Jan ☽ △ ♀ 07:04 pm EST Tran-Tran  27°♍45'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 23 Jan ☽ ♂ ♀ 11:29 pm EST Tran-Tran  00°♌00'  
The first reaction all around is a good laugh, especially when people are surprised by the

open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

24 Jan ☽ ✳ ♀ 03:02 am EST Tran-Tran  01° ↗48'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

24 Jan ☽ ✳ ☉ 08:56 am EST Tran-Tran  04° ↗50'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

24 Jan ☽ ☿ ♃ 09:46 pm EST Tran-Tran  11° ↗28'

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

25 Jan ☽ ☐ ♄ 07:51 am EST Tran-Tran  16° ↗44'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

25 Jan ☽ ☐ ♀ 06:35 pm EST Tran-Tran  22° ↗25'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

25 Jan ♀ △ ♂ 06:54 pm EST Tran-Tran  22° ✕25'

The energy to do what it takes to get what you want is easily at hand, so take a big scoop and enjoy. Effortless give and take are in the atmosphere, so seek out mutually beneficial moves and plug right in, no struggle necessary. Projects or commitments begun now will turn out joyful and eminently satisfying for all.

26 Jan ☽ ☐ ♀ 04:40 am EST Tran-Tran  27° ↗49'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

26 Jan ☽ ♂ ♀ 08:43 am EST Tran-Tran  00° ♀00'

Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't

the happening thing, for the moment, so tuck it in and toe the line.

26 Jan ☿ ✖ ♀ 01:33 pm EST Tran-Tran  27° ʋ 49'

The messages of the spirit are clearest when you are not directly seeking them. So it is now that wisdom unheralded and unnoticed displays itself around you. A special comfort in the world around comes from knowing its secrets without shouting them. A quiet word and a knowing glance tell all.

26 Jan ♀ ✖ ♂ 06:11 pm EST Tran-Tran  23° ʋ 16'

You don't have to go crazy trying to discover new sensations. Sometimes the slightest variation in a time-honored recipe will turn things around with hardly any effort. Try a new ingredient, a new position, a new side road -- you'll be surprised what's just next door and around the corner, and who's doing it, too.

27 Jan ☽ ✖ ☿ 03:33 pm EST Tran-Tran  16° ʋ 59'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

27 Jan ☿ ☿ ≈ 09:53 pm EST Tran-Tran  00° ≈ 00'

Ideas abound for the next few weeks, and everybody gets their say, however meaningful or relevant. Life is run by a committee and it's a dead heat between all-around fair-sharing and hands-down bureaucracy. But, you can get your version's fifteen minutes in the sun now, so why not stick your oar in, too?

27 Jan ☽ ☿ ♂ 11:53 pm EST Tran-Tran  21° ʋ 40'

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

28 Jan ☽ △ ♂ 02:42 am EST Tran-Tran  23° ʋ 16'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

28 Jan ☽ ✖ ♀ 04:53 am EST Tran-Tran  24° ʋ 30'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

28 Jan ☽ ✖ ♀ 10:49 am EST Tran-Tran  27° ʋ 52'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

- 28 Jan ☽♂♊ 02:32 pm EST Tran-Tran  00°≈00'  
Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 28 Jan ☽♂♋ 04:45 pm EST Tran-Tran  01°≈17'  
Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.
- 28 Jan ☽♂♌ 05:56 pm EST Tran-Tran  01°≈57'  
Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.
- 29 Jan ♀♂♌ 02:50 am EST Tran-Tran  01°≈58'  
Stubborn, hardheaded, intractable -- these might describe anyone you run across, as the forcible pursuit of pet opinions seems to be the order of the day. It pays to make your point, but don't beat your head against a wall -- and don't be the wall, either. A powerful day for beginnings, but only if you're tireless down the road.
- 29 Jan ☽♂♍ 07:36 am EST Tran-Tran  09°≈51'  
New Moon in Aquarius  
The crowd is crying out for a new deal, and you can give them bread or let them eat cake. The new direction is about divvying it out fairly, so hide that cake in your back pocket for later and instead share the loaves and the fishes, too. If everybody gives, everybody gets, at least that's the flavor of the incoming tide, so go along with it and let it float your boat. If you're willing to take along passengers now, there will be a free ride for you further on down the coast, and then you can enjoy that piece of cake in comfort. Only survivors in their wisdom know the wisdom of unselfishness and its ultimate benefits to the self.
- 29 Jan ☽♈♍ 10:09 am EST Tran-Tran  11°≈20'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 30 Jan ☽♈♎ 06:29 am EST Tran-Tran  23°≈16'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 30 Jan ♅♈ 08:41 am EST Tran-Tran  23°♊16'  
Uranus Stationary Direct in 06th House
- 30 Jan ☽♂♎ 05:52 pm EST Tran-Tran  00°♎00'

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

30 Jan ☉ △ ♃ 05:59 pm EST Tran-Tran  11°≈19'

If you want your plans to develop on track and evolve big time, this is the time to lay them on the table. Imagination and inspiration go hand in hand with motivation and coordination more than usual, so bring everybody together in that spirit and you'll have an operation that can't be beat.

31 Jan ☽ □ ♃ 12:52 pm EST Tran-Tran  11°×18'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

31 Jan ☽ ♉ ♃ 11:09 pm EST Tran-Tran  17°×27'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

01 Feb ☾ △ ♂ 04:02 am EST Tran-Tran  20°✕21'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

01 Feb ☾ ✕ ♄ 08:54 am EST Tran-Tran  23°✕16'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

01 Feb ♀ ♂ ♀ 11:33 am EST Tran-Tran  27°✕59'

Mystery holds much appeal and the more difficult it is to put a finger on, the more people are going to want it. Dreams, fantasies, fiction, and the generally ineffable are all good sellers, whoever is buying. A time to be gloriously unspecific and totally undemanding of the suddenly gossamer fabric of reality.

01 Feb ☾ ♂ ♀ 04:49 pm EST Tran-Tran  28°✕00'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

01 Feb ☾ ♂ ♀ 05:06 pm EST Tran-Tran  28°✕10'

Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.

01 Feb ☾ ♂ ♀ 08:10 pm EST Tran-Tran  00°♄00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

01 Feb ☾ ✕ ♀ 11:40 pm EST Tran-Tran  02°♄05'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

02 Feb ☾ ✕ ♀ 11:36 am EST Tran-Tran  09°♄13'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push

them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

02 Feb ☽ ✕ ♋ 03:04 pm EST Tran-Tran  11°♑17'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

02 Feb ☽ ✕ ☾ 08:23 pm EST Tran-Tran  14°♑28'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

03 Feb ☽ ☐ ♂ 05:20 am EST Tran-Tran  19°♑47'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

03 Feb ♀ △ ♋ 04:52 pm EST Tran-Tran  11°♊17'

Big plans put into operation now will have legs that make seven-league strides. Confidence in what you have cooked up attracts customers and begets imitation, so move on apace to stay ahead of the competition. Ideas flow easily, but don't take them for granted -- put them into action to carry you in less creative times.

03 Feb ☽ ♂ ♉ 10:34 pm EST Tran-Tran  00°♉00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

04 Feb ☽ ☐ ♀ 02:12 am EST Tran-Tran  02°♉09'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

04 Feb ♀ ♂ ♑ 02:57 am EST Tran-Tran  00°♑00'

Passions run high for the next few weeks, with flashes of intense desire suddenly trailing off into satiation or ennui. So if you're looking for intensity, now's the time to jump into the pool - but commitment after you're there may be hard to hold on to. Hunger pangs, once fed, lose their urgency.

04 Feb ♋ ♂ 04:43 am EST Tran-Tran  11°♊17'  
Jupiter Stationary Direct in 06th House

04 Feb ☽ ☐ ♀ 09:07 pm EST Tran-Tran  13°♉17'

This is probably a good time for all parties to back off a bit and make sure that what looks like

a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

05 Feb ☽ ☐ ☉ 03:03 am EST Tran-Tran  16° 8' 46"

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

05 Feb ☽ ✕ ☿ 04:59 am EST Tran-Tran  17° 8' 55"

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

05 Feb ☽ ✕ ♂ 07:17 am EST Tran-Tran  19° 8' 15"

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

05 Feb ☽ ♂ ♀ 02:11 pm EST Tran-Tran  23° 8' 17"

Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.

05 Feb ☽ ✕ ♀ 10:30 pm EST Tran-Tran  28° 8' 07"

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

06 Feb ☽ ♂ ♀ 01:44 am EST Tran-Tran  00° 11' 00"

Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

06 Feb ☽ ✕ ♀ 04:18 am EST Tran-Tran  01° 11' 29"

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

06 Feb ☽ △ ♀ 05:34 am EST Tran-Tran  02° 11' 13"

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform

for all to share.

06 Feb ☽ ☾ ♋ 09:17 pm EST Tran-Tran  11° II 17'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

07 Feb ♀ ✖ ♍ 07:07 am EST Tran-Tran  02° I 15'

Quiet confidence in achievable goals makes things run smoothly and cooperation in the mutual interest means everybody gets just the right piece of the pie. Giving easily without a thought to the cost breeds instant karma and it all comes back again in spades. Fearless love is its own greatest reward.

07 Feb ☽ △ ♎ 08:12 am EST Tran-Tran  17° II 33'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

07 Feb ☽ □ ♏ 09:15 am EST Tran-Tran  18° II 09'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

07 Feb ☽ △ ☼ 10:57 am EST Tran-Tran  19° II 08'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

08 Feb ☽ □ ♏ 02:53 am EST Tran-Tran  28° II 11'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

08 Feb ☽ ☾ ♎ 06:05 am EST Tran-Tran  00° ☾ 00'

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

08 Feb ☽ □ ♎ 11:29 am EST Tran-Tran  03° ☾ 03'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

- 09 Feb ☿ ☊ ☉ 07:08 am EST Tran-Tran  21°≈00'  
High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.
- 09 Feb ☿ △ ☿ 08:16 am EST Tran-Tran  18°☿23'Rx  
Long, easy strides eat up the miles once you establish a pace that doesn't overtax and won't wind you. You don't have to do the speed limit to get there first, just don't make a lot of rest stops. That's the general outlook now, so roll with it. Beginnings now have a long and steady road ahead of them.
- 09 Feb ☿ ☊ ☿ 02:49 pm EST Tran-Tran  18°☿20'  
Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.
- 09 Feb ☿ △ ☿ 02:58 pm EST Tran-Tran  18°☿25'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 09 Feb ☿ ✕ ☿ 11:50 pm EST Tran-Tran  23°☿19'  
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 10 Feb ☿ △ ♀ 08:50 am EST Tran-Tran  28°☿16'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 10 Feb ☿ ☊ ♀ 12:02 pm EST Tran-Tran  00°♂00'  
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 10 Feb ☿ ☐ ☿ 02:28 pm EST Tran-Tran  23°≈19'  
Squabbles about pet concepts and particulars can get in the way of clarity and progress. Chasing down specifics can be more like chasing your tail. If at first you don't succeed, don't try, try again -- just take a break and look at it later. Harsh words happen, but it's only the heat of the moment, so forgive.
- 10 Feb ☿ ☊ ♀ 04:21 pm EST Tran-Tran  02°♂22'  
Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push.

Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

10 Feb ☽ △ ♀ 08:22 pm EST Tran-Tran  04° 02' 32"

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

11 Feb ☽ ✕ ♄ 09:00 am EST Tran-Tran  11° 02' 22"

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

11 Feb ☉ □ ♀ 02:30 pm EST Tran-Tran  23° 02' 20"

Abrasiveness and annoyance are qualities you might be running into right now, so make sure you're not displaying them yourself. Impatience is not a virtue, even if you know you're right, and it's easy for everyone to pointlessly butt heads. Schemes laid now may well be half-baked, so take a second look, maybe a third.

12 Feb ☽ □ ♀ 07:27 am EST Tran-Tran  23° 02' 20"

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

12 Feb ☽ ☿ ☉ 08:54 am EST Tran-Tran  24° 02' 06"

Full Moon in Leo

Whatever the weather outside, this full "Snow" Moon is painted by the conflict between the urge to just have fun and the perceived duty to do everything just so and give everyone their due, whether they merit it or not. Social pressures arise when individual constraints become just too much and people have to break out of the mold, sometimes unexpectedly. If this were hurricane season, you'd have a hurricane party, but it's not so you'll have to think up another suitable excuse to let off steam and let others do so, too. Kids can turn the simplest situations into a play-party, and you reap your profits now when you do the equivalent.

12 Feb ☽ ☿ ♀ 02:13 pm EST Tran-Tran  26° 02' 54"

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

12 Feb ☽ ☿ ♀ 08:08 pm EST Tran-Tran  00° 00' 00"

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

- 13 Feb ☽ ☾ ♋ 06:11 pm EST Tran-Tran  11°♐26'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 14 Feb ☽ ✖ ♂ 06:15 am EST Tran-Tran  17°♐36'  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 14 Feb ☿ ♂ ♋ 07:07 am EST Tran-Tran  00°♊00'  
Putting the right phrase to the task is not the focus for the next few weeks - so if you're at a loss for words, join the party. But words aren't everything, and those slippery concepts that emerge right now can yet be pounced upon when the time is right, like a cat on a mouse, and nailed to the ground. Just mind your mind in the meantime.
- 14 Feb ☽ ♂ ♏ 08:54 am EST Tran-Tran  18°♐58'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 14 Feb ☽ △ ♏ 05:35 pm EST Tran-Tran  23°♐22'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 15 Feb ☽ ♂ ♍ 03:36 am EST Tran-Tran  28°♐25'  
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.
- 15 Feb ☽ ♂ ♌ 06:46 am EST Tran-Tran  00°♏00'  
Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 15 Feb ☽ △ ♍ 11:46 am EST Tran-Tran  02°♏30'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 15 Feb ☽ ♂ ♎ 09:20 pm EST Tran-Tran  07°♏17'  
Feelings and desires may tug and roil around you, and trying to cut an even balance may be

a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

- 16 Feb ☽ △ ♋ 05:52 am EST Tran-Tran  11°△31'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 16 Feb ☽ □ ♂ 05:38 pm EST Tran-Tran  17°△20'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 17 Feb ☽ △ ☾ 06:25 pm EST Tran-Tran  29°△33'  
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
- 17 Feb ☽ ♂ ♍ 07:19 pm EST Tran-Tran  00°♍00'  
The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 18 Feb ☽ □ ♀ 00:34 am EST Tran-Tran  02°♍35'  
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 18 Feb ☾ ♂ ♋ 05:07 am EST Tran-Tran  00°♋00'  
This must be "growing awareness month," starting at zero for most, so if the general atmosphere is clueless, join right in. It's all about feeling your way, with a lot of counterfeit options crowding around the ultimately real path ahead. Follow your feelings (yours, not others'), once you've confirmed them a couple of times.
- 18 Feb ☽ △ ♎ 10:56 am EST Tran-Tran  07°♍41'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 19 Feb ☽ △ ♂ 06:07 am EST Tran-Tran  17°♍09'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will

take you all the way to the finish line.

19 Feb ☽ △ ♄ 10:59 am EST Tran-Tran  19°♌34'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

19 Feb ☽ ♀ ♄ 06:48 pm EST Tran-Tran  23°♌27'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

20 Feb ☽ △ ♀ 05:06 am EST Tran-Tran  28°♌35'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

20 Feb ☽ ♂ ♄ 07:55 am EST Tran-Tran  00°♌00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

20 Feb ☽ ☐ ☉ 12:33 pm EST Tran-Tran  02°♌20'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

20 Feb ☽ ✳ ♀ 01:12 pm EST Tran-Tran  02°♌39'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

20 Feb ♀ ☐ ♄ 03:14 pm EST Tran-Tran  11°♌44'

The best-laid plans suddenly are at sixes and sevens, mostly because there's a nest of non-working components that just keep on popping up. Basically, it's a time for debugging new operations and whipping coming launches into shape. A better time for sorting things out than for starting anew.

21 Feb ☽ △ ♀ 02:28 am EST Tran-Tran  09°♌23'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

- 21 Feb ☽♂♂ 07:09 am EST Tran-Tran  11°♌46'  
Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 21 Feb ☽☐♀ 09:53 am EST Tran-Tran  13°♌10'  
This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 21 Feb ☽☐♄ 10:51 pm EST Tran-Tran  19°♌52'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 22 Feb ☽☐♅ 03:38 pm EST Tran-Tran  28°♌40'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 22 Feb ☽♂♄ 06:09 pm EST Tran-Tran  00°♍00'  
Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 23 Feb ☽✳☉ 03:26 am EST Tran-Tran  04°♍58'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 23 Feb ♀♊♂ 11:58 am EST Tran-Tran  17°♋01'  
It's a good time to put ideas into action in a big way, and when you put your best foot forward you'll find agreement and cooperation all around. Supreme faith in your ideas will be infectious -- just know you're right, then go ahead. Undertakings begun today will seem seriously smart for a longtime to come.
- 23 Feb ☽☐♀ 12:52 pm EST Tran-Tran  10°♍04'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 23 Feb ♂♂♂ 08:53 pm EST Tran-Tran  17°♏01'  
Mars Stationary Direct in 08th House

Finding headway where needed credit and outside support are concerned may lately have turned into a comedy of errors -- not so amusing, but times are changing and the last laugh is still ahead. Where you have met with diminishing returns, back off and run with a single new plan that will be more worth the extra effort. Where you put the extra is everything -- don't spread it around, focus it. You're more likely to get what you really push for than what you simply toy with. Point the backing you seek toward new directions you'd like to power and others will more easily sign on for the ride.

- 24 Feb ☽ ♂ ♂ 01:32 am EST Tran-Tran  17° √ 01'  
Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.
- 24 Feb ☽ ✕ ♀ 03:42 am EST Tran-Tran  18° √ 13'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 24 Feb ☽ ✕ ♀ 07:10 am EST Tran-Tran  20° √ 09'  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 24 Feb ☽ △ ♀ 01:14 pm EST Tran-Tran  23° √ 32'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 24 Feb ☽ ✕ ♀ 10:29 pm EST Tran-Tran  28° √ 45'  
Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 25 Feb ☽ ♂ ♀ 00:40 am EST Tran-Tran  00° ≈ 00'  
Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 25 Feb ☽ ♂ ♀ 05:32 am EST Tran-Tran  02° ≈ 47'  
Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

- 25 Feb ☿ ☊ ☿ 07:02 am EST Tran-Tran  20°☿16'  
It may be hard to get your head into gear, but once you do, you can go into great detail. Thoroughness is the watchword and you will not want to be in the company of scatterbrains. With the Thinker as the model, there is the risk of taking things too seriously, but anything begun now will wind up a heavyweight for sure.
- 25 Feb ☽ ☿ ♀ 06:55 pm EST Tran-Tran  10°≈31'  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 25 Feb ☽ △ ♃ 09:33 pm EST Tran-Tran  12°≈03'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 26 Feb ☽ □ ♅ 05:05 pm EST Tran-Tran  23°≈35'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 27 Feb ☽ ☿ ☿ 03:47 am EST Tran-Tran  00°☿00'  
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 27 Feb ☿ ☿ ♅ 04:38 am EST Tran-Tran  23°☿36'  
The wellsprings of the mind are, like water, often taken for granted. When ideas flow fresh from the tap, one assumes they are always there, as at this moment. Launch it now and that will likely always be the case, but a look inside the mechanics of your everyday creativity might help you drink when wells run dry.
- 27 Feb ☽ ☿ ☾ 07:45 pm EST Tran-Tran  09°☿41'  
New Moon in Pisces  
To focus your mind, you must empty it first - if you can't do that, you'll never line up the sights. The compelling urgency right now is to take your attention away from the details and let the white noise take over until something materializes in the midst of it, a new figure stepping out of the mist. The challenge is to let go of the safety of the boat and swim, follow the swirls of the current until you feel the change in the waters around you, sense the nearness of the shore, and then direct your stroke to the sound of the waves on the beach. The courage is in knowing there will be a resolution when there isn't yet one.
- 27 Feb ☽ □ ♃ 11:55 pm EST Tran-Tran  12°☿13'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope

to disappointment, so avoid them.

28 Feb ☽ △ ♂ 07:58 am EST Tran-Tran  17°✕08'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

28 Feb ☽ ☾ ♀ 01:42 pm EST Tran-Tran  20°✕40'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

28 Feb ☽ ✕ ♂ 06:33 pm EST Tran-Tran  23°✕38'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

28 Feb ☽ ☾ ♀ 11:19 pm EST Tran-Tran  26°✕35'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Mar ☾ ☿ ♀ 03:06 am EST Tran-Tran   28°✕54'  
A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.
- 01 Mar ☾ ☿ ♀ 04:52 am EST Tran-Tran   00°♄00'  
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 01 Mar ☾ ✕ ♀ 09:34 am EST Tran-Tran   02°♄54'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 01 Mar ♀ ♀ 07:34 pm EST Tran-Tran   10°♄50'Rx  
Venus Stationary Retrograde in 04th House  
During this period, what you want to hold on to and what you want to let go can be a recurrent issue. Not so much in the outer world, but rather the inner. The set of circumstances that really makes you feel at home and well supported emotionally and spiritually ask to be defined or, rather, redefined. Are you where you would like to be? Are your values abiding or shifting? What is your personal bottom line? As you address these questions, you may find yourself redefined and more secure from within and therefore better able to go after goals on the outside, especially in you interaction with others.
- 01 Mar ☾ ☿ ♀ 10:26 pm EST Tran-Tran   10°♄50'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 02 Mar ☾ ✕ ♀ 00:56 am EST Tran-Tran   12°♄22'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 02 Mar ☾ ☐ ☿ 08:53 am EST Tran-Tran   17°♄16'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

- 02 Mar ☿ ☊ ♀ 11:22 am EST Tran-Tran  28°✕57'  
A mist upon the mind makes ordinary clarity just history for the time being, but the numinous clarity of dreams is at your beck and call. If you can envision it, you can express it, so keep a journal by your bedside. Don't expect things to make sense right away, but in retrospect it will shine like a firefly in the dark.
- 02 Mar ☼ ☐ ♃ 01:19 pm EST Tran-Tran  12°✕25'  
Overblown, repetitious plans could use a little trimming and when you see that time-wasting windbag headed your way, make tracks. A tendency to overdo with diminishing returns colors actions, and if brevity is the soul of wit, you'd never know it now. Buck the tide, simplify, and don't commit until that's done.
- 03 Mar ☿ ☊ ♂ 04:04 am EST Tran-Tran  00°♠00'  
Everybody's going to be quick-witted for a few weeks, or at least will be giving it a try, which means foot-in-mouth syndrome escalates, as people speak before they think. Nevertheless, there's a sharpening of minds that cuts waste and makes for rapid-fire unfoldment of ideas. Follow-through after the onrush will be the challenge.
- 03 Mar ☽ ☊ ☿ 05:37 am EST Tran-Tran  00°♠00'  
The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.
- 03 Mar ☽ ☐ ♀ 10:28 am EST Tran-Tran  02°♠57'  
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 04 Mar ☽ ✕ ☼ 04:48 am EST Tran-Tran  14°♠04'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 04 Mar ☽ ✕ ♂ 10:26 am EST Tran-Tran  17°♠27'  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 04 Mar ☽ ✕ ♄ 04:38 pm EST Tran-Tran  21°♠10'  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 04 Mar ☽ ☊ ♄ 08:57 pm EST Tran-Tran  23°♠45'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be

they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.

05 Mar ☽ ✖ ♀ 05:54 am EST Tran-Tran  29° 8'03"

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

05 Mar ☽ ♂ ♀ 07:30 am EST Tran-Tran  00° 11'00"

Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

05 Mar ♀ ✖ ♀ 08:09 am EST Tran-Tran  03° 11'00"

Tuning in to the Force can be easier than you think -- you might be doing it right now. When you work in sure knowledge, it works through you. Thus, what you take for granted is your very support structure. Foundations laid now will have that subtle support that protects without any armor at all.

05 Mar ☽ △ ♀ 12:37 pm EST Tran-Tran  03° 11'00"

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

05 Mar ☽ ✖ ♀ 01:02 pm EST Tran-Tran  03° 11'16"

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

06 Mar ☽ ✖ ♀ 01:22 am EST Tran-Tran  10° 11'28"

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

06 Mar ☽ ♂ ♀ 05:18 am EST Tran-Tran  12° 11'45"

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

06 Mar ☽ □ ☉ 11:33 am EST Tran-Tran  16° 11'21"

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve,

but don't chase diminishing returns.

06 Mar ☽ ☐ ♄ 08:24 pm EST Tran-Tran  21° II 26'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

07 Mar ☽ ☐ ♀ 09:58 am EST Tran-Tran  29° II 08'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

07 Mar ☽ ☌ ☿ 11:30 am EST Tran-Tran  00° ☿ 00'

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

07 Mar ☽ ☐ ♀ 10:06 pm EST Tran-Tran  05° ☿ 57'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

08 Mar ☉ △ ☌ 00:13 am EST Tran-Tran  17° ♄ 53'

It should be easier to establish and maintain a maximum stride and this is the time to establish the ideal cruising speed for anything you've got underway. Everyone's energies are more likely to be in synch so that the whole system kicks in and puts out without leaning too heavily on a single component.

08 Mar ☽ ☐ ♀ 05:21 am EST Tran-Tran  09° ☿ 59'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

08 Mar ☽ ☌ ☌ 07:53 pm EST Tran-Tran  18° ☿ 00'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

08 Mar ☽ △ ☉ 09:17 pm EST Tran-Tran  18° ☿ 46'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

- 09 Mar ☽ △ ♄ 03:41 am EDT Tran-Tran  21°♄43'  
 There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 09 Mar ☽ ✖ ♄ 07:40 am EDT Tran-Tran  23°♄53'  
 A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 09 Mar ☽ △ ♀ 05:33 pm EDT Tran-Tran  29°♄13'  
 It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 09 Mar ☽ ☾ ♄ 07:00 pm EDT Tran-Tran  00°♄00'  
 Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 10 Mar ☽ ☾ ♀ 00:48 am EDT Tran-Tran  03°♄07'  
 Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.
- 10 Mar ☽ △ ♀ 09:57 am EDT Tran-Tran  08°♄00'  
 Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 10 Mar ☽ △ ♀ 12:21 pm EDT Tran-Tran  09°♄17'  
 Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 10 Mar ☽ ✖ ♄ 07:46 pm EDT Tran-Tran  13°♄12'  
 Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 11 Mar ☽ □ ♄ 04:17 pm EDT Tran-Tran  23°♄57'  
 Dogfights and catfights may be happening almost anywhere, so make it a point not to join in.

Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

11 Mar ☿ ♀ 06:55 pm EDT Tran-Tran  08°♎48'

This is an ideal time for achievement in arts and letters -- whether it's redecorating, taking great pictures and movies, or doing a makeover. A keen eye for the beautiful is in sharp focus and a strong sense of shape and proportion makes for good judgment in all aspect of design, now and for posterity.

12 Mar ☽ ♉ ♀ 03:56 am EDT Tran-Tran  00°♏00'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

12 Mar ☼ ♉ ♀ 06:29 am EDT Tran-Tran  22°♏06'

If everyone is taking things very seriously, there may be a reason -- or there may not be, so lighten up. When progress is slow, spirits dampen, and vice versa, but forced endurance creates strength, so these clouds have silver linings. Commitments made now will hang around for a longtime, so choose with care.

13 Mar ☽ ♋ ♀ 06:13 am EDT Tran-Tran  13°♏28'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

13 Mar ☽ ♉ ♂ 04:46 pm EDT Tran-Tran  18°♏49'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

13 Mar ☽ ♉ ♀ 11:40 pm EDT Tran-Tran  22°♏19'

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

14 Mar ☽ ♉ ☼ 02:55 am EDT Tran-Tran  23°♏57'

Full Moon in Virgo

This "Worm" Moon has more than the usual craziness of full Moon, it also has an in-and-out-of-focus quality that can change from moment to moment. Just when you think you've got things pinned down, life goes into soft focus and you forget your line and have to wing it. It's really hard to script what's going on, so maybe you shouldn't try too hard, and certainly don't insist others toe the line, as they're having the same issues. What you bring out of this period will be better intuitive communication and a better understanding of just how unreliable preset cues can be. It's less about saying what you mean, more about meaning what you say - even if it isn't all that clear, it can still get across.

- 14 Mar ☽ △ ♅ 03:06 am EDT Tran-Tran   24°♎02'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 14 Mar ☼ ✖ ♅ 05:16 am EDT Tran-Tran   24°♊02'  
Sometimes you can see just as well with a flashlight as with a floodlight, especially if you are examining something small. The simplest solutions are often the most ingenious, and it's the household gadget that makes most inventors rich. Small and clever is the order of the day, and it has staying power.
- 14 Mar ☽ ♀ ♄ 01:48 pm EDT Tran-Tran   29°♎24'  
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.
- 14 Mar ☽ ♂ ♁ 02:59 pm EDT Tran-Tran   00°♊00'  
Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 14 Mar ☽ △ ♀ 09:27 pm EDT Tran-Tran   03°♊14'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 15 Mar ♄ ♀ 02:42 am EDT Tran-Tran   09°♑35'♌  
Mercury Stationary Retrograde in 04th House  
The next three weeks may cause you to step back and rethink your course and reset your bearings to make sure you are really on the course you intended. Do not hesitate to question fundamental values in order to get to the heart of what you believe and resolve inner conflicts that may arise. Small insights can net you large gains, particularly in the future stability of your ship. Rock your own boat before others do, and you'll be the better off for it. By the end, you may find risk reevaluation highly useful, particularly when you depend on others to evolve into what you will lean on in the future.
- 15 Mar ☽ ♀ ♀ 05:24 am EDT Tran-Tran   07°♊12'  
Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.
- 15 Mar ☽ ♀ ♀ 10:12 am EDT Tran-Tran   09°♊35'  
What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page.

A better time for winding things up than diving in.

- 15 Mar ☽ △ ♀ 06:38 pm EDT Tran-Tran  13° 46'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 16 Mar ☽ □ ♂ 05:53 am EDT Tran-Tran  19° 20'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 17 Mar ☽ ♂ ♍ 03:31 am EDT Tran-Tran  00° 00'  
The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 17 Mar ☽ □ ♀ 10:11 am EDT Tran-Tran  03° 17'  
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 18 Mar ☽ △ ♂ 07:56 pm EDT Tran-Tran  19° 55'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 19 Mar ☽ △ ♄ 02:03 am EDT Tran-Tran  22° 56'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 19 Mar ☽ ♂ ♌ 04:39 am EDT Tran-Tran  24° 13'  
Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.
- 19 Mar ☽ △ ☉ 03:08 pm EDT Tran-Tran  29° 25'  
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

- 19 Mar ☽ △ ♀ 03:28 pm EDT Tran-Tran  29°♐36'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 19 Mar ☽ ♂ ♄ 04:17 pm EDT Tran-Tran  00°♈00'  
The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.
- 19 Mar ☾ ♂ ♀ 07:25 pm EDT Tran-Tran  29°♋36'  
A dreamy atmosphere makes getting down to brass tacks difficult, so put that off to another day. On the other hand, the realm of the imagination opens up and connections to otherworldly things are close at hand. Connections and commitments made now have a haunting, spiritual quality that lingers in the back of the mind.
- 19 Mar ☽ ✕ ♀ 10:59 pm EDT Tran-Tran  03°♈20'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 20 Mar ☽ △ ♀ 01:10 am EDT Tran-Tran  04°♈25'  
Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 20 Mar ☾ ♂ ♀ 05:02 am EDT Tran-Tran  00°♐00'  
There's a fairly sudden shift of energy as a month of urgency begins, painting a patina of action and purpose on a previously passive environmental palette. Patience and gestation won't do anymore, time to get up and go - but exactly where to may be the puzzle. Preventing premature detonation while delivering a timely bombshell is the challenge of the month ahead.
- 20 Mar ☽ △ ♀ 07:56 am EDT Tran-Tran  07°♈49'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 20 Mar ☽ ♂ ♄ 09:02 pm EDT Tran-Tran  14°♈24'  
Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 21 Mar ☽ □ ♄ 02:23 pm EDT Tran-Tran  23°♈15'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it --

don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

- 21 Mar ♀ ✳ ♀ 05:40 pm EDT Tran-Tran  03°♑22'♌  
 Quiet confidence in achievable goals makes things run smoothly and cooperation in the mutual interest means everybody gets just the right piece of the pie. Giving easily without a thought to the cost breeds instant karma and it all comes back again in spades. Fearless love is its own greatest reward.
- 22 Mar ☽ ☐ ♀ 02:53 am EDT Tran-Tran  29°♌41'  
 Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 22 Mar ☽ ♂ ♀ 03:29 am EDT Tran-Tran  00°♏00'  
 Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 22 Mar ☽ ☐ ☉ 07:30 am EDT Tran-Tran  02°♏05'  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 22 Mar ☽ ☐ ♀ 09:11 am EDT Tran-Tran  02°♏58'  
 Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 22 Mar ☽ ☐ ♀ 03:13 pm EDT Tran-Tran  06°♏08'  
 This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 22 Mar ♀ ♂ ☉ 09:08 pm EDT Tran-Tran  02°♑39'♌  
 Ego compounding desire can make this moment hot but nearsighted at the same time. In the passion of the moment all are more likely looking out for number one than for the general good, and the possibility of missing the long-range win is real. Seek what you want, but remember you'll still have needs tomorrow.
- 23 Mar ☉ ✳ ♀ 03:27 pm EDT Tran-Tran  03°♑25'  
 Quiet self-confidence allows forward motion without interference and without making waves. If you look like you know where you're going, the crowd will part to let you pass. Commitments or relationships begun now will share that enduring quality and make it easily

through the storms of life and into the sunshine.

23 Mar ☽♂♂ 07:23 pm EDT Tran-Tran  21°∞11'

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

23 Mar ☽✳️♂ 11:42 pm EDT Tran-Tran  23°∞32'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

24 Mar ☽△♂ 01:18 am EDT Tran-Tran  24°∞25'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

24 Mar ☽✳️♀ 11:01 am EDT Tran-Tran  29°∞47'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

24 Mar ☽♂≈ 11:25 am EDT Tran-Tran  00°≈00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

24 Mar ☽✳️♀ 02:15 pm EDT Tran-Tran  01°≈35'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

24 Mar ♀♂☉ 03:49 pm EDT Tran-Tran  04°∇25'Rx

High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

24 Mar ☽♂♀ 05:34 pm EDT Tran-Tran  03°≈26'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

- 24 Mar ☽ ✕ ♀ 07:07 pm EDT Tran-Tran  04°≈18'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 24 Mar ☽ ✕ ☉ 07:36 pm EDT Tran-Tran  04°≈34'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 25 Mar ☽ △ ♃ 02:02 pm EDT Tran-Tran  15°≈03'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 25 Mar ♀ ✕ ♀ 06:08 pm EDT Tran-Tran  03°♄27'Rx  
Tuning in to the Force can be easier than you think -- you might be doing it right now. When you work in sure knowledge, it works through you. Thus, what you take for granted is your very support structure. Foundations laid now will have that subtle support that protects without any armor at all.
- 26 Mar ☽ ☐ ♅ 06:16 am EDT Tran-Tran  24°≈31'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 26 Mar ☽ ☿ ✕ 03:33 pm EDT Tran-Tran  00°✕00'  
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 27 Mar ♀ ☿ ✕ 04:41 am EDT Tran-Tran  00°♄00'Rx  
The more ethereal the better for a few weeks, and if you can't quite put your finger on it, that's just what everybody wants. The elusive, mysterious, and hard to get or understand are what's on the general menu, though satisfaction may be hard to find afterward. But just the right taste could lead straight to heaven.
- 27 Mar ♀ ☿ ♀ 09:14 am EDT Tran-Tran  29°✕53'Rx  
Mystery holds much appeal and the more difficult it is to put a finger on, the more people are going to want it. Dreams, fantasies, fiction, and the generally ineffable are all good sellers, whoever is buying. A time to be gloriously unspecific and totally undemanding of the suddenly gossamer fabric of reality.
- 27 Mar ☽ ☐ ♃ 04:57 pm EDT Tran-Tran  15°✕21'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing

your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

28 Mar ☽ △ ♂ 04:29 am EDT Tran-Tran  22°✕27'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

28 Mar ☽ ☿ ♄ 07:05 am EDT Tran-Tran  24°✕04'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

28 Mar ☽ ✕ ♄ 07:57 am EDT Tran-Tran  24°✕36'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

28 Mar ☽ ☿ ♀ 03:18 pm EDT Tran-Tran  29°✕10'

Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.

28 Mar ☽ ☿ ♀ 04:31 pm EDT Tran-Tran  29°✕56'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

28 Mar ☽ ☿ ♀ 04:37 pm EDT Tran-Tran  00°♄00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

28 Mar ☽ ☿ ♀ 06:03 pm EDT Tran-Tran  00°♄54'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

28 Mar ☽ ✕ ♀ 10:13 pm EDT Tran-Tran  03°♄30'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is

definitely the way to go.

29 Mar ☽ ☿ ☾ 06:59 am EDT Tran-Tran  09°T00'  
New Moon in Aries

This first New Moon of the astrological year is all about bounding out from the starting line the instant the signal is given. The early bird definitely gets the worm and the race is to the fleet, especially those exactly and promptly off the mark. Sharing is fine, but it's leadership that counts right now, let the others fall in line as the race develops. If sudden acceleration isn't your thing, don't pull a muscle trying to sprint, because those who try too hard will find themselves flagging and out of steam all too soon. Being the leader of the pack in the first furlong often means you won't stay there, but impressive starts can make the rest of the run easy if you've got what it takes. Take the initiative, or at least ride the slipstream of the next ahead of you.

29 Mar ☽ ✖ ♃ 05:33 pm EDT Tran-Tran  15°T39'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

29 Mar ♃ ☿ ♀ 10:18 pm EDT Tran-Tran  00°T00'

Everybody's going to be quick-witted for a few weeks, or at least will be giving it a try, which means foot-in-mouth syndrome escalates, as people speak before they think. Nevertheless, there's a sharpening of minds that cuts waste and makes for rapid-fire unfoldment of ideas. Follow-through after the onrush will be the challenge.

29 Mar ♃ ☿ ♀ 10:47 pm EDT Tran-Tran  29°X59'R<sub>x</sub>

A mist upon the mind makes ordinary clarity just history for the time being, but the numinous clarity of dreams is at your beck and call. If you can envision it, you can express it, so keep a journal by your bedside. Don't expect things to make sense right away, but in retrospect it will shine like a firefly in the dark.

30 Mar ☽ ☐ ☿ 05:19 am EDT Tran-Tran  23°T05'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

30 Mar ♀ ☿ ♀ 07:59 am EDT Tran-Tran  00°T00'

Ideals become very much the stuff of action for the next fourteen years, and it's time to put up or shut up across society. When social visions are illusionary or only wishful, this can be the stuff of generational regret and error. But when they're well-defined, it can leave a legacy of spiritual and social uplift.

30 Mar ☽ ☿ ☿ 04:17 pm EDT Tran-Tran  00°X00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

30 Mar ☾ ☐ ♀ 09:54 pm EDT Tran-Tran  03°Ϡ32'

Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Apr ☽ ✕ ♂ 06:16 am EDT Tran-Tran 23° 8' 44"  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 01 Apr ☽ ✕ ♄ 07:34 am EDT Tran-Tran 24° 8' 33"  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 01 Apr ☽ ♂ ♄ 07:57 am EDT Tran-Tran 24° 8' 47"  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 01 Apr ☽ ✕ ♀ 11:55 am EDT Tran-Tran 27° 8' 14"  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 01 Apr ☽ ✕ ♀ 01:44 pm EDT Tran-Tran 28° 8' 20"  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 01 Apr ☽ ♂ ♀ 04:27 pm EDT Tran-Tran 00° 11' 00"  
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 01 Apr ☽ ✕ ♀ 04:35 pm EDT Tran-Tran 00° 11' 05"  
Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 01 Apr ☽ △ ♀ 10:17 pm EDT Tran-Tran 03° 11' 34"  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require

sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

02 Apr ☽ ✕ ☾ 02:21 pm EDT Tran-Tran  13° II 15'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

02 Apr ☽ ☿ ♃ 07:26 pm EDT Tran-Tran  16° II 17'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

03 Apr ☽ ☐ ♅ 09:53 am EDT Tran-Tran  24° II 48'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

03 Apr ☽ ☐ ♀ 12:37 pm EDT Tran-Tran  26° II 24'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

03 Apr ☽ ☐ ♀ 02:27 pm EDT Tran-Tran  27° II 27'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

03 Apr ☽ ☿ ☿ 06:51 pm EDT Tran-Tran  00° ☿ 00'

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

03 Apr ☽ ☐ ♀ 07:08 pm EDT Tran-Tran  00° ☿ 10'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

04 Apr ♅ ✕ ♄ 12:16 pm EDT Tran-Tran  24° ✕ 56'

This is generally a yearlong period (or longer) when there is a general background effect that helps commercialize new trends in science and technology or milk the last out of old ones -- as opposed to introducing revolutionary new ideas. As such, it means the opportunity is out there for everyone to get a piece of the pie before the new stuff hits or the latest rage wears

out. Whether that will personally impact your life in a specific way is a moot point, as everyone, including yourself, will be affected by this underpinning of commerce where the often-contradictory sides of originality and conservatism for the moment are at peace in the interest of making money.

- 04 Apr ☿ ✖ ☿ 07:03 pm EDT Tran-Tran  24°☿57'  
 Little improvements and small innovations make life easier and bolster speed and efficiency. New approaches free up energy, freshen attitudes so it's easier to get along, breathe easier. Youthful reinvention creates a general pride in accomplishment that's easily shared by all those creating it.
- 04 Apr ☿ △ ☿ 09:08 pm EDT Tran-Tran  24°☿58'  
 Long, easy strides eat up the miles once you establish a pace that doesn't overtax and won't wind you. You don't have to do the speed limit to get there first, just don't make a lot of rest stops. That's the general outlook now, so roll with it. Beginnings now have a long and steady road ahead of them.
- 04 Apr ☿ □ ☿ 10:15 pm EDT Tran-Tran  15°☿33'  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 05 Apr ☿ ✖ ☿ 03:20 pm EDT Tran-Tran  24°☿59'  
 A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 05 Apr ☿ △ ☿ 03:29 pm EDT Tran-Tran  25°☿04'  
 There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 05 Apr ☿ ☿ ☿ 03:49 pm EDT Tran-Tran  25°☿15'  
 Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.
- 05 Apr ☿ △ ♀ 04:36 pm EDT Tran-Tran  25°☿40'  
 Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 05 Apr ☿ △ ♀ 06:55 pm EDT Tran-Tran  26°☿56'  
 Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-

-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

- 06 Apr ☽ ☿ ♈ 00:34 am EDT Tran-Tran  00° ♈ 00'  
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 06 Apr ☽ △ ♀ 01:02 am EDT Tran-Tran  00° ♈ 15'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 06 Apr ☼ ✖ ♈ 05:45 am EDT Tran-Tran  16° ♈ 51'  
Modest plans succeed as long as no one rocks the boat, and that's the working formula for now. It's a good time to notice that you can get as far with many small coordinated steps as you can with great leaps forward. Once things are humming, operations take care of themselves and mileage increases.
- 06 Apr ☽ ☿ ♀ 07:19 am EDT Tran-Tran  03° ♈ 38'  
Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.
- 06 Apr ♀ △ ♂ 08:14 am EDT Tran-Tran  25° ♈ 29' Rx  
The energy to do what it takes to get what you want is easily at hand, so take a big scoop and enjoy. Effortless give and take are in the atmosphere, so seek out mutually beneficial moves and plug right in, no struggle necessary. Projects or commitments begun now will turn out joyful and eminently satisfying for all.
- 07 Apr ♀ ☿ ♏ 07:01 am EDT Tran-Tran  25° ♈ 15' Rx  
Beauty on a budget takes its lessons from bygone days when folks were less wasteful and more resourceful. Clean lines, conservative colors, and classic sensibility paint the picture of what succeeds best right now. Love grows more intense when it is brought into tight focus, and simple altars best praise the gods.
- 07 Apr ☿ ♀ 07:01 am EDT Tran-Tran  26° ♈ 50'  
Mercury Stationary Direct in 03rd House  
Several weeks of greater confusion than you'd have liked are on their way out and you can get back to what you were doing with a bit more confidence and sense of purpose. Getting roadblocks out of the way allows you to chart a surer course and feel better about what you are doing and what kind of commitments you can make and live up to. Red herrings and detours can be put behind you as you get back onto a map everybody can buy into. The cost of delays and uncertainties is made up for by knowing that they no longer impede and that you can now throttle up and get on some real speed.
- 07 Apr ☽ ✖ ♈ 08:37 am EDT Tran-Tran  17° ♈ 02'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

07 Apr ☽ △ ☉ 10:31 am EDT Tran-Tran  18° 201'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

08 Apr ☽ □ ♀ 00:08 am EDT Tran-Tran  25° 206'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

08 Apr ♀ ✕ ♀ 00:50 am EDT Tran-Tran  25° 206' R

You don't have to go crazy trying to discover new sensations. Sometimes the slightest variation in a time-honored recipe will turn things around with hardly any effort. Try a new ingredient, a new position, a new side road -- you'll be surprised what's just next door and around the corner, and who's doing it, too.

08 Apr ☽ ☿ ♀ 09:40 am EDT Tran-Tran  00° 200'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

09 Apr ☽ □ ♀ 08:04 pm EDT Tran-Tran  17° 227'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

10 Apr ☽ ☿ ♀ 10:39 am EDT Tran-Tran  24° 245'

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

10 Apr ☽ △ ♀ 11:36 am EDT Tran-Tran  25° 213'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

10 Apr ☽ ☿ ♀ 12:26 pm EDT Tran-Tran  25° 238'

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out

ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

10 Apr ☽ ✕ ♂ 03:19 pm EDT Tran-Tran  27°♎05'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

10 Apr ☽ ♀ 03:49 pm EDT Tran-Tran  27°♎19'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

10 Apr ☽ ♂ ♄ 09:12 pm EDT Tran-Tran  00°♊00'

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

10 Apr ☽ ♀ ♀ 10:03 pm EDT Tran-Tran  00°♊26'

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

11 Apr ☽ △ ♀ 04:37 am EDT Tran-Tran  03°♊41'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

12 Apr ☽ △ ♃ 09:20 am EDT Tran-Tran  17°♊53'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

12 Apr ☽ ♀ ☾ 08:23 pm EDT Tran-Tran  23°♊20'

Full Moon in Libra

You may find this "Egg" full Moon may be about cleverly getting through relationship tussles without getting egg on your face. There's a whole lot of manipulation going on, and without much forethought gone into it, so don't be put off by thoughtless remarks, although you'll be glad to finally have a handle on where they're coming from. The urge to get involved and ask questions later is a challenge to meet and overcome, both from within and without. But the triumph of coming through gracefully, having honed your skills, is the reward you should be looking for. They'll owe you for this one, but gloat privately.

12 Apr ♀ ♄ 08:54 pm EDT Tran-Tran  24°♋37'

## Venus Stationary Direct in 03rd House

You may have found some difficulty lately getting what you want across to others, making your desires and wishes known in ways that are not misunderstood. A period of clarification is now underway, during which you can clear things up and get what you need from the immediate surroundings without having to repeat yourself so much. Partially, that's due to general happenstance, but equally important is putting your own thoughts in order and being sure of what you want, so you can ask for it clearly and effectively. When you are coming from a solid place inside, your follow-through will take care of itself.

13 Apr ☽ ☐ ♂ 06:01 am EDT Tran-Tran  28°♌05'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

13 Apr ☽ ♂ ♍ 09:54 am EDT Tran-Tran  00°♍00'

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

13 Apr ☽ ☐ ♀ 05:27 pm EDT Tran-Tran  03°♍43'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

15 Apr ☽ △ ♀ 12:04 pm EDT Tran-Tran  24°♍46'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

15 Apr ☽ ♂ ♉ 01:32 pm EDT Tran-Tran  25°♍29'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

15 Apr ☽ △ ♏ 03:00 pm EDT Tran-Tran  26°♍13'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

15 Apr ☽ △ ♂ 08:52 pm EDT Tran-Tran  29°♍08'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

- 15 Apr ☽ △ ♀ 10:24 pm EDT Tran-Tran  29°♐53'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 15 Apr ☽ ♂ ♀ 10:38 pm EDT Tran-Tran  00°♈00'  
The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.
- 15 Apr ☽ △ ♀ 11:51 pm EDT Tran-Tran  00°♈36'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 16 Apr ♀ ♂ ♀ 02:25 am EDT Tran-Tran  00°♈00'  
Everybody's going to be quick-witted for a few weeks, or at least will be giving it a try, which means foot-in-mouth syndrome escalates, as people speak before they think. Nevertheless, there's a sharpening of minds that cuts waste and makes for rapid-fire unfoldment of ideas. Follow-through after the onrush will be the challenge.
- 16 Apr ☽ ✱ ♀ 06:08 am EDT Tran-Tran  03°♈44'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 17 Apr ♀ ♂ ♀ 00:11 am EDT Tran-Tran  00°♈38'  
A mist upon the mind makes ordinary clarity just history for the time being, but the numinous clarity of dreams is at your beck and call. If you can envision it, you can express it, so keep a journal by your bedside. Don't expect things to make sense right away, but in retrospect it will shine like a firefly in the dark.
- 17 Apr ☽ ♂ ♀ 12:12 pm EDT Tran-Tran  18°♈49'  
Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 18 Apr ♂ ♂ ♀ 00:21 am EDT Tran-Tran  00°♈00'  
There's a roly-poly feel to the environmental energy for some time to come, kind of like the more you put out, the better you feel, and the more fun it gets, assuming you're making some kind of headway. But even if not, a lot of it is about the game, in and of itself. If you play only to win, this can be a distracting period, indeed.
- 18 Apr ☽ □ ♀ 00:41 am EDT Tran-Tran  25°♈08'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may

seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

- 18 Apr ☽ ☐ ♄ 03:21 am EDT Tran-Tran  26° 23'30"  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 18 Apr ☽ △ ☉ 07:39 am EDT Tran-Tran  28° 27'41"  
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
- 18 Apr ☽ ☿ ♊ 10:13 am EDT Tran-Tran  00° 23'00"  
Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 18 Apr ☽ ☐ ♀ 11:34 am EDT Tran-Tran  00° 23'42"  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 18 Apr ☽ ☐ ♀ 01:51 pm EDT Tran-Tran  01° 23'52"  
This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 19 Apr ☉ ☿ ♉ 03:56 pm EDT Tran-Tran  00° 28'00"  
The month ahead is all about pacing, or at least that's the prevailing atmosphere. Making it work and being sure that it's going to deliver, without getting sidetracked or distracted, is the common wisdom. Doing that without getting bored may sometimes be the problem. Common beauty with an uncommon touch is the solution.
- 19 Apr ☿ △ ♀ 06:53 pm EDT Tran-Tran  00° 24'44"  
Ideal thrusts and parries are easy to make and the show is entertaining enough to make progress without getting bored. Putting energy into dream-building is just the thing and the more you put your shoulder into it, the more help you'll get from others you convince to follow your star. Belief and deeds go hand in hand.
- 20 Apr ☽ ✳ ♀ 11:24 am EDT Tran-Tran  25° 23'43"  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and

relaxed progress are all in the atmosphere.

20 Apr ☽ △ ♁ 11:27 am EDT Tran-Tran  25°∞45'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

20 Apr ☽ ✖ ♁ 01:22 pm EDT Tran-Tran  26°∞46'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

20 Apr ♀ ✖ ♁ 02:19 pm EDT Tran-Tran  25°✖45'

You don't have to go crazy trying to discover new sensations. Sometimes the slightest variation in a time-honored recipe will turn things around with hardly any effort. Try a new ingredient, a new position, a new side road -- you'll be surprised what's just next door and around the corner, and who's doing it, too.

20 Apr ♀ ✖ ♀ 05:34 pm EDT Tran-Tran  03°∇46'

Tuning in to the Force can be easier than you think -- you might be doing it right now. When you work in sure knowledge, it works through you. Thus, what you take for granted is your very support structure. Foundations laid now will have that subtle support that protects without any armor at all.

20 Apr ☽ ∅ ≈ 07:22 pm EDT Tran-Tran  00°≈00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

20 Apr ☽ ✖ ♀ 08:48 pm EDT Tran-Tran  00°≈46'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

20 Apr ☉ □ ♂ 09:34 pm EDT Tran-Tran  01°∅12'

There is a grating quality to the moment that smells of friction and wasted energy. This can come from needless repetition that overheats the system or from backing and filling because of taking hasty aim. Lessons learned now will be valuable, but get them under your belt before you make final decisions.

20 Apr ☽ ∅ ♂ 09:36 pm EDT Tran-Tran  01°≈12'

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

- 20 Apr ☽ ☐ ☉ 09:36 pm EDT Tran-Tran  01°≈12'  
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 21 Apr ☽ ☿ ♀ 02:20 am EDT Tran-Tran  03°≈46'  
Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.
- 21 Apr ☽ ✕ ♀ 03:01 am EDT Tran-Tran  04°≈09'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 22 Apr ☽ △ ♃ 07:05 am EDT Tran-Tran  19°≈42'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 22 Apr ☽ ☐ ♅ 05:56 pm EDT Tran-Tran  25°≈52'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 23 Apr ☽ ☿ ✕ 01:08 am EDT Tran-Tran  00°✕00'  
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 23 Apr ☽ ✕ ☉ 07:15 am EDT Tran-Tran  03°✕33'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 23 Apr ☉ ☐ ♀ 01:05 pm EDT Tran-Tran  03°♂47'  
Personal confrontations abound and you will do well to avoid them, as they lead nowhere but take up a lot of time and energy, leaving resentment in their trail. Force plays and squeeze plays are no substitute for fair play, and you'll never regret walking away. Let the air clear and then be ready to move on untrammelled.
- 24 Apr ☽ ☐ ♃ 11:11 am EDT Tran-Tran  20°✕07'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing

your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

24 Apr ♀ ♈ ♏ 08:03 pm EDT Tran-Tran  27°✕14'

Beauty on a budget takes its lessons from bygone days when folks were less wasteful and more resourceful. Clean lines, conservative colors, and classic sensibility paint the picture of what succeeds best right now. Love grows more intense when it is brought into tight focus, and simple altars best praise the gods.

24 Apr ☽ ✕ ♏ 08:51 pm EDT Tran-Tran  25°✕59'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

24 Apr ☽ ♈ ♏ 10:55 pm EDT Tran-Tran  27°✕14'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

24 Apr ☽ ♈ ♏ 10:58 pm EDT Tran-Tran  27°✕17'

Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.

25 Apr ☽ ♈ ♏ 03:25 am EDT Tran-Tran  00°♑00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

25 Apr ☽ ♈ ♏ 04:55 am EDT Tran-Tran  00°♑55'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

25 Apr ☽ ♈ ♏ 08:30 am EDT Tran-Tran  03°♑08'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

25 Apr ☽ ✕ ♏ 09:35 am EDT Tran-Tran  03°♑48'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is

definitely the way to go.

- 25 Apr ☽♂♀ 06:05 pm EDT Tran-Tran  09°T05'  
Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.
- 26 Apr ☽✳♂ 12:19 pm EDT Tran-Tran  20°T31'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 26 Apr ♂♂♀ 08:53 pm EDT Tran-Tran  03°Q48'  
There may be some disarray about as head-on collisions, encounters with walls and trees, and total engine failure both literally and figuratively litter the landscape. When opposing sides meet, it's the immovable object that wins, since irresistible forces have taken the day off. So don't strain yourself, and when in doubt just back off.
- 27 Apr ☽♂♂ 03:18 am EDT Tran-Tran  00°Y00'  
The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.
- 27 Apr ☽☐♀ 09:17 am EDT Tran-Tran  03°Y48'  
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 27 Apr ☽☐♂ 09:39 am EDT Tran-Tran  04°Y02'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 27 Apr ☽♂☾ 03:32 pm EDT Tran-Tran  07°Y47'  
New Moon in Taurus  
Getting a startup going this month is all about moving out the whole division, baggage, support, and all. You may not get in motion as fast as you like, but you'll find you get a lot of impetus going once you're underway. It's not about a quick pass play, more like a full lineup smashing through to get the next first down. Look for what lasts because of strength and endurance - it is beyond the season of the sprout and into that of the steady sapling, with roots that resist pulling. Progress comes more slowly, but it has shoulders that push through until the season of bloom provides its reward.
- 28 Apr ☽♂♂ 08:34 pm EDT Tran-Tran  26°Y12'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be

they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.

28 Apr ☽ ✕ ♄ 10:52 pm EDT Tran-Tran  27° 39'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

29 Apr ☽ ✕ ♀ 01:18 am EDT Tran-Tran  29° 12'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

29 Apr ☽ ♂ ♀ 02:35 am EDT Tran-Tran  00° 00'

Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

29 Apr ☽ ✕ ♀ 04:15 am EDT Tran-Tran  01° 03'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

29 Apr ☽ △ ♀ 08:39 am EDT Tran-Tran  03° 49'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

29 Apr ☽ ✕ ♂ 10:29 am EDT Tran-Tran  04° 57'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

30 Apr ☽ ✕ ♀ 01:51 am EDT Tran-Tran  14° 30'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

30 Apr ☽ ♂ ♀ 12:59 pm EDT Tran-Tran  21° 19'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with

it now and you'll go far.

30 Apr ♀♂♄ 01:16 pm EDT Tran-Tran  00°♄00'

Passions run high for the next few weeks, with flashes of intense desire suddenly trailing off into satiation or ennui. So if you're looking for intensity, now's the time to jump into the pool - but commitment after you're there may be hard to hold on to. Hunger pangs, once fed, lose their urgency.

30 Apr ☽☐♅ 11:49 pm EDT Tran-Tran  27°♄52'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

01 May ☾ ☿ ☿ 03:23 am EDT Tran-Tran  00°☿00'

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

01 May ☾ ☐ ♀ 03:57 am EDT Tran-Tran  00°☿21'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

01 May ☾ ☐ ♀ 05:14 am EDT Tran-Tran  01°☿06'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

01 May ☾ ☿ ☐ 11:45 pm EDT Tran-Tran  12°☿00'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

02 May ☾ ☐ ♀ 09:38 am EDT Tran-Tran  17°☿41'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

02 May ♀ ☿ ♀ 01:07 pm EDT Tran-Tran  01°♊09'

Mystery holds much appeal and the more difficult it is to put a finger on, the more people are going to want it. Dreams, fantasies, fiction, and the generally ineffable are all good sellers, whoever is buying. A time to be gloriously unspecific and totally undemanding of the suddenly gossamer fabric of reality.

03 May ☾ ☿ ☿ 01:06 am EDT Tran-Tran  26°☿27'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

03 May ☾ ☐ ♀ 04:02 am EDT Tran-Tran  28°☿05'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually

reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

03 May ☽ ☿ ♋ 07:29 am EDT Tran-Tran  00° 00'

Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

03 May ☽ △ ♀ 09:37 am EDT Tran-Tran  01° 10'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

03 May ☽ △ ♀ 10:33 am EDT Tran-Tran  01° 41'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

03 May ☽ ☿ ♀ 02:24 pm EDT Tran-Tran  03° 49'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

03 May ☽ ☿ ♂ 08:13 pm EDT Tran-Tran  06° 59'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

04 May ♀ ♄ 07:12 am EDT Tran-Tran  03° 49' ♄  
Pluto Stationary Retrograde in 02nd House

04 May ☽ ☐ ☉ 09:52 am EDT Tran-Tran  14° 21'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

04 May ☽ △ ♀ 11:14 pm EDT Tran-Tran  21° 26'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

05 May ☽ ✳ ♈ 00:43 am EDT Tran-Tran  22° 13'

Good feelings may be taken for granted today, so you might go out of your way to appreciate

them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

05 May ☽ ☐ ♀ 09:04 am EDT Tran-Tran  26° 235'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

05 May ♀ ✕ ♀ 01:22 pm EDT Tran-Tran  22° 220'

Ideas that were once only on the drawing board wind up panning out seamlessly, and you might look to how that happened as a model for future operations. The chances are you didn't even notice, having your mind a step ahead already. Undertakings begun now have an easy future with continuing creativity assured.

05 May ☽ ♂ ♀ 03:40 pm EDT Tran-Tran  00° 000'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

06 May ♀ ✕ ♀ 05:24 pm EDT Tran-Tran  03° 249'

Quiet confidence in achievable goals makes things run smoothly and cooperation in the mutual interest means everybody gets just the right piece of the pie. Giving easily without a thought to the cost breeds instant karma and it all comes back again in spades. Fearless love is its own greatest reward.

07 May ☽ △ ☉ 00:51 am EDT Tran-Tran  16° 054'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

07 May ☽ ☐ ♀ 12:30 pm EDT Tran-Tran  22° 044'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

07 May ☽ △ ♀ 08:30 pm EDT Tran-Tran  26° 043'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

08 May ☽ ♂ ♀ 00:12 am EDT Tran-Tran  28° 033'

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in

itself, is exactly what's in the air.

08 May ☽ ☿ ♊ 03:07 am EDT Tran-Tran  00°♊00'

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

08 May ☽ ♉ ♋ 05:46 am EDT Tran-Tran  01°♊19'

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

08 May ☽ △ ♀ 10:49 am EDT Tran-Tran  03°♊49'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

08 May ☽ ♉ ♋ 01:23 pm EDT Tran-Tran  05°♊05'

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

08 May ☽ ✖ ☿ 10:08 pm EDT Tran-Tran  09°♊24'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

10 May ☽ △ ♋ 02:18 am EDT Tran-Tran  23°♊16'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

10 May ♀ ☿ ☿ 08:15 am EDT Tran-Tran  00°♊00'

There's a certain plodding quality to communications in the coming weeks, which is great for gaining ground and making sure you know what's really happening. Solid, well-crafted ideas have appeal but flights of fancy have a harder time getting heard, because a leap of imagination is difficult with both your feet on the ground.

10 May ☽ ☿ ♎ 03:59 pm EDT Tran-Tran  00°♎00'

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

- 10 May ☽♂♀ 05:17 pm EDT Tran-Tran  00°♌38'  
 What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.
- 10 May ☽☐♀ 11:43 pm EDT Tran-Tran  03°♌48'  
 Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 11 May ☽☐♂ 01:40 pm EDT Tran-Tran  10°♌41'  
 Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 12 May ☽♂☉ 12:57 pm EDT Tran-Tran  22°♌13'  
 Full Moon in Scorpio  
 One of the lessons of the "Flower" full Moon is that the beauty of a flower is in its mystery, and you don't really enjoy it more if you take it apart, petal by petal. Take it slow and allow personal secrets to remain so, all the while admiring the magic of the show you are both participating in and watching at the same time. The urge not only to blossom but cross-pollinate is very much in the air, and so is the pressure to behave accordingly. Choose wisely and discreetly, because indiscretion lasts longer than you may think. What you take from this period may much depend on your loyalty and trustworthiness under pressure.
- 12 May ♀☐♀ 01:20 pm EDT Tran-Tran  03°♍48'  
 Forceful arguments have less weight, the more you put into them. Pounding debates only exhaust their participants. Attacking the issue will wind up destroying it. Yet, that's the general inclination, so when in doubt, just say go. Hightail it to some seclusion where you can wait out the battle, then pick up others' pieces.
- 12 May ☽♂♄ 10:36 pm EDT Tran-Tran  27°♌01'  
 Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.
- 13 May ☽△♅ 02:38 am EDT Tran-Tran  29°♌01'  
 There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 13 May ☽♂♆ 04:36 am EDT Tran-Tran  00°♏00'  
 The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but

may be slim on details.

13 May ☽ △ ♀ 07:30 am EDT Tran-Tran  01° ↗27'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

13 May ☽ ✕ ♀ 12:11 pm EDT Tran-Tran  03° ↗48'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

13 May ☽ △ ♀ 10:49 pm EDT Tran-Tran  09° ↗07'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

14 May ☽ △ ♂ 04:29 am EDT Tran-Tran  11° ↗58'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

15 May ☽ ♂ ♀ 04:55 am EDT Tran-Tran  24° ↗21'

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

15 May ☽ □ ♀ 02:30 pm EDT Tran-Tran  29° ↗14'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

15 May ☽ ♂ ♀ 03:59 pm EDT Tran-Tran  00° ↗00'

Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.

15 May ☽ □ ♀ 06:56 pm EDT Tran-Tran  01° ↗31'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

- 16 May ☽ △ ♀ 01:30 pm EDT Tran-Tran  11° √ 06'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 16 May ☽ □ ♀ 01:46 pm EDT Tran-Tran  11° √ 14'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 17 May ☾ ☿ ♀ 07:32 pm EDT Tran-Tran  27° √ 18'  
A feeling of explosive urgency is in the air, and you can fall into some serious personal discovery if you ride that wave. You can also get into some heated debate in a flash as there's an all-or-nothing tinge to events that resist reining in. Exploit the moment, but wait on pursuing it further until heads cool.
- 17 May ☽ △ ♀ 08:25 pm EDT Tran-Tran  27° √ 18'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 17 May ☽ △ ☼ 08:29 pm EDT Tran-Tran  27° √ 20'  
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
- 18 May ☽ ✕ ♀ 00:28 am EDT Tran-Tran  29° √ 27'  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 18 May ♀ □ ♂ 00:36 am EDT Tran-Tran  13° √ 53'  
The seemingly best ideas can get tangled indeed when they are not implemented correctly, and correcting that can be a tangle in itself. Thrashing things out seems to mark the current environment, and you can join in if you must -- or if you can afford to, sit out the fray on the sidelines and let others spin their wheels.
- 18 May ☽ ☿ ∞ 01:30 am EDT Tran-Tran  00° ∞ 00'  
Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 18 May ☽ ✕ ♀ 04:28 am EDT Tran-Tran  01° ∞ 35'  
Words may convey a bit more emotional meaning than usual, as under-the-radar

communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

18 May ☽ ☿ ♀ 08:34 am EDT Tran-Tran  03°≈46'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

19 May ☽ ♀ 02:19 am EDT Tran-Tran  13°≈21'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

19 May ☽ ♂♂ 04:24 am EDT Tran-Tran  14°≈29'

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

19 May ☽ ☐ ♀ 08:01 am EDT Tran-Tran  16°≈27'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

20 May ☽ △ ♃ 00:13 am EDT Tran-Tran  25°≈23'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

20 May ☽ ☐ ♂ 03:54 am EDT Tran-Tran  27°≈26'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

20 May ☽ ♀ ☿ 05:39 am EDT Tran-Tran  29°≈38'

Small investments are the safest, and small returns mount up. Conservative thinking can pay off if you don't make a big deal out of it. Any boat you launch now will be hard to rock, even in a storm, so it's a good time to ease her away from the dock and put gradually to sea. The world awaits, but don't rush.

20 May ☽ ☐ ☉ 07:59 am EDT Tran-Tran  29°≈43'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve,

but don't chase diminishing returns.

20 May ☽ ☿ ♋ 08:29 am EDT Tran-Tran  00° ♋ 00'

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

20 May ☾ ☿ ♌ 02:55 pm EDT Tran-Tran  00° ♌ 00'

The month ahead promises a lot of heightened communication - at least that is the general expectation, so expect to hit a chord if you say more rather than less. Intellectual solutions are the rage, but that may be simply to paper over what's being ignored underneath. Keep options open, however, as you never know which sound bite is going to wind up the winner and hit home to the truth.

21 May ☽ ♀ ♍ 10:21 pm EDT Tran-Tran  21° ♍ 41'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

22 May ♀ △ ☿ 03:42 am EDT Tran-Tran  16° ♊ 00'

The energy to do what it takes to get what you want is easily at hand, so take a big scoop and enjoy. Effortless give and take are in the atmosphere, so seek out mutually beneficial moves and plug right in, no struggle necessary. Projects or commitments begun now will turn out joyful and eminently satisfying for all.

22 May ☽ ☐ ♈ 05:28 am EDT Tran-Tran  25° ♈ 52'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

22 May ☽ ♀ ♏ 08:20 am EDT Tran-Tran  27° ♏ 34'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

22 May ☾ ♀ ♏ 08:40 am EDT Tran-Tran  01° ♏ 40'

Implicit understandings based on mutual visions are the opportunity of the day, so don't take your dreams for granted. What you share with others on the inner front greases the path to harmony and profit, so anything you can cook up along those lines will provide you with a tangible window to your imagination.

22 May ☽ ☿ ♏ 12:07 pm EDT Tran-Tran  29° ♏ 49'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

- 22 May ☽♂♂ 12:26 pm EDT Tran-Tran  00°♈00'  
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 22 May ☽♂♂ 03:15 pm EDT Tran-Tran  01°♈41'  
A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.
- 22 May ☽♂☉ 03:43 pm EDT Tran-Tran  01°♈57'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 22 May ☽♂♀ 06:42 pm EDT Tran-Tran  03°♈44'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 23 May ☽♂♂ 04:14 pm EDT Tran-Tran  16°♈47'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 23 May ☽♂♀ 05:13 pm EDT Tran-Tran  17°♈23'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 24 May ☽♂♂ 07:44 am EDT Tran-Tran  26°♈20'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 24 May ☽♂♀ 11:50 am EDT Tran-Tran  03°♈43'  
A strong sense of self-assurance can enable everyone to pull together now, based on the faith that it will come out all right in the end, whatever happens. Endeavors begun with that in mind will be virtually bulletproof and a firm foundation is there for you if you choose to take a chance.
- 24 May ☽♂♂ 01:38 pm EDT Tran-Tran  00°♈00'  
The next couple of days can be solid launching ground for anything you choose to embark

upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

- 24 May ㄥ ㄣ ㄞ 07:15 pm EDT Tran-Tran  27°ㄣ42'  
Lightning-flash ideas lead to sudden, keen insights about how to make things work better. Leading-edge inventiveness abounds, so get your patent in while it's hot. In general, it's a good time for that "aha!" light bulb to go off over your head, so keep your mind open and write down what comes to you.
- 24 May ㄣ ㄣ ㄣ 07:36 pm EDT Tran-Tran  03°ㄣ43'  
Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 24 May ㄥ ㄣ ㄣ 11:32 pm EDT Tran-Tran  00°ㄣ00'  
A major shift is underway that for the next couple of years will bank the fires of the overeager but hone the edge of the careful. When things stop, they will do so precipitously, and there won't be any part of "no" not understood. Sudden cutbacks will be equally suddenly restored, but with new restrictions and a better plan to avoid mistakes. The brunt will be taken by those who pushed too hard, too fast.
- 25 May ㄣ ㄣ ㄣ 06:06 pm EDT Tran-Tran  17°ㄣ51'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 25 May ㄥ ㄣ ㄣ 09:00 pm EDT Tran-Tran  00°ㄣ00'  
The coming few weeks will be ideal for wide-range brainstorming, as the general climate is up for more open communications and generally batting ideas around without having to commit to them immediately. There's a breezy feeling to it, like air running through your hair, freedom of speech at its safest and best.
- 25 May ㄥ ㄣ ㄥ 09:46 pm EDT Tran-Tran  00°ㄣ04'  
Slow and steady wins the race -- in this case, without even knowing the race is on. Quiet thought in a still place dispels the cobwebs of the mind and substitutes depth for crowded considerations. A marathon of any kind is well begun now, and the pace will be set for a long run without getting winded.
- 26 May ㄣ ㄣ ㄞ 09:52 am EDT Tran-Tran  27°ㄣ48'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 26 May ㄣ ㄣ ㄣ 01:22 pm EDT Tran-Tran  00°ㄣ00'  
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones,

and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

26 May ☽ ✕ ♏ 01:33 pm EDT Tran-Tran  00° II 07'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

26 May ☽ ☾ ♎ 04:05 pm EDT Tran-Tran  01° II 43'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

26 May ☽ ✕ ♍ 04:10 pm EDT Tran-Tran  01° II 46'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

26 May ♀ ✕ ♍ 04:37 pm EDT Tran-Tran  01° II 46'

The messages of the spirit are clearest when you are not directly seeking them. So it is now that wisdom unheralded and unnoticed displays itself around you. A special comfort in the world around comes from knowing its secrets without shouting them. A quiet word and a knowing glance tell all.

26 May ☽ △ ♍ 07:14 pm EDT Tran-Tran  03° II 42'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

26 May ☽ ☾ ☾ 11:03 pm EDT Tran-Tran  06° II 06'

New Moon in Gemini

Multiple starts mark the month and you may have to run two races at a time, one complimenting the other, in order to be in tune with the season and ride it to success. It's all about branching and leafing out, fractalizing your fundamentals into multiple scalings and positions. Leadership is about adaptability right now, and having it right in your head beats playing it from the heart this go-round, so don't feel you have to go deep to go far. There's better fishing in shallow water, so you don't have to cast your nets far from shore - just fling them fast and furious and pull in your catch from all quarters.

27 May ♀ △ ♍ 01:54 pm EDT Tran-Tran  03° II 42'

When you've got it figured out, run with it and everyone will follow. Forceful words expressed in a friendly manner brook no opposition. A powerful concept sweeps the field better than a cannonade, proving again that the pen is mightier than the sword. Nail it down now, and you're in charge well beyond the horizon.

27 May ☽ ✕ ☿ 07:35 pm EDT Tran-Tran  18° II 56'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

27 May ☽ ✕ ♀ 11:22 pm EDT Tran-Tran  21° II 17'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

28 May ☽ ☿ ♈ 09:01 am EDT Tran-Tran  27° II 14'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

28 May ☽ ☿ ♎ 01:33 pm EDT Tran-Tran  00° ♎ 00'

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

28 May ☽ ☿ ♏ 01:59 pm EDT Tran-Tran  00° ♏ 16'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

28 May ☽ ☿ ♏ 04:31 pm EDT Tran-Tran  01° ♏ 48'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

30 May ☿ ☿ ☼ 00:13 am EDT Tran-Tran  09° II 01'

High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

30 May ☽ ☿ ♀ 04:45 am EDT Tran-Tran  23° ♎ 22'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

30 May ☽ ✕ ♀ 12:51 pm EDT Tran-Tran  28° ♎ 02'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime.

Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

30 May ☽ ☾ ♋ 04:17 pm EDT Tran-Tran  00° ♋00'

Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

30 May ☽ △ ♎ 05:00 pm EDT Tran-Tran  00° ♎25'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

30 May ☽ △ ♍ 07:32 pm EDT Tran-Tran  01° ♍51'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

30 May ☽ ☿ ♏ 10:44 pm EDT Tran-Tran  03° ♏39'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

31 May ☽ ✳ ☊ 10:46 am EDT Tran-Tran  10° ♏24'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

31 May ☽ ✳ ♏ 02:39 pm EDT Tran-Tran  12° ♏33'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Jun ☽ ☿ ♂ 06:42 am EDT Tran-Tran  21° 18'  
 Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.
- 01 Jun ☽ △ ♀ 02:53 pm EDT Tran-Tran  25° 41'  
 Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 01 Jun ☽ □ ♄ 07:33 pm EDT Tran-Tran  28° 10'  
 Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 01 Jun ☽ ✕ ♃ 07:39 pm EDT Tran-Tran  28° 13'  
 Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 01 Jun ☽ ☿ ♀ 11:01 pm EDT Tran-Tran  00° 00'  
 If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.
- 02 Jun ☽ □ ☼ 11:42 pm EDT Tran-Tran  12° 50'  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 03 Jun ☽ □ ♀ 11:25 am EDT Tran-Tran  18° 49'  
 This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 04 Jun ☽ △ ♄ 06:16 am EDT Tran-Tran  28° 18'  
 This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal

involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

04 Jun ☽ ☾ ♋ 07:12 am EDT Tran-Tran   28° 17' 47"

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

04 Jun ☽ ☿ ♌ 09:39 am EDT Tran-Tran   00° 00' 00"

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

04 Jun ☽ ♀ ♍ 11:06 am EDT Tran-Tran   00° 00' 43"

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

04 Jun ☽ ♀ ♍ 01:31 pm EDT Tran-Tran   01° 00' 56"

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

04 Jun ☽ △ ♍ 04:53 pm EDT Tran-Tran   03° 00' 36"

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

04 Jun ♀ ✳ ♋ 10:32 pm EDT Tran-Tran   28° 00' 55"

There is an opulence in good taste that surpasses grandeur, and the key to satisfaction is not how much you have but what you do with it. Taking just what you need to feed your desires makes for a gentle spiral of growth and gratification. By making it just so, the afterglow of contentment lingers on.

05 Jun ☽ △ ☾ 04:48 pm EDT Tran-Tran   15° 00' 26"

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

05 Jun ☿ ✳ ♂ 06:10 pm EDT Tran-Tran   23° 00' 42"

Making the most of previous arrangements causes seemingly ordinary procedures to become prime producers. When things are in order, all runs so smoothly that you hardly notice how well it's going. It might be a time to take a second look at what it takes to get it right so you can better maintain your trajectory.

- 06 Jun ♀ ♂ ♄ 00:43 am EDT Tran-Tran  00°♄00'  
 There's sweetness in simplicity in the air, and the good old pleasures haven't lost their appeal. For the next few weeks, you don't need fancy cuisine to take a nice bite out of life, or so the general opinion seems to run. If that leaves you yawning, just wait it out and live on what's around until things spice up.
- 06 Jun ☽ ✕ ♂ 10:20 am EDT Tran-Tran  24°♁04'  
 A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 06 Jun ☽ △ ♀ 12:57 pm EDT Tran-Tran  25°♁21'  
 Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 06 Jun ☽ △ ♃ 09:06 pm EDT Tran-Tran  29°♁22'  
 Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 06 Jun ☽ ♂ ♆ 10:24 pm EDT Tran-Tran  00°♆00'  
 The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 07 Jun ☽ ♂ ♀ 00:23 am EDT Tran-Tran  00°♆59'  
 Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.
- 07 Jun ☽ ☐ ♀ 05:38 am EDT Tran-Tran  03°♆34'  
 Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 08 Jun ♀ ♂ ♃ 04:12 pm EDT Tran-Tran  29°♁46'  
 All kinds of new plans and schemes fill the air, and if you can latch onto one that really works, you can go far. If there is a problem, it is winnowing out the best from the rest and settling on what to do with it. No time for details now, just get the concepts right and lay down big plans for the future.
- 08 Jun ♀ ♂ ☿ 06:58 pm EDT Tran-Tran  00°☿00'  
 What folks are saying and thinking is a lot closer to their hearts than you or they may think, so

verbal sparring can get taken too seriously in the next few weeks. People mean what they say a little too much, and say what they really mean too little. There's a cry over the milk, spilled or not, so speak judiciously, with sensitivity.

- 09 Jun ☽ ☐ ♂ 01:58 am EDT Tran-Tran  25°♊31'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 09 Jun ♀ ☐ ♄ 06:49 am EDT Tran-Tran  01°♋00'  
Negative thinking can sour the environment and confound the mind, so don't be a sourpuss -- and when you see one coming, cross to the other side of the street. It's easy to get into a downward spiral, so deal with problem issues only once and be done with them. Criticism gets nowhere, so it's not worth the bother.
- 09 Jun ☽ ♀ ♄ 08:07 am EDT Tran-Tran  28°♊35'  
Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.
- 09 Jun ☽ ♂ ♄ 10:56 am EDT Tran-Tran  00°♊00'  
The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.
- 09 Jun ☽ △ ♄ 12:57 pm EDT Tran-Tran  01°♊01'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 09 Jun ♀ ☐ ♀ 01:16 pm EDT Tran-Tran  03°♋32'  
Strong-arm tactics rarely achieve inner goals or fulfill long-term needs and desires, but that wisdom may be lost on a lot of people right now. Pushing and shoving can be the order of the day, with increasing desperation and diminishing returns. If you see a vicious circle developing, jump out of the spiral ASAP.
- 09 Jun ☽ △ ♀ 02:56 pm EDT Tran-Tran  02°♊00'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 09 Jun ♄ ♂ ♄ 05:02 pm EDT Tran-Tran  00°♋00'  
A year of precious projects is ahead, with the general style being to put all eggs in a single basket and circle the wagons to defend it. Things can get intense trying to move forward with this approach, but trying to get people to open up their game may be a challenge. New plans

will be personalized, whoever is involved, so let them be, and stroke egos where necessary.

09 Jun ☽ ✕ ♀ 05:58 pm EDT Tran-Tran  03°♌32'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

09 Jun ♀ ☐ ♀ 06:55 pm EDT Tran-Tran  02°♍00'

It's easy to insist on cutting your way through the confusion only to find yourself more at sea than before. Perhaps it is better to roll over and go back to sleep and wake up on the other side of the bed. Elusive concepts flee in the face of challenge, so watch the show without requiring explanation. No subtitles.

11 Jun ☽ ☐ ☐ 03:44 am EDT Tran-Tran  20°♌39'

Full Moon in Sagittarius

This "Honey" Moon may see the situation more abuzz than the usual full Moon, whether it's birds and bees or just the rumor mill in overdrive. Talk is cheap because there's too much of it, and truth is dear because everyone claims to be telling it. Your challenge is to ride the tide of tale-telling and separate the fish story from the one that really got away. There's a drop of truth in every concoction, however, and if you can find it, that will be your reward for the trip. All that glitters is not gold, but what is you can take to the bank.

11 Jun ♀ ✕ ♀ 03:41 pm EDT Tran-Tran  05°♍40'

At this rather rare time, it is possible to stand back and take a look at your aesthetic accomplishments and generally take self-congratulatory stock of your surroundings. Although you may take your talents for granted, it can be a joy to take inventory now and then so you know just what you are showing off.

11 Jun ☽ △ ♂ 03:58 pm EDT Tran-Tran  26°♌56'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

11 Jun ☽ ☐ ♀ 09:55 pm EDT Tran-Tran  00°♍00'

Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.

11 Jun ☽ ☐ ♀ 10:54 pm EDT Tran-Tran  00°♍31'

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

12 Jun ☽ ☐ ♀ 00:07 am EDT Tran-Tran  01°♍08'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity

you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

12 Jun ☽ □ ♀ 01:51 am EDT Tran-Tran  02° √ 02'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

12 Jun ☽ △ ♀ 10:23 am EDT Tran-Tran  06° √ 28'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

12 Jun ☽ ♂ ♀ 11:56 am EDT Tran-Tran  07° √ 17'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

14 Jun ☽ △ ☿ 04:52 am EDT Tran-Tran  28° √ 51'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

14 Jun ☽ ♂ ♀ 07:00 am EDT Tran-Tran  00° ≈ 00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

14 Jun ☽ ✕ ☿ 09:21 am EDT Tran-Tran  01° ≈ 15'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

14 Jun ☽ ✕ ♀ 10:52 am EDT Tran-Tran  02° ≈ 04'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

14 Jun ☽ ♂ ♀ 01:27 pm EDT Tran-Tran  03° ≈ 27'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

- 14 Jun ☽ ☾ ♀ 11:57 pm EDT Tran-Tran  09°≈06'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 15 Jun ♂ ☾ ♀ 05:47 am EDT Tran-Tran  28°≈55'  
Sparks fly as honing in on issues gets problematical and irritation makes for rough handling. Mistakes born of haste are not easily corrected and repeated efforts are best marked off to experience. Itchy and edgy, the mood is unsettled and it's not the best time for laying down foundations where steadiness is required.
- 15 Jun ♃ ☾ ♀ 10:37 am EDT Tran-Tran  01°≈18'  
This one-year-in-ten period is full of shifts and changes, struggles and dissatisfactions, confusion of purpose or profit in the world in general. If you didn't think ahead and see this coming, you can find yourself rather at the mercy of changing storms. Although this may not affect you that much, it's affecting the general populous, so expect shifting sands on a regular basis. This applies not just to economics, but to disagreements about the very makeup of moral fiber, right and wrong, which side you are on, and so on. Don't go for an easy fix, as a good one probably won't be available. The wise are waiting, not wading in.
- 16 Jun ☽ △ ☼ 06:02 am EDT Tran-Tran  25°≈31'  
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
- 16 Jun ☽ ☾ ♀ 12:18 pm EDT Tran-Tran  28°≈59'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 16 Jun ☽ ♂ ♂ 01:31 pm EDT Tran-Tran  29°≈39'  
Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.
- 16 Jun ☽ ♂ ♀ 02:09 pm EDT Tran-Tran  00°≈00'  
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 16 Jun ☽ △ ♃ 05:01 pm EDT Tran-Tran  01°≈36'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

- 17 Jun ☿ ☿ ♀ 04:36 am EDT Tran-Tran  00°♐00'  
 Focused energy is the name of the general game for some time to come, with measured and targeted tasks the preferred approach. Efforts that benefit from attention to detail are favored, and generalists may be sidelined until the current assignment is completed. Get a copy of the rules (you probably won't have to look far) and play along.
- 17 Jun ♃ ✖ ♀ 11:02 am EDT Tran-Tran  11°♋40'  
 It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 17 Jun ♃ △ ♀ 08:09 pm EDT Tran-Tran  16°♋50'  
 Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 18 Jun ♃ □ ☉ 03:19 pm EDT Tran-Tran  27°♋48'  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 18 Jun ♃ ✖ ♄ 05:34 pm EDT Tran-Tran  29°♋06'  
 A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 18 Jun ♃ ☿ ♀ 07:08 pm EDT Tran-Tran  00°♑00'  
 Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 18 Jun ♃ ☿ ♄ 09:38 pm EDT Tran-Tran  01°♑27'  
 The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.
- 18 Jun ♃ □ ♃ 10:46 pm EDT Tran-Tran  02°♑06'  
 It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 18 Jun ♃ ☿ ♀ 10:46 pm EDT Tran-Tran  02°♑06'  
 A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or

get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

18 Jun ♋ □ ♀ 11:15 pm EDT Tran-Tran  02°♊06'

This is a broad time for taking that second look at what life seemed to offer, or that it claimed to promise. That doesn't mean your life, specifically, but you'll probably find that's the current question in the air and there is good conversation in it at the least. The answers in general will be for the moment that optimism fails -- hopes lead to disappointment, and a lot of other confusions the result from both unclear desires and fuzzy thinking. If you can be on the outside looking into this one, you'll be the happier for it. Unexamined expectations go before the fall, and where you can be a cushion to others and a shoulder to lean on, you'll be the one to benefit from it later.

19 Jun ♎ ✖ ♀ 00:57 am EDT Tran-Tran  03°♊22'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

20 Jun ♎ □ ♀ 06:32 am EDT Tran-Tran  20°♊48'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

20 Jun ♎ ✖ ☉ 09:50 pm EDT Tran-Tran  29°♊58'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

20 Jun ♎ ♂ ☿ 09:53 pm EDT Tran-Tran  00°♊00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

20 Jun ☉ ♂ ♄ 10:42 pm EDT Tran-Tran  00°♊00'

Where free-ranging conversation may have been the order of the day only yesterday, suddenly it's truth-or-dare which makes people go underground and hesitate to be the first to venture an opinion. An atmosphere of enforced sincerity ushers in a month of raised intensity, higher emotional risk and nervous betting.

21 Jun ♎ △ ♂ 01:29 am EDT Tran-Tran  02°♊11'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

- 21 Jun ☽ ✕ ♋ 02:11 am EDT Tran-Tran  02°♾36'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 21 Jun ☽ ☐ ♀ 03:24 am EDT Tran-Tran  03°♾20'  
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 22 Jun ☽ ☾ ♀ 01:02 am EDT Tran-Tran  16°♾31'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 22 Jun ☿ ✕ ♋ 06:32 am EDT Tran-Tran  02°♾52'  
Cruise control is the key to forward motion, so don't waste time pumping the pedal, just set it for the speed limit and keep your hands on the wheel -- the rest will take care of itself. When operations are well-tuned, you can afford to be on automatic along with the rest of the world, driving without distraction.
- 22 Jun ☽ ✕ ♍ 01:45 pm EDT Tran-Tran  24°♾19'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 22 Jun ☾ ☐ ♏ 02:36 pm EDT Tran-Tran  01°♾35'  
Nagging criticism and contrary thinking can slow up operations, and the nattering nabobs of negativity can get you down, so don't be one of them. When insecurity and self-doubt arise, pause for thought, correct mistakes, and then move on. Lingering and obsessing should be left to others, there's plenty to go around.
- 22 Jun ☽ ☾ ♏ 09:51 pm EDT Tran-Tran  29°♾19'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 22 Jun ☽ ☾ ♏ 10:58 pm EDT Tran-Tran  00°♾00'  
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 23 Jun ☽ ✕ ♏ 01:33 am EDT Tran-Tran  01°♾36'  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the

relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

23 Jun ☽ ✖ ♀ 02:26 am EDT Tran-Tran  02° II 08'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

23 Jun ☽ △ ♀ 04:18 am EDT Tran-Tran  03° II 18'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

23 Jun ☽ □ ♂ 04:26 am EDT Tran-Tran  03° II 23'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

23 Jun ☽ □ ♀ 04:29 am EDT Tran-Tran  02° ☾ 08'

Deceits and deceptions are hard to separate from honest mistakes and confusions, but when in doubt, it's probably best not to follow up and try to find out. It's easy for everyone to get into a tangle over insubstantial misperceptions that waste time and energy, so let it lie and don't make moves -- you want to be on a solid foot.

24 Jun ☽ ♂ ♀ 11:18 am EDT Tran-Tran  03° ☾ 22'

Bounty and plenty are in the atmosphere to be tapped, and bright prospects are available to those who tune in right now. Overstated enthusiasm may be taken with a grain of salt, but the feeling is right and it's the perfect thing to build on. For a moment, the triumph of the will seems to be in sight.

24 Jun ☽ ♂ ☾ 11:45 pm EDT Tran-Tran  00° ☾ 00'

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

25 Jun ☽ □ ♀ 02:29 am EDT Tran-Tran  01° ☾ 40'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

25 Jun ☽ □ ♀ 03:17 am EDT Tran-Tran  02° ☾ 09'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later.

Avoid long-term commitments.

25 Jun ☽ ☿ ♀ 05:34 am EDT Tran-Tran  03°☾32'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

25 Jun ☽ ☿ ☾ 06:32 am EDT Tran-Tran  04°☾08'

New Moon in Cancer

An inner wellspring arises this month that demands a hearing and after that careful tending. What you begin now has an inner sanctity that may sometimes be beyond sharing, a personal touch that requires the privacy of protection to keep it whole and nurture its growth. It's not that you can't share the burden or the responsibilities, just that you become so closely attached to what you're doing that you can't - and shouldn't - let go of it. Like a mother and child, there are certain attachments that even later, parted circumstances cannot decay. Such is the quality of what may be arising now, so be ready to hold it close to you always.

25 Jun ☽ ✨ ☿ 07:18 am EDT Tran-Tran  04°☾35'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

26 Jun ♀ ✨ ♀ 05:45 am EDT Tran-Tran  29°☾29'

The wellsprings of the mind are, like water, often taken for granted. When ideas flow fresh from the tap, one assumes they are always there, as at this moment. Launch it now and that will likely always be the case, but a look inside the mechanics of your everyday creativity might help you drink when wells run dry.

26 Jun ☾ ✨ ☿ 10:12 am EDT Tran-Tran  05°☾14'

There are times when the world's engine seems to be running pretty nicely, when all the moving parts are pulling their weight. This should be one of them, and if you want to start something that will run smoothly in the future, now is the time. Don't take it for granted, though most will, but capitalize on the common moment.

26 Jun ☽ ✨ ♀ 11:09 am EDT Tran-Tran  21°☾15'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

26 Jun ♀ ☿ ♀ 03:09 pm EDT Tran-Tran  00°☾00'

There's a sense of fun in just chatting over the next few weeks, and the details of what's said are less important than originality and creative spirit. It's a time for birthing ideas, not putting them through school, so join in with the general creative urge to talk things out. For once, for the moment, it's the feeling that counts.

27 Jun ☽ ✨ ♀ 01:17 am EDT Tran-Tran  29°☾31'

A good day for small adventures, but don't push it into weirdness. New tastes and

experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

- 27 Jun ☽ ☿ ♏ 02:06 am EDT Tran-Tran  00° ♏ 00'  
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 27 Jun ☽ ☿ ♎ 03:14 am EDT Tran-Tran  00° ♎ 39'  
Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.
- 27 Jun ☽ △ ♏ 05:05 am EDT Tran-Tran  01° ♏ 44'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 27 Jun ☽ △ ♉ 05:50 am EDT Tran-Tran  02° ♉ 10'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 27 Jun ☽ ☿ ♏ 07:40 am EDT Tran-Tran  03° ♏ 13'  
Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.
- 27 Jun ♀ △ ♏ 11:53 pm EDT Tran-Tran  01° ♏ 45'  
Steady focus and clear, reductive thinking get reliable results that inspire confidence in others, particularly those on the conservative side. Keep your eye on long-term operations and slow but steady development. Think big but not fast, what is begun now is for posterity, and that's forever, so you've got time.
- 28 Jun ♀ △ ♉ 07:58 am EDT Tran-Tran  02° ♉ 10'  
It's easier than usual to put difficult and elusive concepts into words and put them to work for the general benefit. If you have a dream, now you can speak about it and people will understand. Listen to the same from others, who now have the same opportunity to share their inner visions and unite with you.
- 28 Jun ☽ □ ♎ 08:24 pm EDT Tran-Tran  23° ♎ 50'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will

be easier to move in concert together.

29 Jun ☿ ♀ ♀ 03:53 am EDT Tran-Tran  03° 02' 10'

Somewhat like battering your way through a maze, just as you think you've got it figured out, you run into a wall. And so does the rest of the world. Stop, turn, rethink, go on, and it happens again. So be it, this doesn't last forever. The trick is not to hit the wall too hard, be more tentative, ready to reverse field at the first signal.

29 Jun ☽ ☐ ♀ 07:04 am EDT Tran-Tran  29° 02' 38'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

29 Jun ☽ ☿ ♀ 07:45 am EDT Tran-Tran  00° 00' 00'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

29 Jun ☽ ✕ ♀ 04:14 pm EDT Tran-Tran  04° 00' 33'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

29 Jun ☽ ☿ ♂ 09:15 pm EDT Tran-Tran  07° 00' 13'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

29 Jun ☽ ✕ ☉ 11:56 pm EDT Tran-Tran  08° 00' 38'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Jul ☾ △ ♀ 10:44 am EDT Tran-Tran  26° 40'  
Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 01 Jul ☾ △ ♄ 04:47 pm EDT Tran-Tran  29° 45'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 01 Jul ☾ ☿ ♌ 05:17 pm EDT Tran-Tran  00° 00'  
Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 01 Jul ☾ ☿ ♏ 08:54 pm EDT Tran-Tran  01° 50'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 01 Jul ☾ ☿ ♋ 09:35 pm EDT Tran-Tran  02° 10'  
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.
- 01 Jul ☾ △ ♀ 11:27 pm EDT Tran-Tran  03° 07'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 02 Jul ☾ ☐ ♈ 03:26 am EDT Tran-Tran  05° 07'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 02 Jul ☾ ✳ ♀ 06:30 am EDT Tran-Tran  06° 40'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push

them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

- 02 Jul ☽ ☾ ☼ 03:31 pm EDT Tran-Tran  11°♊10'  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 04 Jul ☽ ☿ ♍ 05:34 am EDT Tran-Tran  00°♍00'  
 The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 04 Jul ♀ ☿ ♋ 08:45 am EDT Tran-Tran  29°♋52'  
 Original tastes and sudden desires decorate the day, marking a change of pace for anyone with an adventurous heart. Eschew the ordinary and go for something off the wall, not off the shelf. Don't knock it if you haven't tried it. New sensations will be a major focus of startups, leaders in a new sensibility.
- 04 Jul ♀ ☿ ♌ 11:31 am EDT Tran-Tran  00°♌00'  
 Variety and change are the spice of life for a few weeks, with tastes changing rapidly all around and not delving too deep. If you like to really dig in, you may not find this the right climate, but if you're up for a smorgasbord of enjoyments, a dim sum dinner of desires, the market's just right for a little pleasuring all around.
- 04 Jul ☽ ☾ ♍ 11:46 am EDT Tran-Tran  03°♍04'  
 Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 04 Jul ♀ ♀♂ 01:51 pm EDT Tran-Tran  02°♊11'♂  
 Neptune Stationary Retrograde in 04th House
- 04 Jul ☽ △ ♈ 05:07 pm EDT Tran-Tran  05°♈42'  
 Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 05 Jul ☽ ☾ ♍ 00:29 am EDT Tran-Tran  09°♍20'  
 This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 05 Jul ☽ ✖ ☿ 02:20 am EDT Tran-Tran  10°♍15'  
 A firm, easy gait marks the day if you let the energy around you carry you along without

questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

05 Jul ☽ △ ☼ 09:30 am EDT Tran-Tran  13°♊47'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

06 Jul ♀ ✕ ☿ 04:43 am EDT Tran-Tran  01°♊54'

The little things in life can be the most satisfying, and, when closely viewed, often loom larger than they really are. Simple desires, simply satisfied, have a way of sustaining life that allows both joy and unhindered progress. Today's endeavors will share that quality as they develop, quenching your thirst, banking your fires.

06 Jul ♀ ✕ ♀ 10:47 am EDT Tran-Tran  02°♊10'

Good taste is everything and it's at its most real when you don't even notice it. What feels right, is, and there's no need to question it right now. Enjoy the drink that's already been brewed and you'll find it suits you more than you ever imagined as the rest of the world is in a tasting mood, too.

06 Jul ☽ ☿ ☿ 06:04 pm EDT Tran-Tran  29°♊59'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

06 Jul ☽ ☿ ✕ 06:07 pm EDT Tran-Tran  00°♊00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

06 Jul ☽ △ ☿ 09:54 pm EDT Tran-Tran  01°♊54'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

06 Jul ☽ △ ♀ 10:27 pm EDT Tran-Tran  02°♊10'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

06 Jul ☽ ☿ ♀ 11:38 pm EDT Tran-Tran  02°♊46'

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow,

then decide on it.

- 07 Jul ☽ ✕ ♀ 00:06 am EDT Tran-Tran  03° 7'00"  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 07 Jul ♅ ☾ ♀ 03:50 am EDT Tran-Tran  00° 11'00"  
Scientific and technical discoveries will be unveiled and much relied-upon over the next seven years that may be revealed as overrated, misjudged, or even dangerous in hindsight. Nevertheless, the brilliance of it all dazzles everybody, and eye and mind appeal overcome gut reluctance. The result will be new tools, and afterwards the wisdom of how to use them.
- 07 Jul ♀ △ ♀ 04:39 am EDT Tran-Tran  03° 11'00"  
When you're sure you're going to get what you want, you probably will, and that kind of attitude all around makes for a general win-win situation. Cross-purposes are at a minimum and a fundamental agreement on mutual goals and desires means one hand washes the other and vice versa for joint pleasures.
- 07 Jul ☽ △ ♀ 05:01 pm EDT Tran-Tran  11° 7'33"  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 07 Jul ☽ □ ♂ 05:30 pm EDT Tran-Tran  11° 7'47"  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 09 Jul ☽ ☾ ♀ 04:55 am EDT Tran-Tran  00° 13'00"  
Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 09 Jul ☽ □ ♀ 08:36 am EDT Tran-Tran  01° 13'55"  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 09 Jul ☽ □ ♀ 09:04 am EDT Tran-Tran  02° 13'10"  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

- 09 Jul ☽♂♂ 05:59 pm EDT Tran-Tran  06°∞50'  
 Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 10 Jul ☽△♂ 06:11 am EDT Tran-Tran  13°∞17'  
 Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 10 Jul ☽♂☾ 04:37 pm EDT Tran-Tran  18°∞50'  
 Full Moon in Capricorn  
 You may find that this "Buck" Moon is not so much about the young stag as the dollar sign and how money relates to security. There's a tide of concern about personal need and neediness that may be a bit overblown, so lend a sympathetic ear but don't go writing big checks over it. People run from hot to cold and back rather quickly, and your greatest benefits may come from providing a steady hand and being a stabilizing element when it's needed. When everybody else is getting personal, remember that good fences really do make good neighbors, and it's nice to have one to lean on while you're having that personal chat.
- 11 Jul ☽♂≈ 01:21 pm EDT Tran-Tran  00°≈00'  
 Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 11 Jul ☽△♂ 01:43 pm EDT Tran-Tran  00°≈12'  
 This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 11 Jul ☽✱♂ 04:55 pm EDT Tran-Tran  01°≈56'  
 The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 11 Jul ☽✱♀ 05:20 pm EDT Tran-Tran  02°≈10'  
 Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 11 Jul ☽♂♀ 06:41 pm EDT Tran-Tran  02°≈54'  
 Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end

of one. Think deep before you push hard.

12 Jul ☽ △ ♀ 05:08 am EDT Tran-Tran  08°≈36'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

12 Jul ☽ ♂ ♀ 03:45 pm EDT Tran-Tran  14°≈26'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

12 Jul ☿ ♀ 10:49 pm EDT Tran-Tran  01°≈56' ♀  
Saturn Stationary Retrograde in 04th House

13 Jul ☽ ♂ ♀ 07:45 pm EDT Tran-Tran  00°≈00'

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

13 Jul ☽ □ ♀ 08:16 pm EDT Tran-Tran  00°≈17'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

14 Jul ☽ △ ♀ 09:46 am EDT Tran-Tran  07°≈53'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

14 Jul ☽ □ ♀ 03:53 pm EDT Tran-Tran  11°≈21'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

15 Jul ☽ ♂ ♂ 00:16 am EDT Tran-Tran  16°≈06'

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

15 Jul ☽ △ ☉ 01:10 pm EDT Tran-Tran  23°≈28'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well,

and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

- 16 Jul ☽♂♂ 00:33 am EDT Tran-Tran  00°♂00'  
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 16 Jul ☽✕♂ 01:12 am EDT Tran-Tran  00°♂23'  
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 16 Jul ☽♂♂ 03:53 am EDT Tran-Tran  01°♂56'  
The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.
- 16 Jul ☽♂♂ 04:16 am EDT Tran-Tran  02°♂08'  
A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.
- 16 Jul ☽✕♀ 05:24 am EDT Tran-Tran  02°♂48'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 16 Jul ☽☐♂ 03:03 pm EDT Tran-Tran  08°♂23'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 17 Jul ☽✕♀ 00:45 am EDT Tran-Tran  14°♂01'  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 17 Jul ☽△♀ 03:21 am EDT Tran-Tran  15°♂33'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

- 17 Jul ☽ ☐ ☉ 08:38 pm EDT Tran-Tran  25° 40'  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 18 Jul ☿ SR<sub>x</sub> 00:41 am EDT Tran-Tran  15° 35' R<sub>x</sub>  
 Mercury Stationary Retrograde in 08th House  
 If you can spend the next three weeks redeploying your debts and reallocating resources, you will not regret it. In fact, it may simply be a necessity to pick up loose ends and take a second look at whether you are unnecessarily overextended. With a little tweaking, you could be sitting in the catbird seat, but you'll need to test the wind to get some height. Pick up on assets you've neglected or forgotten about, and you'll have all you need. Make new friends, but keep the old; one is silver, but the other's gold -- in ways you hadn't even thought about.
- 18 Jul ☽ ☿ ☿ 03:59 am EDT Tran-Tran  00° 00'  
 The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.
- 18 Jul ☽ ☐ ☿ 08:38 am EDT Tran-Tran  02° 45'  
 Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 18 Jul ☿ ✕ ☿ 09:37 am EDT Tran-Tran  15° 34' R<sub>x</sub>  
 At this rather rare time, it is possible to stand back and take a look at your aesthetic accomplishments and generally take self-congratulatory stock of your surroundings. Although you may take your talents for granted, it can be a joy to take inventory now and then so you know just what you are showing off.
- 18 Jul ☽ ✕ ♃ 06:58 pm EDT Tran-Tran  08° 52'  
 Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 19 Jul ☽ ☐ ☿ 06:09 am EDT Tran-Tran  15° 31'  
 This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 19 Jul ☽ △ ☿ 11:37 am EDT Tran-Tran  18° 47'  
 Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

- 20 Jul ☽ ✕ ☉ 02:44 am EDT Tran-Tran  27°ⅈ49'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 20 Jul ☽ ☿ Ⅱ 06:23 am EDT Tran-Tran  00°Ⅱ00'  
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 20 Jul ☽ ☿ ⅈ 07:16 am EDT Tran-Tran  00°Ⅱ32'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 20 Jul ☽ ✕ ⅈ 09:32 am EDT Tran-Tran  01°Ⅱ53'  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 20 Jul ☽ ✕ ♀ 09:54 am EDT Tran-Tran  02°Ⅱ07'  
Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 20 Jul ☽ △ ♀ 10:52 am EDT Tran-Tran  02°Ⅱ42'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 21 Jul ☽ ✕ ♀ 07:37 am EDT Tran-Tran  15°Ⅱ08'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 21 Jul ☽ ☿ ♀ 02:24 pm EDT Tran-Tran  19°Ⅱ12'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 21 Jul ☽ □ ☿ 03:53 pm EDT Tran-Tran  20°Ⅱ06'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not

want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

- 22 Jul ☽♂♄ 08:27 am EDT Tran-Tran  00°♄00'  
Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.
- 22 Jul ☼♂♄ 09:30 am EDT Tran-Tran  00°♄00'  
Expect a more open-handed game to prevail for the next month or so, as spontaneity suddenly becomes refreshing and a little fun and levity is more than welcome after a time of overrated self-seriousness. Previously raw nerves become more tickly and laughter bubbles out when you drop the dread of anticipation and just let it happen.
- 22 Jul ☽♂♄ 11:34 am EDT Tran-Tran  01°♄52'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 22 Jul ☽♂♄ 11:58 am EDT Tran-Tran  02°♄06'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 23 Jul ☽♂♄ 00:57 am EDT Tran-Tran  09°♄48'  
This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.
- 23 Jul ☼♂♄ 01:32 am EDT Tran-Tran  00°♄38'  
Sometimes you can see just as well with a flashlight as with a floodlight, especially if you are examining something small. The simplest solutions are often the most ingenious, and it's the household gadget that makes most inventors rich. Small and clever is the order of the day, and it has staying power.
- 23 Jul ♀♂♄ 04:23 am EDT Tran-Tran  21°♄01'  
Try, try again and you may wonder why you did. Sometimes an object of desire eludes the chase and constant and repeated forays tangle things even more. You may have to call it perfecting your technique, and that may be the long and short of it. Anyone can have an off day, one that holds lessons for tomorrow.
- 23 Jul ☽♂♄ 08:43 pm EDT Tran-Tran  21°♄26'  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let

the general pace set yours.

- 24 Jul ☉ △ ♄ 07:24 am EDT Tran-Tran  01° 250'
- There's a certain pleasure in feeling well-grounded, and this moment would make a firm foundation for whatever you choose to build upon it. If your plans are already made, it's time for the cornerstone to be laid. Go with what you've got, as there's a no-frills feeling that's saying keep it simple, take it slow.
- 24 Jul ♃ ♂ ♀ 11:29 am EDT Tran-Tran  00° 200'
- Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 24 Jul ♃ ✕ ♄ 12:41 pm EDT Tran-Tran  00° 241'
- A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 24 Jul ☉ △ ♀ 01:32 pm EDT Tran-Tran  02° 204'
- Visions that might otherwise be gossamer fables can take on real substance and efforts initiated today can turn dreams into reality down the road. Your confidence in your own personal imaginings is the right stuff for others to rally around, and a general agreement on inner reality is at hand.
- 24 Jul ♃ △ ♄ 02:39 pm EDT Tran-Tran  01° 249'
- There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 24 Jul ♃ △ ♀ 03:05 pm EDT Tran-Tran  02° 204'
- It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.
- 24 Jul ♃ ♂ ☉ 03:12 pm EDT Tran-Tran  02° 208'
- New Moon in Leo  
The blossom of creativity is intensely in the bud this month, and no matter how much pressure may be on to produce, there is always the opportunity to make it all a joyful expression of open possibilities. The key to the month is to throw off limitations and allow natural development to spread wherever it goes, even at the risk of transgressing the rules. It's one of those things you just have to let happen against your better judgment and discover later it was the right thing to do. That doesn't mean throw precaution to the winds, just recognize the unexpected fresh breeze and set your sail to take advantage of it.
- 24 Jul ♃ ♂ ♀ 04:00 pm EDT Tran-Tran  02° 236'
- Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push.

Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

- 25 Jul ☉♂♀ 02:28 am EDT Tran-Tran  02° 02' 35"  
Self-assertion hits periodic roadblocks that can teach you where to pick your fights and where to circumnavigate them. When you hit a stumbling block, don't beat your head against a wall, but try inner change, as the problem may be within. Some of our worst obstacles, in retrospect, were never really there at all.
- 25 Jul ☽♂♀ 10:59 am EDT Tran-Tran  13° 02' 24"  
Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.
- 26 Jul ☽♂♀ 07:02 am EDT Tran-Tran  24° 02' 35"  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 26 Jul ☽♂♂ 04:56 pm EDT Tran-Tran  00° 00' 00"  
If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.
- 26 Jul ☽☐♂ 06:20 pm EDT Tran-Tran  00° 00' 46"  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 27 Jul ☽♂♂ 12:57 pm EDT Tran-Tran  10° 00' 47"  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 28 Jul ☽♂♂ 02:43 pm EDT Tran-Tran  24° 00' 19"  
Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.
- 28 Jul ☽☐♀ 08:57 pm EDT Tran-Tran  27° 00' 33"  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will

be easier to move in concert together.

- 29 Jul ☽ ☿ ♊ 01:43 am EDT Tran-Tran  00°♊00'  
Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 29 Jul ☽ △ ♋ 03:22 am EDT Tran-Tran  00°♊50'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 29 Jul ☽ ☿ ♋ 05:04 am EDT Tran-Tran  01°♊43'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 29 Jul ☽ ☿ ♋ 05:40 am EDT Tran-Tran  02°♊01'  
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.
- 29 Jul ☽ △ ♋ 06:35 am EDT Tran-Tran  02°♊29'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 29 Jul ☽ ✳ ☉ 03:17 pm EDT Tran-Tran  06°♊55'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 29 Jul ☽ ✳ ♋ 10:12 pm EDT Tran-Tran  10°♊25'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 29 Jul ☽ □ ♋ 11:59 pm EDT Tran-Tran  11°♊19'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

- 30 Jul ♀♂♄ 11:57 pm EDT Tran-Tran  00°♄00'  
 There's a bit of an inward shift in what people are asking for, and it's going to get very up close and personal for a few weeks. It's about must-have, not might-like, and about keeping and devouring what's to be had. That can find some fighting for scraps, but when you've got your hands on what you want, the pleasure is to the bone.
- 31 Jul ☽♂♍ 01:25 pm EDT Tran-Tran  00°♍00'  
 The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 31 Jul ☽♊♀ 02:52 pm EDT Tran-Tran  00°♍43'  
 Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 31 Jul ☽♋♀ 06:19 pm EDT Tran-Tran  02°♍26'  
 Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 31 Jul ♀♂☉ 07:41 pm EDT Tran-Tran  09°♌01'Rx  
 High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

01 Aug ☾ □ ♀ 06:56 am EDT Tran-Tran  08°♌40'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

01 Aug ☾ □ ☉ 08:41 am EDT Tran-Tran  09°♌32'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

01 Aug ♀ □ ♄ 09:34 am EDT Tran-Tran  01°♍37'

Whittling away at your needs too insistently may only serve to magnify them and force a spiraling return to an overtapped well. If you take what you need and be done with it, what you have will suffice, even if you have some reservations. Total satisfaction may have to wait a bit, complaints don't help, only annoy.

01 Aug ☾ △ ♄ 01:25 pm EDT Tran-Tran  11°♌52'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

01 Aug ♀ □ ♀ 04:49 pm EDT Tran-Tran  01°♍58'

Desires deceive and getting hold of what's wanted seems to be a continuing and elusive task. Watch out for illusions and delusions being sold as the real thing, then snatched out of reach just before consummation. If you're unsure, don't invest time or money or you'll be perpetuating the situation.

02 Aug ☾ ✕ ♂ 09:07 pm EDT Tran-Tran  27°♌34'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

03 Aug ☾ ♂ ♂ 02:01 am EDT Tran-Tran  00°♌00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

03 Aug ☾ ♂ ♄ 03:59 am EDT Tran-Tran  00°♌59'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just

in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

03 Aug ☽ △ ♄ 05:08 am EDT Tran-Tran  01° ↗34'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

03 Aug ☽ △ ♀ 05:55 am EDT Tran-Tran  01° ↗57'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

03 Aug ☽ ✕ ♀ 06:46 am EDT Tran-Tran  02° ↗22'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

03 Aug ☽ △ ♀ 04:00 pm EDT Tran-Tran  07° ↗00'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

04 Aug ☽ △ ☉ 02:12 am EDT Tran-Tran  12° ↗08'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

05 Aug ☽ □ ♂ 11:29 am EDT Tran-Tran  29° ↗10'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

05 Aug ☽ ☿ ♀ 01:05 pm EDT Tran-Tran  00° ♀00'

Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.

05 Aug ☽ □ ♄ 03:54 pm EDT Tran-Tran  01° ♀28'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

- 05 Aug ☽ ☾ ♀ 04:45 pm EDT Tran-Tran  01° ∞ 55'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 06 Aug ☽ ♂ ♀ 02:39 am EDT Tran-Tran  07° ∞ 06'  
Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.
- 06 Aug ☽ ♂ ♄ 01:40 pm EDT Tran-Tran  12° ∞ 56'  
Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 06 Aug ♂ ♂ ♄ 07:24 pm EDT Tran-Tran  00° ∞ 00'  
When you come to the fork, take both roads - that's the game for some time to come, as playing both ends against the middle is what everybody's trying to do. It takes twice the energy to invest in both sides of a contest, so activity is high and so is exhaustion. If you really know where you're headed, you don't have to play this round.
- 07 Aug ☽ ♂ ∞ 09:19 pm EDT Tran-Tran  00° ∞ 00'  
Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 07 Aug ☽ △ ♂ 10:36 pm EDT Tran-Tran  00° ∞ 42'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 07 Aug ☽ △ ♄ 11:20 pm EDT Tran-Tran  01° ∞ 07'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 07 Aug ☽ ✱ ♄ 11:49 pm EDT Tran-Tran  01° ∞ 23'  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 08 Aug ☽ ✱ ♀ 00:43 am EDT Tran-Tran  01° ∞ 52'  
Words may convey a bit more emotional meaning than usual, as under-the-radar

communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

08 Aug ☽ ☿ ♀ 01:26 am EDT Tran-Tran  02°≈16'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

08 Aug ☽ ☿ ♀ 05:52 am EDT Tran-Tran  04°≈43'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

08 Aug ☿ △ ☿ 02:45 pm EDT Tran-Tran  01°≈08'

Surprising and original ways to channel energies and get things done allow a faster pace and a more entertaining lifestyle. Newness sparks energy and there is an openness to future thinking that allows for greater scope of action. It's a good time for launching almost anything, so jump in and start the ball rolling.

08 Aug ☿ ☿ ☿ 10:53 pm EDT Tran-Tran  01°≈20'

It can seem like there's a leak in the gas tank as expected energy levels get siphoned off and drop inexplicably. It's kind of like trying to run with one cement overshoe dragging things back, intermittent strain that hamstring the operation. Allot more time to make progress, and everybody will get there.

09 Aug ☽ ☿ ☼ 03:56 am EDT Tran-Tran  17°≈00'

Full Moon in Aquarius

The best thing you can do on this "Sturgeon" full Moon may be to just go fishing - take off time to play, and even if you can't, remember that life really is a play and don't take it too seriously. The temptation to tend to everything is strong all around, and overdoing it comes easy. Having fun is about taking it easy, even when you're working, and letting the enjoyment find it's own level. Let it happen, don't try to make it happen, and when it does, don't pig out on it. Living life for today is all very well, but you can do some of that tomorrow, too, so ease off the accelerator, put the top down, and enjoy the ride.

09 Aug ☿ ☿ ♀ 06:13 pm EDT Tran-Tran  01°≈50'

Energy leaks and loss of control make for confusing maneuvers where everyone wonders just what's going on. If anyone does, they're not letting on. Is that a gun in your pocket or are you just glad to see me? Hard to tell right now, and hard to make a move when information is foggy, patchy, unreliable.

10 Aug ☽ ☿ ☿ 02:51 am EDT Tran-Tran  00°≈00'

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

- 10 Aug ☽ □ ♀ 04:53 am EDT Tran-Tran  01°☿10'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 10 Aug ♂ △ ♀ 08:22 am EDT Tran-Tran  02°♁13'  
Forceful action is highlighted by confidence and follow-through, which doubles the available power at hand. Swing through, not at, the ball and it will fly straight and true. Today's beginnings will grow self-reliant and reliable, fueled by faith and conviction that converts to action anytime, anywhere.
- 11 Aug ☽ △ ♀ 01:12 am EDT Tran-Tran  12°☿52'  
Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 11 Aug ☽ △ ♄ 02:55 am EDT Tran-Tran  13°☿52'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 11 Aug ♀ ☽ 03:23 am EDT Tran-Tran  04°♁15'  
Mercury Stationary Direct in 08th House  
The last few weeks' complexities and contradictions begin to clear up and you've turned a corner on finding out what you can get elsewhere and what you can provide yourself. If you need to borrow, it will be in the cards, but you may equally find that a little inventory of your past resources will reveal you've actually got all you need if you try out a new way to tap it. Brilliant ideas that seemed elusive are headed back into the pipeline but will still need a little sorting out before you can bring them to fruition. Putting previous obstacles behind you will give you the chance.
- 11 Aug ♄ ✕ ♀ 11:39 pm EDT Tran-Tran  01°♄12'♁  
This is generally a yearlong period (or longer) when there is a general background effect that helps commercialize new trends in science and technology or milk the last out of old ones -- as opposed to introducing revolutionary new ideas. As such, it means the opportunity is out there for everyone to get a piece of the pie before the new stuff hits or the latest rage wears out. Whether that will personally impact your life in a specific way is a moot point, as everyone, including yourself, will be affected by this underpinning of commerce where the often-contradictory sides of originality and conservatism for the moment are at peace in the interest of making money.
- 12 Aug ♀ ♂ ♄ 01:31 am EDT Tran-Tran  14°♁04'  
Big appetites and a large bite out of life depict the day, and that means dig right in there but don't overdo, whatever need you are satisfying. Spectacular beauty will characterize launches in love or money, but it might be well to take overweening charm with a barrel of salt. Nevertheless, go ahead and revel in it.

- 12 Aug ☽ ☿ ♀ 06:34 am EDT Tran-Tran  00°♑00'  
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 12 Aug ☽ ☿ ♀ 08:35 am EDT Tran-Tran  01°♑11'  
The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.
- 12 Aug ☽ ♄ ♀ 08:37 am EDT Tran-Tran  01°♑12'  
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 12 Aug ☽ ☿ ♀ 09:37 am EDT Tran-Tran  01°♑48'  
A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.
- 12 Aug ☽ ♄ ♀ 10:15 am EDT Tran-Tran  02°♑10'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 12 Aug ☽ ♄ ♀ 12:39 pm EDT Tran-Tran  03°♑35'  
Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.
- 12 Aug ☽ ♄ ♀ 02:00 pm EDT Tran-Tran  04°♑22'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 13 Aug ☽ ☐ ♀ 06:52 am EDT Tran-Tran  14°♑19'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 13 Aug ☽ ☐ ♀ 09:04 am EDT Tran-Tran  15°♑37'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may

seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

13 Aug ☽ △ ☉ 06:55 pm EDT Tran-Tran  21° 26'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

14 Aug ☽ ☿ ☿ 09:23 am EDT Tran-Tran  00° 00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

14 Aug ☽ ☐ ♀ 12:57 pm EDT Tran-Tran  02° 07'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

14 Aug ☽ ☐ ♀ 05:50 pm EDT Tran-Tran  05° 00'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

14 Aug ☿ ✖ ♂ 10:05 pm EDT Tran-Tran  05° 05'

Making the most of previous arrangements causes seemingly ordinary procedures to become prime producers. When things are in order, all runs so smoothly that you hardly notice how well it's going. It might be a time to take a second look at what it takes to get it right so you can better maintain your trajectory.

15 Aug ☽ ✖ ♀ 10:15 am EDT Tran-Tran  14° 45'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

15 Aug ☽ ✖ ♀ 04:17 pm EDT Tran-Tran  18° 19'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

16 Aug ☽ ☐ ☉ 01:13 am EDT Tran-Tran  23° 37'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve,

but don't chase diminishing returns.

16 Aug ☽ ☿ ♀ 12:01 pm EDT Tran-Tran  00° II 00'

Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

16 Aug ☽ ✕ ♄ 01:40 pm EDT Tran-Tran  00° II 58'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

16 Aug ☽ ☿ ♀ 02:12 pm EDT Tran-Tran  01° II 17'

Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.

16 Aug ☽ ✕ ♀ 02:55 pm EDT Tran-Tran  01° II 43'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

16 Aug ☽ △ ♀ 03:32 pm EDT Tran-Tran  02° II 04'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

16 Aug ☽ ✕ ♀ 10:34 pm EDT Tran-Tran  06° II 14'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

16 Aug ☽ △ ♂ 10:48 pm EDT Tran-Tran  06° II 22'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

18 Aug ♀ ✕ ♂ 01:33 am EDT Tran-Tran  07° ♀ 04'

Making the most of previous arrangements causes seemingly ordinary procedures to become prime producers. When things are in order, all runs so smoothly that you hardly notice how well it's going. It might be a time to take a second look at what it takes to get it right so you can better maintain your trajectory.

- 18 Aug ☽ ✕ ☉ 07:53 am EDT Tran-Tran  25° II 48'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 18 Aug ☽ ☿ ☿ 03:06 pm EDT Tran-Tran  00° ☿ 00'  
Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.
- 18 Aug ☽ ☐ ☿ 04:33 pm EDT Tran-Tran  00° ☿ 51'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 18 Aug ☽ ☐ ♀ 05:57 pm EDT Tran-Tran  01° ☿ 40'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 19 Aug ☽ ☐ ☿ 04:30 am EDT Tran-Tran  07° ☿ 47'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 19 Aug ☽ ☿ ☿ 06:03 pm EDT Tran-Tran  15° ☿ 36'  
This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.
- 20 Aug ☽ ☿ ♀ 08:27 am EDT Tran-Tran  23° ☿ 51'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 20 Aug ☽ ☿ ☿ 07:17 pm EDT Tran-Tran  00° ☿ 00'  
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 20 Aug ☽ △ ☿ 08:34 pm EDT Tran-Tran  00° ☿ 44'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel,

but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

20 Aug ☽ ✕ ♅ 09:40 pm EDT Tran-Tran  01° ♌ 21'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

20 Aug ☽ △ ♀ 10:09 pm EDT Tran-Tran  01° ♌ 37'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

20 Aug ☽ ♂ ♀ 10:47 pm EDT Tran-Tran  01° ♌ 59'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

21 Aug ☽ ✕ ♂ 11:44 am EDT Tran-Tran  09° ♌ 15'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

21 Aug ☽ ♂ ♀ 02:13 pm EDT Tran-Tran  10° ♌ 39'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

22 Aug ☼ ♂ ♍ 04:34 pm EDT Tran-Tran  00° ♍ 00'

You don't know how abundant your harvest is until you count all the sheaves in your granary, and that kind of attitude abounds in general for the next month or so. Life is grand in all its little details, but only if the details don't belittle it. Seeing the forest for the trees may be a challenge now, but enjoy each tree as you pass.

23 Aug ☽ ♂ ♍ 01:24 am EDT Tran-Tran  00° ♍ 00'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

23 Aug ☽ ♂ ☾ 02:06 am EDT Tran-Tran  00° ♍ 23'

New Moon in Virgo

This month's point of intensity is all about focus, finding the exact key and fitting it into the perfect lock to open the biggest door. If you have to say it twice, you've said too much, and

you didn't get it right in the first place. A word, and only a word, to the wise is sufficient, so if you haven't a wise word to say, wait until you do. It's not about cooking the meal, it's about perfecting the recipe, so check every ingredient before you turn on the flame. When you have all your ducks in a row, the entire operation will happen in one fell swoop. It's worth waiting for the double-check so you won't have to pay double.

23 Aug ☽ ☐ ♀ 03:57 am EDT Tran-Tran  01°♎23'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

24 Aug ☼ ☐ ♀ 03:15 am EDT Tran-Tran  01°♎24'

Abrasiveness and annoyance are qualities you might be running into right now, so make sure you're not displaying them yourself. Impatience is not a virtue, even if you know you're right, and it's easy for everyone to pointlessly butt heads. Schemes laid now may well be half-baked, so take a second look, maybe a third.

24 Aug ☽ ✕ ♀ 08:14 am EDT Tran-Tran  16°♎29'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

25 Aug ☽ ✕ ♀ 09:54 am EDT Tran-Tran  29°♎52'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

25 Aug ☽ ☼ ♀ 10:08 am EDT Tran-Tran  00°♏00'

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

25 Aug ☽ ☼ ♀ 11:00 am EDT Tran-Tran  00°♏27'

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

25 Aug ♀ ☼ ♀ 12:27 pm EDT Tran-Tran  00°♏00'

A real party-time element comes to the fore for the next few weeks, and the general taste is for more enjoyment and less restriction on how you get it and who shares it with you. Good taste may not be the description, but if it tastes good, munge down and add a little spice while you're at it. Life's a play, play along.

25 Aug ☽ △ ♀ 12:52 pm EDT Tran-Tran  01°♏24'

This is a great day for bounding into unexplored territory, and you will find others are doing

the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

25 Aug ☽ ♀ ♀ 01:05 pm EDT Tran-Tran  01°♁31'

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

25 Aug ☽ △ ♀ 01:48 pm EDT Tran-Tran  01°♁53'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

25 Aug ♀ △ ♀ 08:56 pm EDT Tran-Tran  00°♁25'

Beauty and wealth both come from the bottom up -- built, not just acquired. Desires are truly fulfilled only by plumbing their depths and knowing what it is you really want in the long term. Addressing these issues now allows for lasting satisfaction where recurrent cravings no longer unsettle the sleep.

26 Aug ☽ ♂ ♂ 10:26 am EDT Tran-Tran  12°♁25'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

26 Aug ♀ ✕ ♀ 04:58 pm EDT Tran-Tran  01°♁25'

You don't have to go crazy trying to discover new sensations. Sometimes the slightest variation in a time-honored recipe will turn things around with hardly any effort. Try a new ingredient, a new position, a new side road -- you'll be surprised what's just next door and around the corner, and who's doing it, too.

26 Aug ♀ △ ♀ 06:18 pm EDT Tran-Tran  01°♁29'

Getting creative and dreaming up new joys and pleasures comes with ease, and there are plenty of others playing in that sandbox, so share and share alike. Spiritual and material pleasures do not need to conflict, but can go hand in hand for self-satisfaction and the benefit of all. Believe it, and it will come true.

26 Aug ☽ □ ♀ 07:24 pm EDT Tran-Tran  16°♁57'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

26 Aug ☽ ✕ ♀ 10:07 pm EDT Tran-Tran  18°♁19'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than

trying to emotionally break the mold.

27 Aug ♀ ♂ ♀ 01:50 am EDT Tran-Tran  01° 02' 52"

You can't always get what you want, and that may be a general problem about now, as blockages and stumbling blocks are about as people try to reach their goals despite resistance. So, expect some grumbling and frustration and don't bet on deadlines being met on time as slowdowns and redundant efforts cause delay.

27 Aug ☽ ♂ ♀ 09:27 pm EDT Tran-Tran  00° 00' 00"

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

28 Aug ☽ ☐ ♀ 01:10 am EDT Tran-Tran  01° 00' 50"

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

28 Aug ☽ ☐ ♀ 03:48 am EDT Tran-Tran  03° 00' 09"

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

28 Aug ☽ ✕ ☉ 08:28 am EDT Tran-Tran  05° 00' 28"

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

28 Aug ♃ ✕ ♀ 08:20 pm EDT Tran-Tran  01° 00' 26"

This several-year period (most recently centering around 1966) occurs only twice every 172 years and is reputed to have the effect of spiritual progress upon society at large. Too lengthy to have much more than a background effect, it nevertheless sets the tone of the period.

29 Aug ☽ △ ♀ 08:38 am EDT Tran-Tran  17° 00' 25"

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

29 Aug ☽ ☐ ♀ 08:47 pm EDT Tran-Tran  23° 00' 25"

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

30 Aug ☽ ♂ ♀ 10:05 am EDT Tran-Tran  00° 00' 00"

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

30 Aug ☽ △ ♄ 10:19 am EDT Tran-Tran  00° 07'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

30 Aug ☽ △ ♀ 12:54 pm EDT Tran-Tran  01° 24'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

30 Aug ☽ ♂ ♄ 01:00 pm EDT Tran-Tran  01° 27'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

30 Aug ☽ ✳ ♀ 01:42 pm EDT Tran-Tran  01° 48'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

30 Aug ☽ △ ♀ 11:13 pm EDT Tran-Tran  06° 31'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

31 Aug ☽ ☐ ☉ 02:26 am EDT Tran-Tran  08° 07'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

31 Aug ☽ ✳ ♂ 05:53 pm EDT Tran-Tran  15° 51'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Sep ☿ ☿ ☿ 04:09 am EDT Tran-Tran  00° 00' R<sub>x</sub>  
 The next couple of years will produce the end of many illusions and hard times for those who perpetrate them. Matters of unconfirmed belief are likely to be tested, and those who have relied on intuition alone to get by may have to take a more tangible and practical approach. Real and imagined spirituality are set side by side to see which passes the test.
- 01 Sep ☽ △ ☿ 07:38 pm EDT Tran-Tran  28° 54'  
 Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 01 Sep ☽ ☐ ☿ 09:40 pm EDT Tran-Tran  29° 57'  
 Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 01 Sep ☽ ☿ ☿ 09:46 pm EDT Tran-Tran  00° 00'  
 Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 02 Sep ☽ ☐ ♀ 00:21 am EDT Tran-Tran  01° 20'  
 Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 02 Sep ♀ ☿ ☿ 09:23 am EDT Tran-Tran  00° 00'  
 People will be wanting to know exactly what's meant and demanding all the details of whatever is on the table for the next few weeks, so don't get caught flatfooted with only generalities on your tongue. Structure is what it's all about, and the challenge is to say it all, but do it succinctly.
- 02 Sep ☽ △ ☽ 06:25 pm EDT Tran-Tran  10° 42'  
 Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
- 03 Sep ♀ ☐ ☿ 03:40 am EDT Tran-Tran  01° 28'  
 Squabbles about pet concepts and particulars can get in the way of clarity and progress. Chasing down specifics can be more like chasing your tail. If at first you don't succeed, don't

try, try again -- just take a break and look at it later. Harsh words happen, but it's only the heat of the moment, so forgive.

03 Sep ☽ ☐ ♂ 07:21 am EDT Tran-Tran  17°∞31'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

03 Sep ☽ ♂ ♃ 08:51 am EDT Tran-Tran  18°∞19'

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

04 Sep ☽ ✕ ♄ 06:09 am EDT Tran-Tran  29°∞47'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

04 Sep ☽ ♂ ∞ 06:33 am EDT Tran-Tran  00°∞00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

04 Sep ☽ ✕ ♀ 08:53 am EDT Tran-Tran  01°∞16'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

04 Sep ☽ △ ♅ 09:14 am EDT Tran-Tran  01°∞28'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

04 Sep ☽ ♂ ♀ 09:41 am EDT Tran-Tran  01°∞43'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

04 Sep ♂ ☐ ♃ 11:00 pm EDT Tran-Tran  18°∞36'

Upward spirals consume evermore energy without making much upward progress, and those urging on their stallions may really be beating a dead horse. Wasting energy in the interest of imagined accomplishment can really tax resources, so take a second look before you jump in and tax yourself in the general fray.

- 05 Sep ☽ ♀ 05:50 am EDT Tran-Tran  12°≈52'  
Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.
- 05 Sep ☽ △ ♂ 04:52 pm EDT Tran-Tran  19°≈05'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 05 Sep ♄ ♂ 10:27 pm EDT Tran-Tran  01°Ⅱ28'Rx  
Uranus Stationary Retrograde in 06th House
- 06 Sep ☽ ♂ ♄ 11:55 am EDT Tran-Tran  00°≈00'  
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 06 Sep ☽ ☐ ♄ 02:27 pm EDT Tran-Tran  01°≈28'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 07 Sep ☽ ♀ 03:42 am EDT Tran-Tran  09°≈12'  
What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.
- 07 Sep ☽ ♀ ☾ 02:10 pm EDT Tran-Tran  15°≈23'  
Full Moon in Pisces  
"Harvest" Moon should be a time for reflection, but when your shoveling in the harvest, there usually isn't time for it. Or at least it seems that way now, as there's a lot of pressure to produce something tangible surrounded by the inclination to do nothing at all and just get lost in space. Your reward comes from striking a balance and letting the pace and timing of your task become your self-made soundtrack. Hum along with the rhythm of your own wheels and you'll find that at the end of the day everything got done and you had a dream time doing it. It's all a little bit surreal, so watch yourself in wonder.
- 07 Sep ☽ △ ♃ 08:25 pm EDT Tran-Tran  19°≈06'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 08 Sep ☽ ♂ ♃ 01:45 pm EDT Tran-Tran  29°≈28'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

08 Sep 02:38 pm EDT Tran-Tran  00°00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

08 Sep 04:33 pm EDT Tran-Tran  01°10'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

08 Sep 05:03 pm EDT Tran-Tran  01°28'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

08 Sep 05:21 pm EDT Tran-Tran  01°39'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

09 Sep 09:07 pm EDT Tran-Tran  18°28'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

09 Sep 10:43 pm EDT Tran-Tran  19°27'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

10 Sep 02:54 am EDT Tran-Tran  21°59'

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

10 Sep 04:04 pm EDT Tran-Tran  00°00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown,

the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

10 Sep ☽ ☐ ♀ 06:43 pm EDT Tran-Tran  01°♾37'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

11 Sep ☽ △ ♀ 10:19 pm EDT Tran-Tran  18°♾22'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

12 Sep ☽ △ ☉ 00:30 am EDT Tran-Tran  19°♾41'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

12 Sep ☽ ✖ ♃ 00:40 am EDT Tran-Tran  19°♾47'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

12 Sep ☽ ☐ ♀ 03:00 am EDT Tran-Tran  21°♾11'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

12 Sep ☽ ✖ ♃ 03:31 am EDT Tran-Tran  19°♾48'

Modest plans succeed as long as no one rocks the boat, and that's the working formula for now. It's a good time to notice that you can get as far with many small coordinated steps as you can with great leaps forward. Once things are humming, operations take care of themselves and mileage increases.

12 Sep ☽ ✖ ♃ 04:14 pm EDT Tran-Tran  29°♾09'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

12 Sep ☽ ☿ ♀ 05:39 pm EDT Tran-Tran  00°♾00'

Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

- 12 Sep ☿ ✕ ♋ 05:54 pm EDT Tran-Tran  19° 17' 54"  
 Ideas that were once only on the drawing board wind up panning out seamlessly, and you might look to how that happened as a model for future operations. The chances are you didn't even notice, having your mind a step ahead already. Undertakings begun now have an easy future with continuing creativity assured.
- 12 Sep ☽ ✕ ♍ 07:24 pm EDT Tran-Tran  01° 12' 03"  
 Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 12 Sep ☽ ☾ ♏ 08:03 pm EDT Tran-Tran  01° 12' 27"  
 Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 12 Sep ☽ △ ♍ 08:17 pm EDT Tran-Tran  01° 12' 35"  
 A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 13 Sep ☿ ☾ ☉ 06:52 am EDT Tran-Tran  20° 17' 55"  
 High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.
- 14 Sep ☽ □ ☉ 06:33 am EDT Tran-Tran  21° 12' 52"  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 14 Sep ☽ □ ♍ 08:17 am EDT Tran-Tran  22° 12' 53"  
 This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 14 Sep ☽ ✕ ♍ 10:10 am EDT Tran-Tran  23° 12' 59"  
 It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 14 Sep ☽ △ ☾ 11:41 am EDT Tran-Tran  24° 12' 52"  
 Today has strength and energy written all over it - a good time for a power breakfast, lunch,

or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

14 Sep ☽ ☐ ♄ 06:46 pm EDT Tran-Tran  29° 11'00"

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

14 Sep ☽ ☌ ☿ 08:30 pm EDT Tran-Tran  00° 00'00"

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

14 Sep ☽ ☐ ♀ 10:13 pm EDT Tran-Tran  00° 00'59"

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

15 Sep ♀ ✕ ☌ 11:04 pm EDT Tran-Tran  25° 02'51"

Whether it be love or money, business as usual is good and satisfaction is almost taken for granted. A look at just how you go about that might make for an even better tomorrow. The hand-in-hand flavor of giving and getting is what makes deals go well now, and that's something to emulate in the future.

16 Sep ☽ ☌ ♃ 08:18 am EDT Tran-Tran  20° 00'28"

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

16 Sep ☽ ✕ ☼ 02:52 pm EDT Tran-Tran  24° 00'10"

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

16 Sep ☽ ☐ ☌ 06:53 pm EDT Tran-Tran  26° 00'24"

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

16 Sep ☽ ✕ ♀ 08:51 pm EDT Tran-Tran  27° 00'30"

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than

trying to emotionally break the mold.

16 Sep ☽ △ ♄ 11:13 pm EDT Tran-Tran  28°☾50'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

17 Sep ☽ ☿ ♃ 01:20 am EDT Tran-Tran  00°♊00'

Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

17 Sep ☽ △ ♀ 03:00 am EDT Tran-Tran  00°♊56'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

17 Sep ☽ ✖ ♅ 03:52 am EDT Tran-Tran  01°♊25'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

17 Sep ☽ ☿ ♀ 04:05 am EDT Tran-Tran  01°♊32'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

17 Sep ☿ ☿ ♄ 01:47 pm EDT Tran-Tran  28°♏47'

Navigating past the logjams of the mind can be a challenge, and sometimes you just can't get your head together and focused. The brain drain is the pain, but only periodically, with equal periods of mental energy and clear thinking. It's happening all around, so best wait until things lighten up before making commitments.

18 Sep ☿ ☿ ♄ 06:06 am EDT Tran-Tran  00°♌00'

Everyone's talking both sides of the issue for a few weeks, and it will be hard to take one side without somebody hopping on the other. Clever repartees abound and more than the usual double-entendres and puns fill the air in a competition for the intellectual edge. Join in if you want to, but don't feel you must.

18 Sep ☿ ☿ ♀ 06:01 pm EDT Tran-Tran  00°♌53'

Bewitched, bothered, and bewildered was written for this moment -- maybe befuddled, as well. Just when you've got your head on it, it vanishes, a Chimera in broad daylight. And it's happening to everyone else, too, a regular blind man's bluff. Don't press it, just marvel as it comes and goes, then passes altogether.

- 19 Sep ☿ △ ♅ 00:52 am EDT Tran-Tran  01°♌24'  
Original ideas find a home and progress is easy on all fronts for those who get in gear and make something of it. What was obscure before is obvious now, but it will be history soon if it's not exploited, so get on your own bandwagon before someone else takes it over. It's Thomas Edison time (or Bill Gates?), exploit the moment.
- 19 Sep ☿ △ ♀ 02:24 am EDT Tran-Tran  01°♌30'  
When you've got it figured out, run with it and everyone will follow. Forceful words expressed in a friendly manner brook no opposition. A powerful concept sweeps the field better than a cannonade, proving again that the pen is mightier than the sword. Nail it down now, and you're in charge well beyond the horizon.
- 19 Sep ☽ ✕ ♂ 04:40 am EDT Tran-Tran  28°♌01'  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 19 Sep ☽ ♂ ♀ 08:21 am EDT Tran-Tran  29°♌59'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 19 Sep ☽ ♂ ♍ 08:23 am EDT Tran-Tran  00°♍00'  
If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.
- 19 Sep ♀ ♂ ♍ 08:39 am EDT Tran-Tran  00°♍00'  
Finicky taste abounds for the next few weeks, and you'll find people turning up their noses at situations they would have gratefully embraced only weeks earlier. Competition will, of course, change all that soon enough, so if you're wise you can pick up the neglected seconds now and they'll be worth double in no time. In fact, you may want to keep them.
- 19 Sep ☽ □ ♅ 10:59 am EDT Tran-Tran  01°♍23'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 20 Sep ♀ □ ♅ 11:41 am EDT Tran-Tran  01°♍23'  
One experiment leads to another, and the further you push your tastes, the less they seem to satisfy. In general, situations arising today can lead to pushing the envelope of desire without getting the satisfaction everyone is looking for. If you can't seem to get what you want, you may actually be happier with simpler fare.
- 21 Sep ☽ ✕ ♀ 00:34 am EDT Tran-Tran  21°♍09'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate

them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

21 Sep ☉♂♄ 01:46 am EDT Tran-Tran  28°♎31'

Stones in your pathway needn't trip you up, but they can interrupt progress. The world is putting up resistance, not only for you but for everyone, so if misery loves company, you're in clover. But it's only intermittent, and progress is being made, albeit slowly. But it's not a good time to begin things, unless you like this.

21 Sep ☽♂♄ 02:42 pm EDT Tran-Tran  28°♎28'

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

21 Sep ☽♂☉ 03:54 pm EDT Tran-Tran  29°♎05'

New Moon in Virgo

This month's point of intensity is all about focus, finding the exact key and fitting it into the perfect lock to open the biggest door. If you have to say it twice, you've said too much, and you didn't get it right in the first place. A word, and only a word, to the wise is sufficient, so if you haven't a wise word to say, wait until you do. It's not about cooking the meal, it's about perfecting the recipe, so check every ingredient before you turn on the flame. When you have all your ducks in a row, the entire operation will happen in one fell swoop. It's worth waiting for the double-check so you won't have to pay double.

21 Sep ☽♂♄ 05:41 pm EDT Tran-Tran  00°♏00'

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

21 Sep ☽♂♄ 07:15 pm EDT Tran-Tran  00°♏48'

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

21 Sep ☽♂♄ 08:20 pm EDT Tran-Tran  01°♏22'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

21 Sep ☽♂♄ 08:34 pm EDT Tran-Tran  01°♏29'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

- 22 Sep ♂♂♄ 03:55 am EDT Tran-Tran  00°♄00'  
The best-laid plans of mice and men are just getting underway, and every action has not just a plan but a plot hatching along with it. A lot of it is about conserving, and not sharing, the available energy and resources, so don't expect to participate without paying the price of loyalty beyond suspicion - which may not always be worth it.
- 22 Sep ☽♂♀ 07:36 am EDT Tran-Tran  07°♁07'  
Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.
- 22 Sep ☾♂♁ 02:19 pm EDT Tran-Tran  00°♁00'  
Change for change itself becomes a general theme for the next month, and you may at times wonder why people keep pushing for unnecessary shifts. It's all about jockeying for position, but that only works for you if you're in a race. Whether you are, and what to do about it, may be this month's essay subject.
- 23 Sep ☾♂♂ 08:54 am EDT Tran-Tran  00°♁45'  
Attempts at self-assertion can be met with sporadic confusion and uncertainty caused by misinformation, or even disinformation. You are not the only one making your way through the mists, however, so sound a fog horn if you want to avoid collisions. A good time for introspection and revisiting your dreams.
- 23 Sep ☽☐♄ 12:03 pm EDT Tran-Tran  21°♁30'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 23 Sep ☾♁♁ 10:55 pm EDT Tran-Tran  01°♁20'  
Original thinking and new approaches will pay off if you put them in gear now. Inventiveness with staying power is available, so don't be a stick in the mud, get rolling. Yesterday's weirdness becomes today's leading edge, so come out of the closet with whatever you were holding back and it just might pay off.
- 24 Sep ☾♁♀ 02:00 am EDT Tran-Tran  01°♁27'  
A strong sense of self-assurance can enable everyone to pull together now, based on the faith that it will come out all right in the end, whatever happens. Endeavors begun with that in mind will be virtually bulletproof and a firm foundation is there for you if you choose to take a chance.
- 24 Sep ☽♂♄ 05:01 am EDT Tran-Tran  00°♄00'  
The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 24 Sep ♂☐♀ 07:45 am EDT Tran-Tran  01°♄27'  
A maze of twists and turns emerges from dodging too many roadblocks without having a real

plan. The only sure way out of a maze is to make turns in only one direction, right or left, but clearly few know that. Don't push the envelope, circle around inside it until you find the door, then vamoose.

24 Sep ☽ ☐ ♀ 07:56 am EDT Tran-Tran  01°♌27'

Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

24 Sep ☽ ☿ ♂ 07:57 am EDT Tran-Tran  01°♌28'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

24 Sep ☽ ✕ ♀ 06:19 pm EDT Tran-Tran  06°♌37'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

26 Sep ☽ △ ♃ 01:07 am EDT Tran-Tran  21°♌51'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

26 Sep ☽ △ ♎ 01:45 pm EDT Tran-Tran  28°♌05'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

26 Sep ☽ ☿ ♎ 05:38 pm EDT Tran-Tran  00°♏00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

26 Sep ☽ △ ♀ 06:59 pm EDT Tran-Tran  00°♏40'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

26 Sep ☽ ☿ ♉ 08:14 pm EDT Tran-Tran  01°♏17'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make

or take offense. Choppy waters.

26 Sep ☽ ✳ ♀ 08:32 pm EDT Tran-Tran  01° ↗26'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

27 Sep ☽ ✳ ☉ 02:35 am EDT Tran-Tran  04° ↗25'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

27 Sep ☽ ☐ ♀ 02:01 pm EDT Tran-Tran  10° ↗04'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

28 Sep ☽ ✳ ♀ 03:44 am EDT Tran-Tran  16° ↗53'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

29 Sep ☽ ☐ ♄ 01:45 am EDT Tran-Tran  27° ↗54'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

29 Sep ☽ ☿ ♀ 05:56 am EDT Tran-Tran  00° ♀00'

Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.

29 Sep ☽ ☐ ♀ 07:06 am EDT Tran-Tran  00° ♀36'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

29 Sep ☽ ✳ ♂ 03:56 pm EDT Tran-Tran  05° ♀04'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

29 Sep ☽ ☐ ☉ 07:55 pm EDT Tran-Tran  07° √ 06'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

30 Sep ☽ △ ♀ 08:21 am EDT Tran-Tran  13° √ 28'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

30 Sep ☽ ☐ ♀ 11:40 pm EDT Tran-Tran  21° √ 26'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Oct ☽♂♂ 01:41 am EDT Tran-Tran  22°♂30'  
 Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 01 Oct ☽✳♁ 11:34 am EDT Tran-Tran  27°♂43'  
 The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 01 Oct ☽♂♂ 03:52 pm EDT Tran-Tran  00°♂00'  
 Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 01 Oct ☽✳♁ 04:52 pm EDT Tran-Tran  00°♂32'  
 Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 01 Oct ♀☐♂ 04:59 pm EDT Tran-Tran  22°♂34'  
 The best-laid plans suddenly are at sixes and sevens, mostly because there's a nest of non-working components that just keep on popping up. Basically, it's a time for debugging new operations and whipping coming launches into shape. A better time for sorting things out than for starting anew.
- 01 Oct ☽♂♂ 06:06 pm EDT Tran-Tran  01°♂11'  
 This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 01 Oct ☽♂♂ 06:29 pm EDT Tran-Tran  01°♂24'  
 Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.
- 02 Oct ☽☐♂ 04:29 am EDT Tran-Tran  06°♂47'  
 Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try

not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

02 Oct ☽ △ ☾ 09:42 am EDT Tran-Tran  09°≈37'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

03 Oct ☽ △ ♀ 02:15 pm EDT Tran-Tran  25°≈31'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

03 Oct ☽ ♂ ♄ 10:07 pm EDT Tran-Tran  00°≈00'

Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.

04 Oct ☽ ☐ ♄ 00:07 am EDT Tran-Tran  01°≈09'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

04 Oct ☽ △ ♂ 12:36 pm EDT Tran-Tran  08°≈23'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

05 Oct ☽ ♂ ♀ 07:34 am EDT Tran-Tran  19°≈36'

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

05 Oct ☽ △ ♃ 01:16 pm EDT Tran-Tran  23°≈01'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

05 Oct ☽ ♂ ♄ 08:30 pm EDT Tran-Tran  27°≈23'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

- 06 Oct ☽♂♂ 00:48 am EDT Tran-Tran  00°♂00'  
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 06 Oct ☽♂♂ 01:28 am EDT Tran-Tran  00°♂25'  
A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.
- 06 Oct ☽♂♂ 02:36 am EDT Tran-Tran  01°♂06'  
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 06 Oct ☽♂♂ 03:04 am EDT Tran-Tran  01°♂23'  
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.
- 06 Oct ♀♂♂ 12:41 pm EDT Tran-Tran  00°♂00'  
There's an air of secrecy about for the next few weeks, as if everybody's trying to keep a copyright on what they're thinking, so pulling out ideas may be like pulling teeth. Critical elements are often withheld until you've passed the entry test - but once honestly shared thinking gets going, it runs deep.
- 06 Oct ☽♂♂ 11:48 pm EDT Tran-Tran  14°♂08'  
Full Moon in Aries  
This full "Hunter's" Moon contains all the craziness of the chase - sudden turns and reversals, quick dodges, arrows loosed on the fly. It may be hard to keep track of all the action as you try to pull in the rewards of what you've been working on without letting important bits elude your grasp. It's too easy to go tramping through the brush, scaring everything away, when what you should be doing is swift but careful stalking and seizing just the right moment to take your one, perfect shot at success. You've been careful this long, so don't blow it at the end just because the pressure's on. Be still, then pounce.
- 07 Oct ♀♂♂ 10:38 am EDT Tran-Tran  01°♂22'  
Forceful arguments have less weight, the more you put into them. Pounding debates only exhaust their participants. Attacking the issue will wind up destroying it. Yet, that's the general inclination, so when in doubt, just say go. Hightail it to some seclusion where you can wait out the battle, then pick up others' pieces.
- 07 Oct ☽♂♂ 02:24 pm EDT Tran-Tran  23°♂14'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope

to disappointment, so avoid them.

08 Oct ☽ ☿ ☿ 01:13 am EDT Tran-Tran  00°00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

08 Oct ☽ ☐ ♀ 03:24 am EDT Tran-Tran  01°02'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

08 Oct ☽ ☿ ♀ 05:15 am EDT Tran-Tran  02°03'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

08 Oct ♀ ✕ ♃ 07:41 am EDT Tran-Tran  23°09'

There is an opulence in good taste that surpasses grandeur, and the key to satisfaction is not how much you have but what you do with it. Taking just what you need to feed your desires makes for a gentle spiral of growth and gratification. By making it just so, the afterglow of contentment lingers on.

08 Oct ☽ ☿ ♂ 07:16 pm EDT Tran-Tran  11°09'

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

09 Oct ☽ ✕ ♃ 02:39 pm EDT Tran-Tran  23°06'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

09 Oct ☽ △ ♀ 05:13 pm EDT Tran-Tran  25°02'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

09 Oct ☽ ✕ ♃ 08:31 pm EDT Tran-Tran  27°06'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

- 10 Oct ☽ ☿ ♀ 01:12 am EDT Tran-Tran  00° ♀ 00'  
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 10 Oct ☽ ✖ ♀ 01:41 am EDT Tran-Tran  00° ♀ 18'  
Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 10 Oct ☽ ☿ ♀ 02:48 am EDT Tran-Tran  00° ♀ 59'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 10 Oct ☽ △ ♀ 03:25 am EDT Tran-Tran  01° ♀ 22'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 11 Oct ♀ ☿ ♀ 07:11 am EDT Tran-Tran  27° ♀ 00'  
Interrupted journeys of desire nevertheless proceed, but at a slower rate. If at first you don't get what you want, try it again differently until you find your way around the roadblocks. Where resources fall short, cleverness intercedes and patience perseveres. Fortunes are seldom made overnight, so take one step at a time.
- 11 Oct ☽ △ ☼ 07:14 am EDT Tran-Tran  18° ♀ 24'  
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
- 11 Oct ☽ ☐ ♀ 09:30 pm EDT Tran-Tran  26° ♀ 57'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 11 Oct ☽ ☐ ♀ 10:56 pm EDT Tran-Tran  27° ♀ 49'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 12 Oct ☽ ☿ ☼ 02:37 am EDT Tran-Tran  00° ☼ 00'  
Expect feelings to get a little more intense for the next few days, particularly due to bottled-up

emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

- 12 Oct ☽ □ ♀ 03:02 am EDT Tran-Tran  00°☾15'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 12 Oct ☽ △ ♀ 06:10 pm EDT Tran-Tran  09°☾08'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 13 Oct ☽ △ ♂ 03:07 am EDT Tran-Tran  14°☾19'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 13 Oct ☽ □ ☉ 02:13 pm EDT Tran-Tran  20°☾40'  
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 13 Oct ♀ ♂ ♄ 05:19 pm EDT Tran-Tran  00°♄00'  
All things bright and beautiful are what everybody's asking for these next few weeks, and there's much competition to one-up each other in matters of taste and possessions. That drives prices up, both financially and emotionally, so you may want to think twice before going for that higher bid. It might be overpriced.
- 13 Oct ♀ ♄ 06:47 pm EDT Tran-Tran  01°♄22'  
Pluto Stationary Direct in 02nd House
- 13 Oct ☽ ♂ ♀ 07:49 pm EDT Tran-Tran  23°☾50'  
This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.
- 13 Oct ♀ ♂ ♀ 09:16 pm EDT Tran-Tran  00°♄12'  
Difficulty in focusing in on just what it is you want is universal, so don't try to pin down other people's orders (or your own) too tightly as no one has as firm a grip as usual. Where you can put off decision, do so, as whatever you initiate will partake of this uncertainty down the line and this moment could stick with you longer than you might like.
- 14 Oct ☽ △ ♀ 01:05 am EDT Tran-Tran  26°☾49'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

14 Oct ☽♂♌ 06:47 am EDT Tran-Tran  00°♌00'

Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

14 Oct ☽△♊ 07:08 am EDT Tran-Tran  00°♌12'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

14 Oct ☽✳️♀ 08:10 am EDT Tran-Tran  00°♌46'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

14 Oct ☽✳️♈ 08:21 am EDT Tran-Tran  00°♌52'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

14 Oct ☽♂♍ 09:14 am EDT Tran-Tran  01°♌22'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

14 Oct ♀△♈ 10:10 am EDT Tran-Tran  00°♍52'

A broad scope of varied and original experiences are open for exploration, and it's easy to lose your fear of risk and embrace the new. What might have seemed a bit over the top before now looks like your cup of tea, with others jumping in to try out the most exotic tastes. There's nothing like a hands-on education.

14 Oct ♀△♍ 07:41 pm EDT Tran-Tran  01°♍22'

When you're sure you're going to get what you want, you probably will, and that kind of attitude all around makes for a general win-win situation. Cross-purposes are at a minimum and a fundamental agreement on mutual goals and desires means one hand washes the other and vice versa for joint pleasures.

15 Oct ☽☐♀ 05:41 am EDT Tran-Tran  12°♌37'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or

misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

15 Oct ☽ ☾ ♂ 11:50 am EDT Tran-Tran  15° 02'57"

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

16 Oct ☽ ✕ ☉ 01:07 am EDT Tran-Tran  23° 02'06"

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

16 Oct ☽ ♂ ♀ 02:06 pm EDT Tran-Tran  00° 00'00"

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

16 Oct ☽ ☾ ♀ 03:38 pm EDT Tran-Tran  00° 00'48"

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

17 Oct ☽ ☾ ♀ 01:43 am EDT Tran-Tran  24° 01'07"

Overblown, repetitious plans could use a little trimming and when you see that time-wasting windbag headed your way, make tracks. A tendency to overdo with diminishing returns colors actions, and if brevity is the soul of wit, you'd never know it now. Buck the tide, simplify, and don't commit until that's done.

17 Oct ☽ ✕ ♀ 09:10 pm EDT Tran-Tran  16° 00'14"

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

18 Oct ☽ ✕ ♂ 00:02 am EDT Tran-Tran  17° 00'42"

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

18 Oct ☽ ✕ ♀ 12:43 pm EDT Tran-Tran  24° 00'14"

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

- 18 Oct ☽♂♄ 05:11 pm EDT Tran-Tran  26°♎30'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 19 Oct ☽♂♂ 00:02 am EDT Tran-Tran  00°♏00'  
Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 19 Oct ☽♂♄ 00:11 am EDT Tran-Tran  00°♏05'  
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.
- 19 Oct ☽♂♄ 01:28 am EDT Tran-Tran  00°♏44'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 19 Oct ☽♂♄ 02:44 am EDT Tran-Tran  01°♏22'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 19 Oct ☽♂♀ 02:27 pm EDT Tran-Tran  07°♏18'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 20 Oct ☿♂♂ 02:52 am EDT Tran-Tran  19°♏11'  
Ideas catch fire and the mind races as your thinking cap jams into fifth gear. A heady time, indeed, but you'll need to keep pace with the rest of the world, which is experiencing the same thing. Anything you choose to do with your interior software will keep this high pace in times to come, so strike while the iron is hot.
- 21 Oct ☽♂♄ 00:30 am EDT Tran-Tran  24°♏24'  
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 21 Oct ☽♂☾ 08:26 am EDT Tran-Tran  28°♏22'  
New Moon in Libra

If you were suddenly dropped into the middle of a hoedown, the first thing you'd have to do is grab a partner and swing around the dance floor - that's the feeling of this New Moon. It's time for a new dance, new steps, and that requires a new partner, or at least a new look at the old. You're not dancing in front of the mirror anymore, there's a real, live one looking right back at you, and it's startup time. When you add a new element into the mix, it's all about shifting about until your ship is stable, redistributing the weight so balance is achieved and progress fueled in the process. Embrace the possibilities, learn the new, fancy footwork and trip the light fantastic - without tripping, please.

21 Oct ☽♂♍ 11:43 am EDT Tran-Tran  00°♍00'

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

21 Oct ☽☐♀ 02:29 pm EDT Tran-Tran  01°♍23'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

22 Oct ♀♂♎ 05:58 am EDT Tran-Tran  00°♎00'

Ideals become very much the stuff of action for the next fourteen years, and it's time to put up or shut up across society. When social visions are illusionary or only wishful, this can be the stuff of generational regret and error. But when they're well-defined, it can leave a legacy of spiritual and social uplift.

22 Oct ☼♂♍ 11:51 pm EDT Tran-Tran  00°♍00'

Still waters run deep, but only when you can get below the surface. The coming month's theme may be probing the depths, or seeming to, while keeping out distracting disturbances. That makes for high intensity when you're inside someone's door, or they're inside yours, but complete mystery when you're/they're not.

23 Oct ☽♂♂ 06:56 am EDT Tran-Tran  21°♍25'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

23 Oct ☽♂♀ 10:58 am EDT Tran-Tran  23°♍24'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

23 Oct ☽♂♂ 01:19 pm EDT Tran-Tran  24°♍34'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember

there may be other sides, too.

23 Oct ☽ △ ♄ 04:39 pm EDT Tran-Tran  26°♌13'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

24 Oct ☽ △ ♀ 00:15 am EDT Tran-Tran  29°♌58'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

24 Oct ☽ ☿ ♄ 00:20 am EDT Tran-Tran  00°♌00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

24 Oct ☽ ☿ ♄ 01:28 am EDT Tran-Tran  00°♌34'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

24 Oct ☽ ♀ ♀ 03:08 am EDT Tran-Tran  01°♌23'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

24 Oct ☼ □ ♀ 09:20 am EDT Tran-Tran  01°♌23'

Personal confrontations abound and you will do well to avoid them, as they lead nowhere but take up a lot of time and energy, leaving resentment in their trail. Force plays and squeeze plays are no substitute for fair play, and you'll never regret walking away. Let the air clear and then be ready to move on untrammelled.

24 Oct ♀ △ ♄ 11:08 am EDT Tran-Tran  24°♌37'

Big plans put into operation now will have legs that make seven-league strides. Confidence in what you have cooked up attracts customers and begets imitation, so move on apace to stay ahead of the competition. Ideas flow easily, but don't take them for granted -- put them into action to carry you in less creative times.

25 Oct ☽ ♀ ♀ 05:18 am EDT Tran-Tran  14°♌18'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

- 25 Oct ☿ △ ♄ 05:17 pm EDT Tran-Tran  26°♌06'  
Steady focus and clear, reductive thinking get reliable results that inspire confidence in others, particularly those on the conservative side. Keep your eye on long-term operations and slow but steady development. Think big but not fast, what is begun now is for posterity, and that's forever, so you've got time.
- 26 Oct ☽ □ ♄ 05:01 am EDT Tran-Tran  26°♌04'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 26 Oct ☽ □ ♀ 12:42 pm EDT Tran-Tran  29°♌54'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 26 Oct ☽ ♂ ♀ 12:54 pm EDT Tran-Tran  00°♏00'  
Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 26 Oct ☽ ✕ ☉ 08:36 pm EDT Tran-Tran  03°♏51'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 28 Oct ☽ □ ♀ 00:11 am EDT Tran-Tran  17°♏47'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 28 Oct ♂ △ ♄ 02:20 am EDT Tran-Tran  24°♌49'  
Acceleration is easy and an abundance of energy is available to fuel new projects, new approaches. Exercise makes you only feel stronger and it's a joy to push the envelope and watch it grow bigger. Strain is a thing of the past, and outgoing, ebullient manners are the order of the day.
- 28 Oct ☽ ♂ ♄ 01:57 pm EDT Tran-Tran  24°♏50'  
Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 28 Oct ☽ ✕ ♂ 02:36 pm EDT Tran-Tran  25°♏11'  
A firm, easy gait marks the day if you let the energy around you carry you along without

questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

28 Oct ☽ ✕ ♏ 04:06 pm EDT Tran-Tran  25° ♊ 57'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

28 Oct ☽ ✕ ♍ 11:17 pm EDT Tran-Tran  29° ♊ 40'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

28 Oct ☽ ✕ ♋ 11:38 pm EDT Tran-Tran  29° ♊ 51'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

28 Oct ☽ ☾ ♏ 11:55 pm EDT Tran-Tran  00° ♏ 00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

29 Oct ☽ △ ♏ 00:39 am EDT Tran-Tran  00° ♏ 23'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

29 Oct ☽ ☾ ♍ 02:39 am EDT Tran-Tran  01° ♏ 25'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

29 Oct ☾ △ ♋ 03:26 am EDT Tran-Tran  29° ♏ 51'

It's easier than usual to put difficult and elusive concepts into words and put them to work for the general benefit. If you have a dream, now you can speak about it and people will understand. Listen to the same from others, who now have the same opportunity to share their inner visions and unite with you.

29 Oct ☾ ☾ ♏ 07:02 am EDT Tran-Tran  00° ♏ 00'

People will say anything for a laugh about now - and for the next few weeks they'll tend to just say anything in general and then keep talking. Blue-sky blustering is the order of the day, but there's a kernel of truth in some of those free-form filibusters, so don't overlook that fleck of

gold gleaming in the pan.

- 29 Oct ☽ ☾ ☼ 12:21 pm EDT Tran-Tran  06°≈30'  
 Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 29 Oct ♂ △ ♄ 03:06 pm EDT Tran-Tran  25°≈54'  
 Long, easy strides eat up the miles once you establish a pace that doesn't overtax and won't wind you. You don't have to do the speed limit to get there first, just don't make a lot of rest stops. That's the general outlook now, so roll with it. Beginnings now have a long and steady road ahead of them.
- 29 Oct ♀ ♂ ♄ 03:36 pm EDT Tran-Tran  00°≈22'  
 Sudden insights appear and then vanish before you can work them out and set them down. The journey of the mind is interrupted and must proceed in fits and starts. It's a good time to see different sides of the issue, but hard to get a tight bead on the target. Take it in stride and collect information.
- 30 Oct ☽ △ ♀ 03:34 pm EDT Tran-Tran  21°≈05'  
 Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 30 Oct ♀ ✕ ♀ 06:01 pm EDT Tran-Tran  01°≈26'  
 Tuning in to the Force can be easier than you think -- you might be doing it right now. When you work in sure knowledge, it works through you. Thus, what you take for granted is your very support structure. Foundations laid now will have that subtle support that protects without any armor at all.
- 31 Oct ☽ ☾ ♂ 02:15 am EDT Tran-Tran  26°≈57'  
 Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 31 Oct ☽ ♂ ✕ 07:46 am EDT Tran-Tran  00°≈00'  
 Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 31 Oct ☽ ☾ ♄ 08:18 am EDT Tran-Tran  00°≈18'  
 Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

31 Oct ☽ ☾ ♀ 11:32 am EDT Tran-Tran  02°×06'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

31 Oct ☽ △ ☼ 11:42 pm EDT Tran-Tran  08°×59'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

02 Nov ☾ △ ♃ 02:17 am EST Tran-Tran  25°✕00'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

02 Nov ☾ ☿ ♄ 03:31 am EST Tran-Tran  25°✕44'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

02 Nov ☾ △ ☿ 08:17 am EST Tran-Tran  28°✕35'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

02 Nov ☾ ☿ ♀ 10:15 am EST Tran-Tran  29°✕46'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

02 Nov ☾ ☿ ♀ 10:39 am EST Tran-Tran  00°♄00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

02 Nov ☾ ✕ ♄ 11:01 am EST Tran-Tran  00°♄13'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

02 Nov ☾ ✕ ♀ 01:05 pm EST Tran-Tran  01°♄27'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

02 Nov ☾ △ ♀ 05:18 pm EST Tran-Tran  04°♄00'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-

-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

02 Nov ♀ ☐ ♃ 06:17 pm EST Tran-Tran  25°♌02'

An inclination to overdo beyond diminishing returns is fueled by the desire to get things just right. One more added touch, just another taste, try it once again, until satisfaction goes out the window. Sometimes less really is more, even if it doesn't seem like it, so backing off may save you both time and money.

03 Nov ♂ △ ♀ 11:00 pm EST Tran-Tran  29°♍44'

Ideal thrusts and parries are easy to make and the show is entertaining enough to make progress without getting bored. Putting energy into dream-building is just the thing and the more you put your shoulder into it, the more help you'll get from others you convince to follow your star. Belief and deeds go hand in hand.

04 Nov ☽ ☐ ♃ 03:26 am EST Tran-Tran  25°♑04'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

04 Nov ☽ ♀ ♀ 06:22 am EST Tran-Tran  26°♑54'

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

04 Nov ♂ ♂ ♀ 08:01 am EST Tran-Tran  00°♊00'

There's going to be a tendency to go flat out without thinking too much about it for a while, so just being out in the world may be a bit tiring if you're trying too hard to keep up with everything. Nobody's being that selective, so those who are will have the long-term advantage, if not the short-term favor.

04 Nov ☽ ♂ ☿ 11:16 am EST Tran-Tran  00°♊00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

04 Nov ♂ ♀ ☿ 12:30 pm EST Tran-Tran  00°♊08'

Fits and starts describe even the smoothest moves and jerky, erratic motion confuses the surroundings. The startle reflex is enlarged, as is the fight-or-flight response, so it seems like anything could happen, even if it doesn't. Jagged edginess can be harsh and annoying, but raw nerves will be soothed with time, so persevere.

04 Nov ☽ ☐ ♀ 01:36 pm EST Tran-Tran  01°♊29'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

- 05 Nov ☽ ♈ ☾ 08:20 am EST Tran-Tran  13°♊23'  
Full Moon in Taurus  
This "Frost" Moon makes the usual full Moon craziness turn into slow motion, and a lot of the action is happening beneath the surface, hidden from view. Like moles in the ground, everybody's pursuing an agenda that may not be entirely clear but is clearly plowing up the vicinity. The challenge is to get all of it working for you and not against you and to keep your pace up even if it seems like you're wading through molasses. Nevertheless, when all is said and done the scope of accomplishment available now is both large and long-lasting, directly proportionate to the extra labor involved making it all happen.
- 06 Nov ☽ ♉ ♃ 02:41 am EST Tran-Tran  25°♊06'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 06 Nov ☽ ♉ ♅ 03:25 am EST Tran-Tran  25°♊34'  
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 06 Nov ☽ ♉ ♀ 09:51 am EST Tran-Tran  29°♊41'  
Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 06 Nov ♂ ♉ ♀ 10:04 am EST Tran-Tran  01°♊30'  
Being firm but not controlling is the key to getting along for everyone. Stick to your guns but don't point them at others and all will go smoothly. When expectations are clear, it is easy to achieve harmony and mutual cooperation. The mere assumption that it's going to work out is a self-fulfilling prophecy.
- 06 Nov ☽ ♉ ♀ 10:21 am EST Tran-Tran  00°♊00'  
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 06 Nov ☽ ♉ ♀ 10:26 am EST Tran-Tran  00°♊03'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 06 Nov ☽ ♉ ♀ 12:42 pm EST Tran-Tran  01°♊30'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform

for all to share.

- 06 Nov ☽♂♂ 12:50 pm EST Tran-Tran  01°II35'  
Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.
- 06 Nov ♀♂♍ 05:40 pm EST Tran-Tran  00°♍00'  
The hunt for objects of desire is in full swing for a few weeks, so expect some very intense satiation all around. It doesn't show much on the surface, but when the doors close and the shades go down, it's all the way - literally or figuratively. Dipping your toe in is not what's happening now, so beware if you try to -- you may be pulled in headlong with the rest.
- 06 Nov ☽♂♀ 08:20 pm EST Tran-Tran  06°II21'  
What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.
- 07 Nov ♄♂♄ 09:16 pm EST Tran-Tran  00°II00'Rx  
There begins an inexorable seven-year build-up of recently-learned harsh truths that actually makes structure out of revolution, but at a price that will only be appreciated afterwards. Because of previous breakdowns, much is tolerated that would not otherwise be put up with, all in the name of a new deal, which may be learned from but have to be at least partially undone afterwards.
- 07 Nov ♀☐♀ 10:40 pm EST Tran-Tran  01°♍31'  
Strong-arm tactics rarely achieve inner goals or fulfill long-term needs and desires, but that wisdom may be lost on a lot of people right now. Pushing and shoving can be the order of the day, with increasing desperation and diminishing returns. If you see a vicious circle developing, jump out of the spiral ASAP.
- 08 Nov ☽☐♄ 02:49 am EST Tran-Tran  25°II30'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 08 Nov ☽☐♊ 09:33 am EST Tran-Tran  29°II39'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 08 Nov ☽♂♄ 10:07 am EST Tran-Tran  00°♄00'  
Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

08 Nov ☽ △ ♀ 01:52 pm EST Tran-Tran  02°☾18'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

09 Nov ♀ SRx 01:54 pm EST Tran-Tran  06°♌52'Rx

Mercury Stationary Retrograde in 12th House

For the next three weeks you may feel like you're waiting for things to come together, but you don't know exactly what they are. Kind of like watching a row of seeds you've planted -- you hope something is happening, but it's hard to tell. Events for you are, in fact, restructuring themselves behind the scenes, and you may be in for some surprises when all is resolved. Your best course is to make as few assumptions as possible and don't bet on the same old horses. Be open to your own intuitive hunches and be ready to jump aboard a new bandwagon when it suddenly materializes. It may come from closer than you think and from those you might have taken for granted.

09 Nov ☽ △ ☉ 03:26 pm EST Tran-Tran  17°☾42'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

10 Nov ☽ ☿ ♀ 04:10 am EST Tran-Tran  25°☾09'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

10 Nov ☽ △ ♄ 04:39 am EST Tran-Tran  25°☾26'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

10 Nov ☽ △ ♀ 11:54 am EST Tran-Tran  29°☾37'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

10 Nov ☽ ✖ ☿ 12:23 pm EST Tran-Tran  29°☾54'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

10 Nov ☽ ☿ ♀ 12:34 pm EST Tran-Tran  00°♏00'

Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a

lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

10 Nov ☽♂♀ 03:16 pm EST Tran-Tran  01°♌33'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

10 Nov ☽♈♂ 08:49 pm EST Tran-Tran  04°♌42'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

10 Nov ☽♏♀ 09:44 pm EST Tran-Tran  05°♏13'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

11 Nov ☽♈♀ 00:22 am EST Tran-Tran  06°♌42'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

11 Nov ♃♂♂ 10:53 am EST Tran-Tran  25°♏09'♂  
Jupiter Stationary Retrograde in 08th House

12 Nov ☽♏☉ 00:29 am EST Tran-Tran  20°♏05'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

12 Nov ♃♂♂ 06:16 pm EST Tran-Tran  06°♌04'♂

Ideas catch fire and the mind races as your thinking cap jams into fifth gear. A heady time, indeed, but you'll need to keep pace with the rest of the world, which is experiencing the same thing. Anything you choose to do with your interior software will keep this high pace in times to come, so strike while the iron is hot.

12 Nov ☽♏♌ 06:30 pm EST Tran-Tran  29°♏48'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

12 Nov ☽♂♏ 06:53 pm EST Tran-Tran  00°♏00'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not,

watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

13 Nov ☽ ☐ ♀ 05:50 am EST Tran-Tran  05°14'48"

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

13 Nov ☽ ☐ ♂ 07:04 am EST Tran-Tran  06°14'27"

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

13 Nov ☽ ✕ ♀ 10:48 am EST Tran-Tran  08°14'25"

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

14 Nov ☽ ✕ ☉ 02:21 pm EST Tran-Tran  22°14'41"

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

14 Nov ☽ ✕ ♀ 07:10 pm EST Tran-Tran  25°14'08"

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

14 Nov ☽ ♂ ♀ 07:31 pm EST Tran-Tran  25°14'19"

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

15 Nov ☽ ♂ ♀ 03:51 am EST Tran-Tran  29°14'33"

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

15 Nov ☽ △ ♀ 04:09 am EST Tran-Tran  29°14'42"

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may

be. Open your eyes, listen up, try a taste.

15 Nov ☽ ☿ ♊ 04:45 am EST Tran-Tran   00°♊00'

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

15 Nov ☽ △ ♀ 07:56 am EST Tran-Tran   01°♊37'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

15 Nov ☽ ✕ ♀ 12:41 pm EST Tran-Tran   04°♊01'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

15 Nov ☽ ✕ ♂ 09:17 pm EST Tran-Tran   08°♊20'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

17 Nov ☾ △ ♈ 00:08 am EST Tran-Tran   25°♊06'

If you want your plans to develop on track and evolve big time, this is the time to lay them on the table. Imagination and inspiration go hand in hand with motivation and coordination more than usual, so bring everybody together in that spirit and you'll have an operation that can't be beat.

17 Nov ☾ △ ♏ 03:56 am EST Tran-Tran   25°♊16'

There's a certain pleasure in feeling well-grounded, and this moment would make a firm foundation for whatever you choose to build upon it. If your plans are already made, it's time for the cornerstone to be laid. Go with what you've got, as there's a no-frills feeling that's saying keep it simple, take it slow.

17 Nov ☽ □ ♈ 06:52 am EST Tran-Tran   25°♊06'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

17 Nov ♀ ✕ ♀ 03:40 pm EST Tran-Tran   01°♊39'Rx

Tuning in to the Force can be easier than you think -- you might be doing it right now. When you work in sure knowledge, it works through you. Thus, what you take for granted is your very support structure. Foundations laid now will have that subtle support that protects without any armor at all.

- 17 Nov ☽ ☿ ♍ 04:45 pm EST Tran-Tran  00°♍00'  
The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 17 Nov ☽ ☿ ♍ 08:05 pm EST Tran-Tran  01°♍39'  
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 18 Nov ☿ ☿ ♍ 10:20 pm EST Tran-Tran  00°♍00'  
There's an air of secrecy about for the next few weeks, as if everybody's trying to keep a copyright on what they're thinking, so pulling out ideas may be like pulling teeth. Critical elements are often withheld until you've passed the entry test - but once honestly shared thinking gets going, it runs deep.
- 18 Nov ☽ ☿ ♍ 11:50 pm EST Tran-Tran  15°♍22'  
Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.
- 19 Nov ☿ ☿ ♍ 06:45 am EST Tran-Tran  29°♍32'  
Sudden insights appear and then vanish before you can work them out and set them down. The journey of the mind is interrupted and must proceed in fits and starts. It's a good time to see different sides of the issue, but hard to get a tight bead on the target. Take it in stride and collect information.
- 19 Nov ☿ ☿ ♍ 07:22 am EST Tran-Tran  29°♍30'  
It's easier than usual to put difficult and elusive concepts into words and put them to work for the general benefit. If you have a dream, now you can speak about it and people will understand. Listen to the same from others, who now have the same opportunity to share their inner visions and unite with you.
- 19 Nov ☽ ☿ ♍ 07:24 pm EST Tran-Tran  25°♍02'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 19 Nov ☽ ☿ ♍ 07:45 pm EST Tran-Tran  25°♍13'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 20 Nov ☽ ☿ ☾ 01:47 am EST Tran-Tran  28°♍12'  
New Moon in Scorpio

The intensity of the moment tells you it's time to turn over a new leaf - but perhaps without entirely sharing it with everybody. The dog is least hungry who has his own bone, he travels the fastest who travels alone. The journey begun in the heart of the night soon sees the dawn breaking and thrives in the light. In short, it may be time to take your own, new path and only share your developing resources when they are firmly in your control. When you discover oil, wait until you're pumping it to make the announcement. There is an urgency afoot and you're eager to answer the call - just make the first part of your voyage incognito.

20 Nov ☽ ☿ ♀ 02:15 am EST Tran-Tran  28°♌26'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

20 Nov ♀ ☿ ☼ 04:23 am EST Tran-Tran  28°♌18'Rx

High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

20 Nov ☽ △ ♀ 04:24 am EST Tran-Tran  29°♌29'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

20 Nov ☽ ♀ ♄ 04:25 am EST Tran-Tran  29°♌30'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

20 Nov ☽ ☿ ♀ 05:26 am EST Tran-Tran  00°♌00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

20 Nov ☽ ✳ ♀ 08:52 am EST Tran-Tran  01°♌42'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

20 Nov ♄ ✳ ♀ 09:22 am EST Tran-Tran  29°♌29'Rx

This several-year period (most recently centering around 1966) occurs only twice every 172 years and is reputed to have the effect of spiritual progress upon society at large. Too lengthy to have much more than a background effect, it nevertheless sets the tone of the period.

- 21 Nov ☽♂♂ 06:13 am EST Tran-Tran  12°♌16'  
Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.
- 21 Nov ☾♂♂ 07:25 am EST Tran-Tran  29°♍27'  
Touch and go is the order of the day, with fits and starts all over the place. The generally bumpy ride might mean you need some new shocks in your life plan, so you might investigate it. It could just be the traffic in general, which is very stop and go right now, but it will even out before long. Avoid road rage.
- 21 Nov ☾♂♂ 08:05 am EST Tran-Tran  29°♍28'  
Visions that might otherwise be gossamer fables can take on real substance and efforts initiated today can turn dreams into reality down the road. Your confidence in your own personal imaginings is the right stuff for others to rally around, and a general agreement on inner reality is at hand.
- 21 Nov ☾♂♂ 08:36 pm EST Tran-Tran  00°♌00'  
Expect a lot of straight talk flying about for the next month or so - 'tis the season. Of course, it's not all as straight as it's made out to be, and playing along is part of the game. But that doesn't matter, as enthusiasm and optimism can be quite sufficient by themselves to drive it all along to another level.
- 22 Nov ☽♂♂ 08:13 am EST Tran-Tran  25°♌11'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 22 Nov ♃♂♂ 01:45 pm EST Tran-Tran  25°♍11'Rx  
Steady focus and clear, reductive thinking get reliable results that inspire confidence in others, particularly those on the conservative side. Keep your eye on long-term operations and slow but steady development. Think big but not fast, what is begun now is for posterity, and that's forever, so you've got time.
- 22 Nov ☽♂♂ 04:48 pm EST Tran-Tran  29°♌28'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 22 Nov ☽♂♂ 05:52 pm EST Tran-Tran  00°♌00'  
Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 22 Nov ♃♂♂ 06:37 pm EST Tran-Tran  24°♍56'Rx  
Big plans put into operation now will have legs that make seven-league strides. Confidence in

what you have cooked up attracts customers and begets imitation, so move on apace to stay ahead of the competition. Ideas flow easily, but don't take them for granted -- put them into action to carry you in less creative times.

23 Nov ☉ ✕ ♀ 02:15 pm EST Tran-Tran  01° 45'

Quiet self-confidence allows forward motion without interference and without making waves. If you look like you know where you're going, the crowd will part to let you pass. Commitments or relationships begun now will share that enduring quality and make it easily through the storms of life and into the sunshine.

24 Nov ☽ ✕ ♀ 02:24 pm EST Tran-Tran  22° 25'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

24 Nov ☽ ✕ ♀ 03:28 pm EST Tran-Tran  22° 57'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

24 Nov ☽ ♂ ♄ 07:12 pm EST Tran-Tran  24° 51'

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

24 Nov ☽ ✕ ♄ 07:48 pm EST Tran-Tran  25° 10'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

24 Nov ♀ ♂ ♀ 08:52 pm EST Tran-Tran  22° 45' R

This is an ideal time for achievement in arts and letters -- whether it's redecorating, taking great pictures and movies, or doing a makeover. A keen eye for the beautiful is in sharp focus and a strong sense of shape and proportion makes for good judgment in all aspect of design, now and for posterity.

25 Nov ☽ △ ♄ 03:52 am EST Tran-Tran  29° 17'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

25 Nov ☽ ✕ ♀ 04:10 am EST Tran-Tran  29° 26'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off

and keeping good company comes with ease.

25 Nov ☽♂♊ 05:15 am EST Tran-Tran  00°≈00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

25 Nov ☽♂♋ 08:44 am EST Tran-Tran  01°≈47'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

25 Nov ☽♂♌ 12:27 pm EST Tran-Tran  03°≈42'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

26 Nov ♀♌♈ 11:32 am EST Tran-Tran  24°♌47'

Bounty and generosity go hand in hand and snowball when everyone is willing to tap assets without holding back. To live is to give, and get back accordingly. Launch it now and there will always be plenty to go around, a veritable birthday for the golden goose. The operant idea is growth through good feeding in all respects.

26 Nov ☽♂♍ 12:21 pm EST Tran-Tran  16°≈08'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

26 Nov ♀♌♏ 06:48 pm EST Tran-Tran  25°♌10'

Beauty and wealth both come from the bottom up -- built, not just acquired. Desires are truly fulfilled only by plumbing their depths and knowing what it is you really want in the long term. Addressing these issues now allows for lasting satisfaction where recurrent cravings no longer unsettle the sleep.

26 Nov ☽♌♐ 10:12 pm EST Tran-Tran  21°≈20'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

27 Nov ☽♌♑ 06:32 am EST Tran-Tran  25°≈46'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

- 27 Nov ☽ ☐ ♀ 12:53 pm EST Tran-Tran  29°≈11'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 27 Nov ☽ ☌ ♀ 02:24 pm EST Tran-Tran  00°≈00'  
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 27 Nov ♄ ☽ 09:37 pm EST Tran-Tran  25°≈09'  
Saturn Stationary Direct in 03rd House
- 28 Nov ☽ ☐ ☉ 01:59 am EST Tran-Tran  06°≈18'  
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 28 Nov ☽ ☐ ☌ 10:58 pm EST Tran-Tran  17°≈56'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 29 Nov ☽ △ ♀ 03:54 am EST Tran-Tran  20°≈43'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 29 Nov ☽ △ ♄ 10:46 am EST Tran-Tran  24°≈37'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 29 Nov ☽ ☌ ♄ 11:43 am EST Tran-Tran  25°≈10'  
The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.
- 29 Nov ♀ ☽ 12:38 pm EST Tran-Tran  20°≈42'  
Mercury Stationary Direct in 11th House  
You may have found the last few weeks have required you to spend some time pinning down just who your real friends are. Misplaced expectations can make for delay, but once you've separated the wheat from the chaff you'll have a better idea of who is really in the game. Now

is the time to nail down those connections who had been hovering in the wings, time to get the message through to the ones who matter. That's important because you may soon need a shoulder to lean on, or at least a reliable counterpart who can help provide focus and serve as radar when the fog rolls in.

29 Nov ☽ △ ♀ 06:13 pm EST Tran-Tran  28°✕54'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

29 Nov ☽ ✕ ♂ 06:33 pm EST Tran-Tran  29°✕06'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

29 Nov ☽ ☿ ♀ 07:06 pm EST Tran-Tran  29°✕24'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

29 Nov ☽ ☿ ♂ 08:07 pm EST Tran-Tran  00°♠00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

29 Nov ♀ ☿ ♂ 09:48 pm EST Tran-Tran  29°♠05'

Fickle desires and changing tastes can make it difficult to satisfy yourself or those around you. If people keep changing their minds, what is one to do? It's probably best to wait for a clearer focus before committing to something that could be out of fashion the moment after it's begun. For the time being, just experiment.

29 Nov ☽ ✕ ♀ 11:22 pm EST Tran-Tran  01°♠53'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

30 Nov ♀ △ ♀ 03:48 am EST Tran-Tran  29°♠24'

Getting creative and dreaming up new joys and pleasures comes with ease, and there are plenty of others playing in that sandbox, so share and share alike. Spiritual and material pleasures do not need to conflict, but can go hand in hand for self-satisfaction and the benefit of all. Believe it, and it will come true.

30 Nov ☽ △ ☼ 11:00 am EST Tran-Tran  08°♠42'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well,

and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

30 Nov ♀ ♂ ♄ 03:14 pm EST Tran-Tran  00° 00'

A good belly laugh satisfies everyone right now, and refined taste is not necessary to make a hit. In fact, nuance may not be much in demand at all, so don't expect you're subtleties to get lapped up. Go for the gusto, along with everyone else, or else sip your sup on the side. Don't knock the slapstick, however, it's still classic.

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

01 Dec ☽ △ ♂ 05:14 am EST Tran-Tran  19° 137'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

01 Dec ☽ □ ♃ 01:15 pm EST Tran-Tran  24° 29'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

01 Dec ☽ ♂ ♂ 10:13 pm EST Tran-Tran  00° 800'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

02 Dec ☽ □ ♀ 01:20 am EST Tran-Tran  01° 56'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

02 Dec ♀ ✳ ♀ 04:03 am EST Tran-Tran  01° 56'

Quiet confidence in achievable goals makes things run smoothly and cooperation in the mutual interest means everybody gets just the right piece of the pie. Giving easily without a thought to the cost breeds instant karma and it all comes back again in spades. Fearless love is its own greatest reward.

03 Dec ☽ ♂ ♀ 09:07 am EST Tran-Tran  21° 55'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

03 Dec ☽ ✳ ♃ 12:57 pm EST Tran-Tran  24° 21'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

03 Dec ☽ ✳ ♃ 02:16 pm EST Tran-Tran  25° 11'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and

give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

03 Dec ☽ ☾ ♄ 08:08 pm EST Tran-Tran  28° 8' 56"

Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.

03 Dec ☽ ✕ ♀ 08:51 pm EST Tran-Tran  29° 8' 23"

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

03 Dec ☽ ☾ ♀ 09:49 pm EST Tran-Tran  00° 11' 00"

Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

04 Dec ☽ △ ☽ 00:54 am EST Tran-Tran  01° 11' 58"

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

04 Dec ☽ ☾ ♀ 04:50 am EST Tran-Tran  04° 11' 29"

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

04 Dec ☽ ☾ ☾ 06:15 pm EST Tran-Tran  13° 11' 04"

Full Moon in Gemini

This "Cold" full Moon has a shivering quality of nervous tension even if you're in the desert. There's more data coming in than can be easily handled and it may require new levels of organization to keep track of it and keep the channels flowing smoothly. The chances are everybody has something to talk about but not necessarily anything really important to say, so a lot of it is separating the wheat from the flying chaff. It's windy, even if it's still outside, but there is a kernel of important truth to be snagged as it flies by, and if you can catch that, like the brass ring, it will be your measure of success.

05 Dec ☽ ☾ ☽ 09:24 am EST Tran-Tran  22° 11' 43"

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

05 Dec ☽ ☾ ☽ 01:20 pm EST Tran-Tran  25° 11' 13"

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

05 Dec ☽ ☐ ♀ 07:56 pm EST Tran-Tran  29° II 23'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

05 Dec ☽ ☌ ☿ 08:55 pm EST Tran-Tran  00° ☿ 00'

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

06 Dec ☿ △ ♃ 08:05 am EST Tran-Tran  24° ♍ 08'

Big plans put into operation now will have legs that make seven-league strides. Confidence in what you have cooked up attracts customers and begets imitation, so move on apace to stay ahead of the competition. Ideas flow easily, but don't take them for granted -- put them into action to carry you in less creative times.

07 Dec ☽ ☌ ♃ 11:52 am EST Tran-Tran  24° ☿ 03'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

07 Dec ☿ △ ☿ 11:58 am EST Tran-Tran  25° ♍ 14'

Steady focus and clear, reductive thinking get reliable results that inspire confidence in others, particularly those on the conservative side. Keep your eye on long-term operations and slow but steady development. Think big but not fast, what is begun now is for posterity, and that's forever, so you've got time.

07 Dec ☽ △ ☿ 01:51 pm EST Tran-Tran  25° ☿ 14'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

07 Dec ☽ △ ♀ 01:59 pm EST Tran-Tran  25° ☿ 19'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

07 Dec ☽ ✱ ♄ 07:45 pm EST Tran-Tran  28° ☿ 46'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime.

Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

07 Dec ☽ △ ♀ 08:46 pm EST Tran-Tran  29° 22'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

07 Dec ☽ ♂ ♀ 09:49 pm EST Tran-Tran  00° 00'

Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

08 Dec ☽ ♂ ♀ 01:18 am EST Tran-Tran  02° 04'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

08 Dec ☽ △ ♀ 02:56 pm EST Tran-Tran  10° 03'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

08 Dec ♂ □ ♀ 07:16 pm EST Tran-Tran  25° 16'

Trying to push on too hard in the face of incremental resistance puts a strain on everyone, with some accompanying lessons to be learned. To wit, don't pursue energy-wasters once you've spotted what's happening. If you're not getting anywhere, move on to the next and return another day to finish up.

09 Dec ☽ △ ☉ 04:00 am EST Tran-Tran  17° 32'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

09 Dec ☽ △ ♂ 07:06 pm EST Tran-Tran  26° 00'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

09 Dec ☽ □ ♀ 10:27 pm EST Tran-Tran  27° 51'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

- 09 Dec ☽ ☐ ♀ 11:57 pm EST Tran-Tran  28° 41'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 10 Dec ☽ ☿ ♀ 02:21 am EST Tran-Tran  00° 00'  
If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.
- 10 Dec ♀ ☽ 02:38 am EST Tran-Tran  29° 22'  
Neptune Stationary Direct in 03rd House
- 10 Dec ♀ ☿ ♀ 02:59 pm EST Tran-Tran  28° 40'  
Sudden insights appear and then vanish before you can work them out and set them down. The journey of the mind is interrupted and must proceed in fits and starts. It's a good time to see different sides of the issue, but hard to get a tight bead on the target. Take it in stride and collect information.
- 11 Dec ☽ ☐ ♀ 02:47 am EST Tran-Tran  13° 11'  
Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 11 Dec ♀ △ ♀ 05:19 am EST Tran-Tran  29° 22'  
It's easier than usual to put difficult and elusive concepts into words and put them to work for the general benefit. If you have a dream, now you can speak about it and people will understand. Listen to the same from others, who now have the same opportunity to share their inner visions and unite with you.
- 11 Dec ☽ ☐ ☉ 03:52 pm EST Tran-Tran  20° 04'  
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 11 Dec ♀ ☿ ♀ 05:40 pm EST Tran-Tran  00° 00'  
People will say anything for a laugh about now - and for the next few weeks they'll tend to just say anything in general and then keep talking. Blue-sky blustering is the order of the day, but there's a kernel of truth in some of those free-form filibusters, so don't overlook that fleck of gold gleaming in the pan.
- 11 Dec ☽ ✕ ♀ 10:45 pm EST Tran-Tran  23° 39'  
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

- 12 Dec ☽ ♀ ♄ 02:01 am EST Tran-Tran  25°♐20'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 12 Dec ☽ ☐ ♀ 06:56 am EST Tran-Tran  27°♐53'  
Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 12 Dec ☽ △ ♄ 08:20 am EST Tran-Tran  28°♐36'  
This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.
- 12 Dec ☽ ♀ ♀ 09:51 am EST Tran-Tran  29°♐22'  
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.
- 12 Dec ☽ ☿ ♄ 11:04 am EST Tran-Tran  00°♐00'  
Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 12 Dec ☽ ✕ ♀ 01:02 pm EST Tran-Tran  01°♐00'  
If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.
- 12 Dec ☽ △ ♀ 03:20 pm EST Tran-Tran  02°♐11'  
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 13 Dec ♀ ✕ ♀ 11:28 am EST Tran-Tran  02°♐12'  
Tuning in to the Force can be easier than you think -- you might be doing it right now. When you work in sure knowledge, it works through you. Thus, what you take for granted is your very support structure. Foundations laid now will have that subtle support that protects without any armor at all.
- 13 Dec ☽ ✕ ♀ 07:54 pm EST Tran-Tran  16°♐36'  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for

scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

14 Dec ☿ ☐ ♀ 06:44 am EST Tran-Tran  29° 23'

Constantly getting lost can really slow things down, and a general tendency not to ask for directions or not to understand them has everyone spinning their wheels. Quicksand is mistaken for solid ground and it takes a lot of thrashing about to regain the shore. It might be better just to wait for a change in the weather.

14 Dec ☽ ✕ ☉ 08:20 am EST Tran-Tran  22° 48'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

14 Dec ☽ ☐ ♃ 09:34 am EST Tran-Tran  23° 25'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

14 Dec ☽ ✕ ☿ 10:36 pm EST Tran-Tran  29° 53'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

14 Dec ☽ ☿ ♀ 10:51 pm EST Tran-Tran  00° 00'

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

15 Dec ☿ ☿ ♀ 02:34 am EST Tran-Tran  00° 00'

Don't be surprised as if it seems like everybody's trying to run a marathon with their lives for a while. A sustained energy level abounds that makes for workaholic productivity that may not actually pay off. Do what's necessary, but don't beat a dead horse just because there are still hours left in the day to do it.

15 Dec ☽ ☐ ♀ 03:23 am EST Tran-Tran  02° 15'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

16 Dec ☽ △ ♃ 09:46 pm EST Tran-Tran  23° 09'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember

there may be other sides, too.

16 Dec ☉ ☐ ♄ 11:34 pm EST Tran-Tran  25°♌29'

Nagging criticism and contrary thinking can slow up operations, and the nattering nabobs of negativity can get you down, so don't be one of them. When insecurity and self-doubt arise, pause for thought, correct mistakes, and then move on. Lingering and obsessing should be left to others, there's plenty to go around.

17 Dec ☽ △ ♄ 02:30 am EST Tran-Tran  25°♍29'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

17 Dec ☽ ☿ ♄ 08:25 am EST Tran-Tran  28°♍25'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

17 Dec ☽ △ ♀ 10:24 am EST Tran-Tran  29°♍23'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

17 Dec ☽ ☿ ♄ 11:39 am EST Tran-Tran  00°♌00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

17 Dec ☽ ✳ ♀ 04:19 pm EST Tran-Tran  02°♌19'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

18 Dec ☽ ☿ ♀ 05:02 am EST Tran-Tran  08°♌36'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

19 Dec ☽ ☿ ♀ 11:19 am EST Tran-Tran  23°♌42'

Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.

- 19 Dec ☽ ☾ ♄ 03:04 pm EST Tran-Tran  25° ↗35'  
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
- 19 Dec ☽ ☿ ☼ 08:43 pm EST Tran-Tran  28° ↗25'  
New Moon in Sagittarius  
There's a clarion call in the air telling you and everyone else to get it right and play it straight this time, but not everyone is listening. Make sure you are. Last month's cloak and dagger maneuvers are old hat and if you conspicuously clean house and let in the air, you'll be in the vanguard of the initiative now. Your message needn't be subtle, just sincere, as nuanced maneuvers aren't yet as important as getting the direction right. What you begin now, begin in truth and with foundations laid on what you know and not what you speculate. Well begun is half done, so launch from a firm footing and you'll be out in front.
- 19 Dec ☽ ☾ ♀ 10:41 pm EST Tran-Tran  29° ↗24'  
Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.
- 19 Dec ☽ ☿ ♀ 11:53 pm EST Tran-Tran  00° ♀00'  
Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 20 Dec ☽ ☿ ♂ 07:43 am EST Tran-Tran  03° ♀57'  
Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.
- 20 Dec ☼ ☾ ♀ 08:02 pm EST Tran-Tran  29° ↗24'  
Deceits and deceptions are hard to separate from honest mistakes and confusions, but when in doubt, it's probably best not to follow up and try to find out. It's easy for everyone to get into a tangle over insubstantial misperceptions that waste time and energy, so let it lie and don't make moves -- you want to be on a solid foot.
- 21 Dec ♀ ☾ ♄ 00:09 am EST Tran-Tran  25° ↗38'  
Whittling away at your needs too insistently may only serve to magnify them and force a spiraling return to an overtapped well. If you take what you need and be done with it, what you have will suffice, even if you have some reservations. Total satisfaction may have to wait a bit, complaints don't help, only annoy.
- 21 Dec ☼ ☿ ♀ 10:03 am EST Tran-Tran  00° ♀00'  
New Year's resolutions are just part of the getting-earnest style of the next month, where sincerity, business, and sometimes desperation are the drivers which themselves lose steam when the New Year turns out to be just another new year. Pretending deadly seriousness can

be a kick, but living it is a drag, so play there, but don't stay there.

21 Dec ☽♂♄ 08:27 pm EST Tran-Tran  22°∞36'

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

22 Dec ☽✳♁ 02:28 am EST Tran-Tran  25°∞41'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

22 Dec ☽△♁ 07:27 am EST Tran-Tran  28°∞14'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

22 Dec ☽✳♄ 09:44 am EST Tran-Tran  29°∞25'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

22 Dec ☽♂♁ 10:52 am EST Tran-Tran  00°≈00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

22 Dec ☽♂♄ 03:37 pm EST Tran-Tran  02°≈27'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

23 Dec ☽✳♄ 06:55 pm EST Tran-Tran  16°≈39'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

24 Dec ♀□♄ 00:31 am EST Tran-Tran  29°↗26'

Desires deceive and getting hold of what's wanted seems to be a continuing and elusive task. Watch out for illusions and delusions being sold as the real thing, then snatched out of reach just before consummation. If you're unsure, don't invest time or money or you'll be perpetuating the situation.

- 24 Dec ♀ ♂ ♊ 11:26 am EST Tran-Tran  00°♊00'  
Less is more for a few weeks, and you'll find people paying for it that way, as well. Small servings are sufficient, simple but pure flavors are the best - in people as well as food. If you're not wearing basic black, you're probably overdressed, at least as far as others are concerned. Keep it simple or sit it out.
- 24 Dec ☽ ☐ ♉ 04:42 pm EST Tran-Tran  28°♉10'  
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 24 Dec ☽ ♂ ♋ 08:10 pm EST Tran-Tran  00°♋00'  
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 24 Dec ☽ ♀ ♋ 09:07 pm EST Tran-Tran  00°♋30'  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 25 Dec ☽ ♀ ☊ 03:14 am EST Tran-Tran  03°♋47'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 25 Dec ☽ ♀ ♂ 10:46 am EST Tran-Tran  07°♋50'  
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 26 Dec ☽ ☐ ♉ 10:03 am EST Tran-Tran  20°♋33'  
This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 26 Dec ☽ △ ♉ 12:44 pm EST Tran-Tran  22°♋02'  
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 26 Dec ☽ ♂ ♏ 07:42 pm EST Tran-Tran  25°♏54'  
The emotional waters are a bit on the cool side today and if you encounter the cold shoulder,

don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

26 Dec ☽ ✕ ♀ 11:38 pm EST Tran-Tran  28°✕05'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

27 Dec ☽ ♂ ♀ 02:04 am EST Tran-Tran  29°✕27'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

27 Dec ☽ ♂ ♀ 03:03 am EST Tran-Tran  00°♂00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

27 Dec ☽ ✕ ♀ 07:38 am EST Tran-Tran  02°♂35'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

27 Dec ☽ ☐ ♀ 09:35 am EST Tran-Tran  03°♂41'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

27 Dec ☽ ☐ ☉ 02:11 pm EST Tran-Tran  06°♂17'

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

27 Dec ☽ ☐ ♂ 08:06 pm EST Tran-Tran  09°♂40'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

28 Dec ☽ ☐ ♀ 05:00 pm EST Tran-Tran  21°♂45'

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope

to disappointment, so avoid them.

28 Dec ☽ △ ♀ 09:14 pm EST Tran-Tran  24° 15'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

29 Dec ☽ ♂ ♂ 06:58 am EST Tran-Tran  00° 00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

29 Dec ☽ □ ♀ 11:24 am EST Tran-Tran  02° 39'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

29 Dec ☽ △ ♀ 06:04 pm EST Tran-Tran  06° 38'

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

29 Dec ☽ △ ☉ 09:22 pm EST Tran-Tran  08° 38'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

30 Dec ☽ △ ♂ 01:55 am EST Tran-Tran  11° 23'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

30 Dec ♀ □ ♀ 02:16 am EST Tran-Tran  26° 04'

Negative thinking can sour the environment and confound the mind, so don't be a sourpuss -- and when you see one coming, cross to the other side of the street. It's easy to get into a downward spiral, so deal with problem issues only once and be done with them. Criticism gets nowhere, so it's not worth the bother.

30 Dec ☽ ✱ ♀ 06:28 pm EST Tran-Tran  21° 29'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

- 31 Dec ☽ ✕ ♏ 01:59 am EST Tran-Tran  26°♏08'  
 The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 31 Dec ☽ ♉ ♏ 04:57 am EST Tran-Tran  27°♏58'  
 Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 31 Dec ☽ ✕ ♍ 07:25 am EST Tran-Tran  29°♏30'  
 Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.
- 31 Dec ☽ ♉ ♏ 08:14 am EST Tran-Tran  00°♏00'  
 Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 31 Dec ☽ △ ♍ 12:35 pm EST Tran-Tran  02°♏42'  
 A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
